Information as sought received from concerned department is as under:

Item No. 3.1	The information is not available in material form which will need to be created, which is not within the purview of RTI Act as defined in Rule 2(f), as also clarified in a recent CIC judgement dated 20.06.2013 wherein it has been clarified that "the onus of compiling and collating the information to suit the information needs of applicants under the RTI Act is not placed on the CPIO under the provisions of the Act. Such misuse of the right given under the Transparency Act, in our view, results in depletion of the scarce human and financial resources of the public authority which must be eschewed by all responsible citizens who exercise their right to information."
