

No. HQ-OPBD0BD(RATE)/2/2022 (17580)

Date : 16.11.2022

**DFCR, Business Development Circular No. 10 of 2022
(DFCR/BD - 10/2022)**

Sub: Nomination of Committee for scrutinizing stabling charges over DFCCIL

DFCCIL has Private Siding, PFTs, Container Sidings and GCT Terminals connected to it. Some more Private terminals are expected to be connected in future. As all the commercial rules of Indian Railways are applicable Mutatis Mutandis over DFCCIL, accordingly these terminals will also be guided by these rules.

Many of these terminals are liable to pay stabling charges, due to inability to accept rakes as and when they arrive. Accordingly, it has been decided by competent authority to form a committee headed by a JGM level officer to oversee the charges leveled/collected at the field unit. The committee consisting of Mr. Faiz Mohammad/JGM (BD)/CO (convenor), Mr. Rajesh Kumar/AM(BD)/CO and Mr. Rajesh Kumar/AM (OP)/CO will scrutinize the stabling charges leveled/raised against any of the terminals connected to DFCCIL. All field units and concerned officers are advised to submit the monthly stabling charges to the committee (terminal-wise accrued by Private Terminals) for verification and collection.
