

SAY NO TO CORRUPTION

DFCCIL Vigilance strives:

- To promote a culture of Honesty and Integrity.
- To work to reduce the complexities and reforming the system for corruption free delivery.
- To ensure that Rules and Regulations are followed without any violations.
- To study and analyze the system to understand the loopholes and inadequacies that might be prone to corruption and suggest necessary improvements accordingly.
- To evolve strategies to combat and eradicate the Corrupt and Fraudulent activities.
- Vigilance Department, DFCCIL strives to enhance the spirit of accountability, honesty and integrity amongst the employees thereby making the organization more transparent and efficient.
- To ensure that there is transparency in all official dealings and the discretionary powers vested with the individuals are exercised judiciously maintaining the fair practices.
- To create awareness amongst the DFCCIL staff and officials on anti-corruption measures.
