

### Development of freight terminals/MMLPs etc. at 35 locations

- ❖ DFC has planned to develop Logistics Parks / Freight Terminals / Parcel Terminals along the DFC corridors, at strategic locations having freight movement demand in order to facilitate door to door movement of traffic with efficient handling systems in a cost effective manner. These business nodes will be developed and operated with private participation. EOI has been floated for development of freight terminals/MMLPs etc. at 35 locations on Pvt. land owned by the potential applicants and on DFC land (at 5 locations).
