Dear DFCCIL Family,

As we bid farewell to year 2022 and delightfully welcome the new year 2023, I would like to take this opportunity to express my sincere appreciation and gratitude for all your hard work and dedication throughout the past year. Despite the challenges we faced, we remained committed to our tasks and helped to achieve targets and accomplish many great things.

"Let the old year end and the New Year begin with the warmest of aspirations." - Mahatma Gandhi

I am proud of the progress we made in 2022 and the positive impact we created for the nation. In the year 2022, we accelerated our pace of project execution and successfully commissioned more than 650 km till the end of the year. Madar-Palanpur section and later Palanpur-Mahesana Section of WDFC was inaugurated by Hon'ble PM Shri Narendra Modi this year. I am happy to see that by the end of year 2022, we have successfully commissioned around 60% of the total DFC network and are on the way to commission more than 90% of DFC by next year. As our operations picked up, we ran more than 41,000 trains carrying more than 32 billion GTKM over DFC network in year 2022.

Your tireless efforts and contributions have not gone unnoticed and found the attention of Railway Ministry. It was a moment of great proud for all of us when on the eve of our 17th Foundation Day, Hon'ble Minister of Railways Shri Ashwini Vaishnav declared DFCCIL as "The Jewel of Indian Railways". I want to thank each and every one of you for your dedication and commitment to excellence.

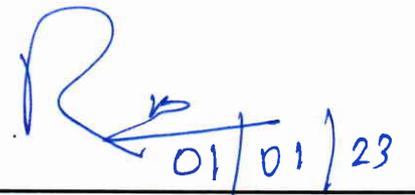

As we look ahead to the new year, I encourage you to continue building on the progress we made in 2022 and strive to achieve even greater success in year 2023. There is a critical task of complete majority commissioning of DFC at hand for us. At the same time, we have to set robust maintenance mechanism to ensure safe and reliable network. Work on development of GatiShakti Cargo Terminal at 112 DFC stations is another important task for us. Whether you are an executive in field unit or a manager in corporate office, I believe that every one of you has the potential to make a significant impact in our organization.

"If you want to live a happy life, tie it to a goal." - Albert Einstein

In the coming year, I encourage you to set ambitious goals and work towards achieving them. The nation has great expectations from this project and onus of its successful execution is on us. I hope we will live up to this expectation and perform our best in coming year.

I wish you all a happy and prosperous new year. Let's continue to work together and make 2023 an even greater year for DFCCIL.

Best of Luck!
