## **Price Schedules**

# CONTENTS

## **PART – 5 - Price Schedules**

1. Preamble
2. PRICE PROPOSAL SUBMISSION SHEET (BDF-10)
3. Schedule – A (Form for Lump sum cost of the Bid)
4. Schedule – B
  - Apportionment of contract Price for payments according to cost centres.
  - Price Weightage for interim Payment (B-1 to B-6).

## PREAMBLE

1. The Price Schedules shall be read in conjunction with the “Instructions to Bidders”, “General Conditions”, “Particular Conditions”, “Employer’s Requirement”, “Technical Specifications”, and “Drawings”.
  
2. The bidder shall quote ***lump sum cost in INR for the entire project Design, procurement, Construction of Track and track related works and its testing & commissioning for double track electrified railway line on a Design and Construction of Important Bridge across river Sone (approximate length 3.06 Kms), its approaches (on both sides) and other miscellaneous works for double track electrified railway line on Design Build Lump Sum Basis between Sonnagar (Rly.Km.549) and Dehri-on-Sone (Rly.Km.554) Railway Stations on Mughalsarai-Sonnagar Section of Eastern Dedicated Freight Corridor in schedule A.*** The cost shall cover all the items of the work as detailed in the “Employer’s Requirement” contained in Part-2 Section-V of the Bid document as well as conforming to all specifications and stipulations laid down in the Bid Document including all addenda/corrigenda thereof till the date of submission of Bids. The lump sum cost shall be inclusive of all costs on Design, Drawings, Reports, Survey, Site Facilities, Construction Equipment, Plants, Instruments, Labour, Supervision, Materials, Erection, Testing, Maintenance, Temporary Works, Site Access, Safety, Security, Defect Rectification, Insurance, Profit, duties, Taxes, Levies, Royalties as per applicable law together with all general risks, liabilities and obligations set out or implied in the contract.
  
3. To facilitate **stage payments** during execution for which Lump sum Cost shall be quoted in **Schedule A**, the entire work has been divided into Six (6) Cost Centers along with their respective percentages of the quoted lump sum of cost in **Schedule `B’**. The value of each cost centre can thus be worked out based on lump sum quote. For further facilitating stage/on account payment, each of the cost centres have been divided into cost sub centres with percentage apportionment of the cost attached to each cost centres as indicated **in Schedule B-1 to B-6**. On account payments would be made on prorate basis for work done against each Cost Centre/Sub-Centre.

For the purpose of stage/on account payment, the successful Bidder needs to indicate quantities assessed on the basis of preliminary/Final designs/drawings for each Cost Centres/Sub-Centers. However, on approval of detailed designs and drawings by Engineer/Employer against, each Cost Centre/Sub Centre, the final quantities for each Cost Centre/Sub Centre would be considered and payment done will be adjusted accordingly.

**4. Filling of Bid document**

The Cost shall be filled in with indelible ink or be type written. The person authorized to sign on behalf of the Bidder shall sign in full with the date at the bottom of all pages and at the end of schedules.
