Dear Applicant,

Sub: सूचना के अधिकार अधिनियम 2005 के अंतर्गत सूचना सुलभ कराना।

Providing information under the RTI Act 2005

- Ref: **1.** Your Appeal dated nil with regard to your original RTI application dated 04.05.2017 (received after a gap of 80 days from the dispatch of our reply to your RTI application).
- 2.** Your RTI application received in our office on 04.02.2017 and already replied by this office on 13.02.2017.

Your reply has been received very late. Your RTI was replied on 13.02.17 and your appeal has been received on 04.05.17, after a long gap of about 80 days which normally need not be replied as the stipulated time of 30 days under RTI Act, 2005 has elapsed long back. Moreover, your have attached a copy of our RTI reply taken from our office records as it is showing the Speed Post receipt with stamp of date affixed thereon which is obviously taken from DFCCIL's official records, normally not accessible to outsiders and GGM/Civil's staff having put signatures thereon in token of acceptance of receipt.

However, the information received from the concerned office is as under:

S.No.	Information required	DFCCIL serialized answer
1	Item (i)	The Preliminary Engineering Cum Traffic Survey (PETS) Report of East-West and East-Coast Corridor has been submitted to Railway Board for Examination and further necessary action. Since the report submitted is of preliminary stage and is under consideration of Railway Board. The information sought is under jurisdiction of Railway Board and the same cannot be furnished from DFCCIL. The Railway Board office may be contacted for obtaining the same.

With this, your appeal is disposed of
