As per the marking of the letter dated 05-04-2012, received from GM/S.Railway which was marked to the then GGM/Civil, I find that the PIO has made enough effort to locate the source and to obtain the position that was required to be provided under the Act. but in vain as the information is not available in this office.

On receipt of your appeal the matter has again been enquired about for a response but the same is not found on record. Further, it is reiterated that the officer has been transferred and the arbitration being purely semi personal item, dealt by the concerned officer only.

However, your original application is hereby transferred to the DRM, S.E.Railway, Chakradharpur Division for providing the desired information directly, if any, available with him.
