

## CORPORATE ENVIRONMENT POLICY

Sustainable development for inclusive growth as the key objective of the national economy in India would call for rapid growth of infrastructure. Rail transport is one of the major components of vehicle for growth of Indian economy. DFCC is a major initiative in this direction to acquire the quantum jump in Rail transport capacity in the Pan India Network by providing high capacity, high efficiency backbone connecting the major economic hubs of the country.

It is natural that DFCCIL adopts a corporate environment policy to adopt not only an environment friendly mode of transport system but also takes initiatives in each aspect of its working to foster growth and sustenance of healthy environment. The corporation is thus committed towards compliance of all regulations and guidelines relating to environment. It is also our endeavor to adopt -

- Integrated Environment Management and Practices
- To exhibit sensitivity towards environmental responsibilities and conduct our activities accordingly.
- Efficient utilization of energy resources.
- Associate in direct activities towards environmental improvement through development of green belt and conservation of water resources.
- Make efforts for preservation of ecological balance & heritage.
- Mitigation measures for noise, vibration and waste pollution.
- Sensitize human resource of the corporation towards environmental needs.
- Sustain improvement of environmental performance of the organization
