

DFCCIL AND INLAND WATERWAYS AUTHORITY OF INDIA (IWAI) HAS SIGNED A MOU FOR DEVELOPING MULTI-MODAL LOGISTICS TERMINALS NEAR VARANASI

A Memorandum of Understanding (MoU) was signed between Dedicated Freight Corridor Corporation of India (DFCCIL) and Inland Waterways Authority of India (IWAI) on 19.03.2015 for collaboration through convergence between inland waterways and Railway connectivity. The MoU was signed by Shri Amitabh Verma, Chairman, IWAI and Shri Adesh Sharma, Managing Director, DFCCIL in the presence of the Hon'ble Minister for Railways Shri Suresh Prabhu, the Hon'ble Minister for Shipping, Road Transport and Highways Shri Nitin Gadkari, Chairman Railway Board Sh. A K Mittal and Secretary Shipping Sh. Rajive Kumar.

Speaking on the occasion Hon'ble Minister for Railways Shri Suresh Prabhu said that this is a landmark event. He added that India has large coast but there are a large number of states which are land locked. There is huge potential for providing connectivity through Inland Waterways, Railways and Roadways. The development of Inter modal terminal using synergy of DFCCIL and IWAI will help in reducing unit cost of transport logistics and will be Eco friendly. He further added that DFC will be game changer in the field of transport logistics.

Hon'ble Minister for Shipping, Road Transport and Highways Shri Nitin Gadkari said that MoU is another step towards turning the Make in India vision in to reality. The synergy between the Ministry of Railways and Shipping would provide a boost to the development of multi-modal logistics terminals

along National Waterways, he added. The Minister also underlined the initiative to convert 101 rivers into inland waterways. As per the MOU, IWAI and DFCCIL will collaborate to provide logistics support to facilitate business development in the hinterland and its feeder routes. To begin with, IWAI and DFCCIL will work jointly to undertake techno economic feasibility of the project for setting up of a logistics terminal at Varanasi

The National Waterway - 1 runs parallel to the Allahabad and Varanasi stretch of the Eastern Dedicated Freight Corridor (EDFC) of DFCCIL. The joint development of a state-of-the-art and first of its kind logistics hubs at Varanasi and other places promises to bring together inland waterways, rail and road connectivity, providing seamless, efficient and cost effective cargo movement.

There exists a good potential for storage and warehousing at the proposed terminal at Varanasi, apart from the scope for developing large movement of cargo through inland waterways, rail and road. The development of multi-modal terminal will provide a new boost to the supply chain of the anticipated industrial development in the area.

DFCCIL and IWAI will set up a Coordination Group (COG), with two members from each organisation, for effective implementation of the MoU.

CONTRACT AGREEMENT SIGNED FOR THE WORK OF ELECTRIFICATION OF TRACK IN REWARI - VADODARA SECTION OF WESTERN DEDICATED FREIGHT CORRIDOR

The Contract Agreement for the work of Electrification of Track of Dedicated Freight Corridor for the section Rewari to Vadodara (Makarpura), Contract Package - 4 (ICB No. EMP-4) was signed on 04.03.2015 between Dedicated Freight Corridor Corporation of India Limited (DFCCIL) and Sojitz-L&T Consortium at DFCCIL

Corporate Office, Pragati Maidan Metro Station Building Complex. Shri Adesh Sharma MD/DFCCIL, Shri D.S. Rana Director/Infra, Shri H. D. Gujarati Director OP & BD, Shri. Anshuman Sharma Director/PP and Mr. Osayasu Sano and other representatives from M/s Sojitz-L&T were present on the occasion. The Contract is for the execution of the work of Traction Power Supply, Over Head Equipment (OHE) and SCADA on the Western DFCCIL track from Rewari to Vadodara (Makarpura) which is 925 Track KM long at a cost of Rs. 2582 Crores. This is the largest Single Railway Electrification work in India so far and will be funded by Japan International Cooperation Agency. The work is likely to commence in the month of April 2015 and will take almost 4 years for completion. The high rise Over Head Equipments will enable operation of Double Stack Container on this route. Most recent technologies which are in use worldwide like 2x25 kV system, Scott Connected Transformer, Modular Cantilever assembly etc. will be adopted in this project.

DFCCIL SIGNS MOU WITH MINISTRY OF RAILWAYS

The Dedicated Freight Corridor Corporation of India Limited and Ministry of Railways has signed a Memorandum of Understanding (MOU) for the year 2015-2016 on 30.03.2015. The MOU has been signed by Shri Adesh Sharma, Managing director, DFCCIL on behalf

of DFCCIL and Shri P C Gajbhiye, Secretary Railway board on behalf of Ministry of Railways. On this occasion Shri. Anshuman Sharma Director/PP, Shri H. D. Gujarati Director OP & BD, Shri M. K. Mittal Director/Finance, Shri D.S. Rana Director/Infra, DFCCIL and officials of ministry of Railways were also present. The MOU lays down the targets for various important activities of DFCC projects. The MOU will also help DFCCIL for timely release of adequate funds for execution of the project, land acquisition and continuance of full assistance by the ministry of Railways in deputing Railway officials on tenure basis to work in DFCCIL.

Eastern & Western Dedicated freight corridors will contribute in a great manner towards the economic development of the states encompassing them as well as to ease the traffic load on existing Indian Railways network. The core sector like power houses, fertilizer, food grains, and POL movement including export import of the country will be benefitted by this infrastructure.

WORLD BANK PREPARATORY MISSION VISITS DFCCIL

The World Bank preparatory Mission visited India from 19th to 30th January 2015 in connection with preparation & sanction of loan for Khurja- Ludhiana section of Eastern Dedicated Freight Corridor (APL-3). The mission also reviewed the progress of Civil works, visited project site and also had detailed review with project management consultant, Quality and Safety Audit consultant, Social Environmental Safety Monitoring and Review consultant. The mission expressed satisfaction over the completion of evaluation for award of CST works contract package 201 & 202. The World Bank mission also reviewed several other important milestones in procurement and other progress made by DFCCIL. The World Bank team was led by Mr. Ben Eijbergen and the DFCCIL team was headed

by Shri Adesh Sharma, Managing Director, DFCCIL. Other Directors of the company and high officials also attended the meetings with World Bank Mission. It may be recalled that the World Bank has agreed in principle to part finance the Eastern Corridor project from Mughalsarai to Ludhiana, which has been divided into 3 phases. The total in principle loan commitment is US\$ 2.725 billion, out of which the loan for the first phase to the tune of US\$ 975 million was sanctioned in May, 2011 and the loan agreement was signed in October, 2011. Loan for phase - II i.e. Kanpur - Mughalsarai section was sanctioned for US \$ 1100 million in April 2014 and the agreement was signed in December, 2014

अनमोल वचन

पानी से भरे बादल और फूल-फलों से लदे वृक्ष नीचे की तरफ झुके रहते हैं।
सज्जन पुरुष भी इन्हीं की भांति धन और ज्ञान की प्राप्ति के बाद बिनम्र बने रहते हैं।
बिनम्रता सज्जन पुरुषों का आभूषण है। समय और समझ दोनों एक साथ खुशकिस्मत लोगों को ही मिलते हैं
क्योंकि अक्सर समय पर समझ नहीं आती और समझ आने पर समय निकल जाता है।
अच्छे लोगों की इज्जत कभी कम नहीं होती, सोने के सौ टुकड़े करो, फिर भी कीमत कम नहीं होती।
भूल होना 'प्रकृति' है, मान लेना 'संस्कृति' है, सुधार लेना 'प्रगति' है, ये रास्ते ले ही जाएंगे
मंजिल तक, तू हौसला रख, कभी सुना है कि अंधेरे ने सुबह ना होने दी हो।
