1	2.5.2 – Eligible work	(Page 14 of 49)	We want clarity of minimum Consultancy cost for eligible assignments whether GST are included with or not.	The awarded Cost of the aforesaid detailed design Consultancy Works shall not be less than INR 02 crores, in each case.	Kindly confirm	05.06.2025	As the EOI Document provision states Only the amount mentioned the concerned LOA of the work against which work experience is claimed, would be considered.
2	2. Note no. 2 regarding sub-para 2.5 above	(Page 16 of 49)	We understand that the contracts between main contractor and employer is little difficult to be arranged and Authority should acknowledge that it is very difficult for any consultants to obtain documentary evidence from Director of the main contractor (such as L&T, ITD, AFOCONS etc.) for their contracts awarded from employer.	Execution of eligible work for a Main contractor to the Employer for a design & build contract shall also be considered. However, in such a case, in addition to the satisfactory completion certificate issued by the main Contractor, Consultant seeking empanelment has to <b>submit documentary evidence signed by Director of the main Contractor that main contractor was engaged by the employer for execution of construction activities for the same work</b> and work is completed successfully, without which such works shall not be considered.	We request the authority to kindly consider for eligible works: <ul style="list-style-type: none"> <li>- The LOA/LOI/PO issued by the main contractor as a back-up document along with work completion certificate.</li> <li>- The information available in public domain via employer procurement portal etc. to establish the fact that same work was awarded by Employer to Main Contractor.</li> </ul>		No Change is envisaged in the referred EOI Document provision
3	2. Note no. 2 regarding sub-para 2.5 above	(Page 16 of 49)	We request the authority to kindly consider such assignments wherein the design work has been completed for the main contractor. Since there is a strong possibility in large infrastructure works with long execution duration, that design work is completed by DDC agency, however the construction of the project may be ongoing.	Execution of eligible work for a Main contractor to the Employer for a design & build contract shall also be considered. However, in such a case, in addition to the satisfactory completion certificate issued by the main Contractor, Consultant seeking empanelment has to submit documentary evidence signed by Director of the main Contractor that main contractor was engaged by the employer for execution of construction activities for the same work <b>and work is completed successfully</b> , without which such works shall not be considered.	We request you to kindly consider the following amended clause "Execution of eligible work for a Main contractor to the Employer for a design & build contract shall also be considered. However, in such a case, in addition to the satisfactory completion certificate issued by the main Contractor, Consultant seeking empanelment has to submit documentary evidence signed by Director of the main Contractor that main contractor was engaged by the employer for execution of construction activities for the same work <b>and work is completed successfully</b> , without which such works shall not be considered		No Change is envisaged in the referred EOI Document provision
4	2.1.1	(Page 3 of 49)	We request to clarify if utilizing the credentials of holding/parent entity, in such conditions any limitation applying to bidding entity shall also extend to the parent/holding organization as well.	In addition, for the Consultancy entities registered in India [ref-Para 2.1 (above) of EOI Document], the experience of Parent Company's Subsidiary/ Sister company of participating Consultant (Parent Company) or Parent Company, which is also, required to be registered in India, participates in JV with the Participating Consultant (Subsidiary/ Sister Company), as the case may be."	Kindly Confirm.		If a parent company seeks empanelment as JV, in terms of the referred EOI Document provision, with its subsidiary / sister company, all the Obligations arising out of the EOI Document or arising out of the Contracts subsequently participated in by the said JV and awarded by the IR shall be applicable to the Parent company
5	2.1.2.i)	(Page 3 of 49)	We request to clarify if 'Constituents' means only the partners forming the JV/Consortium?	The JV may be incorporated or unincorporated. Consultant shall submit duly notarized JV agreement, executed on Non-Judicial Stamp Paper, showing, specifically, the composition of N and Percentage (not to be less than 25% in case of Partner) participation of each <b>Constituent member</b> . The submission of properly executed and a valid N agreement, executed and notarized in India, shall be a Pre-condition for the Consultants submitting EOI applications as JV. Any EOI Application, with participating Consultant being a JV, submitted without a JV agreement shall be rejected.	Kindly confirm and define the Constituent Word.		By the term " Constituent Member", the referred EOI Document provision means constituent members forming the JV
6	5.0 Submission of EOI Application		We request you to kindly extend the bid submission by two weeks from the current due date.	5.1 In compliance with the EOI Documents, as contained in above cited EOI Notifications, the Consultant shall, submit, the colour scan copy [ (PDF) digital copy, while retaining the original Hard copy, for the Client's scrutiny, as & when demanded by the Client] of their, duly serially numbered, cross referenced, Indexed (RefPara 4.3) & signed on each Page (Ref-Para-4.4) EOI Application, only through Email to the designated (Refsub Para 3.2.2 ofEOI notification) E Mail ID "empconsultantir@dfcc.co.in". 34	2.4 Key Expert  Note 5	25	<p>We understand that the team proposed at the empanelment stage is not intended for deployment on specific assignments but is submitted to demonstrate the technical competence and organizational capability of the Consultant. This understanding aligns with the general nature of the empanelment, which is not tied to any immediate or project-specific engagement.</p> <p>The requirement for prior approval for any change in Key Personnel—even in the absence of a specific project—imposes an operational challenge, as personnel movements can occur due to reasons beyond the Consultant's control, including superannuation, medical emergencies, or voluntary resignation. Requiring prior approval in such cases, especially when no assignment has been awarded, could result in avoidable administrative delays and may impede the normal functioning of our organization.</p>	<p>Post empanelment, any Change/replacement [with a suitable Professional having equivalent or better qualification and experience, as compared to the Professional being replaced] of "Key Personnel on the Permanent Payroll of the Consultant" shall be subject to prior approval of the Indian Railways</p>	To be deleted.
