136	Annexure 1 (Evaluation Criteria) Minimum Eligibility Criteria - Financial Standing	Page no. 7 of 21	The practice of putting Net-Worth criteria for the evaluation of financial soundness is contemplated as per the "Manual for Procurement of Consultancy and Other Services-2017" issued through the Department of Expenditure under Ministry of Finance and it is submitted these service providers/consultants which are owned/controlled/supported/assisted by their government itself, might not show the Net-Worth because of being Non-Stock Corporations/Organizations but they are very well financially sound because they are Government Owned/Controlled organization. The Manual provides about the Financial Soundness but not specifically for "net worth" which is being used by the Procuring Governmental Organization in the RFR for shortlisting/evaluation of potential bidders for rendering such services who are much experienced/qualified/capable and financially sound as well, such as KMR. 1. Alternative for Evaluating Financial Soundness For Government Organizations / Agencies which are non-stock corporations, the exemption from Net Worth criteria may be granted and to evaluate their financial soundness by following alternative may be adopted. 2. Alternative - Refer to the Organization Rating and Outlook issued by internationally recognized credit rating agencies. 3. Remarks on the Alternative Criteria - There are various renowned and internationally recognized credit rating agencies which evaluate governments & companies and issue the credit rating based on their financial soundness. These include: • S&P Global • Moody's • Fitch The evaluation criterion would be refer to the ratings issued by the above specified international agencies and consider only those cases wherein the capacity to pay has been given "Strong" and above.	Consultant's Firm shall furnish data regarding "net worth", calculated as the difference of total assets and total liability for the below mentioned last five years, in the Form 2, given in the Appendix, given as under. The percentage of net worth values for the last five FYs shall be assessed which is required to be positive. The FY, during which Consultant registered negative net worth, shall not exceed two.	We request you to Add or modify this clause as Requirements of this clause shall not be applicable for the bidder (participating as a single entity or as a member of JV/Consortium which is a financially sound non-stock corporation. Financial soundness shall be evaluated through an internationally recognized credit rating agency (Moody's, S&P, Fitch, etc.) in which an 'A' grade report or equivalent and above shall be acceptable." Please confirm.	24.03.2022	Please refer serial no-24 of Addendum no-1 dated 28-03-2022.
