

## Terms and Conditions for Logo Design Contest

### 1. About DFCCIL:

DFC is a SPV set up under the MoR to decongest heavily congested routes of INDIAN RAILWAY in to Eastern and Western Corridors. Total sanctioned Cost of the Project is Rs 81,459 Crores. These corridors will segregate freight and passenger services and would enable IR to pay focussed attention on both freight and passenger services.

DFC envisages to run timetabled freight trains and transport freight from Maharashtra/Gujarat ports and private freight terminals to Delhi NCR in less than 24 hrs. DFC will significantly reduce environmental pollution by shifting sizeable traffic from road to fuel efficient railway.

### 2. Mission of DFCCIL is:

a. To build a corridor with appropriate technology that enables Indian railways to regain its market share of freight transport by creating additional capacity and guaranteeing efficient, reliable, safe and cheaper options for mobility its customers.

b. To set up Multimodal logistic parks along the DFC to provide complete transport solution to customers.

c. To support the government's initiatives toward ecological sustainability by encouraging users to adopt railways as the most environment friendly mode for their transport requirements.
