15. The average of all semesters is 59.60%, can I apply?

No, the minimum marks in the requisite educational qualification, for being eligible for all posts is 60% and not less than 60%. Rounding off percentage will not be acceptable under any circumstances for considering eligibility e.g. 59.99% will be treated less than 60%. For calculation of percentage, marks considered by the Concerned University/Institute for the purpose of issuance of Degree/Diploma will be taken into account.

16. Where the University does not give percentage and only gives CGPA/OGPA/CPI/ DGPA, how to fill in the percentage of marks in the Online Application Form?

The CGPA/OGPA/CPI/DGPA should be converted into percentage as per conversion formula applied by the Institute/University for awarding Class/Division.

A number of queries from candidates have been received that CGPA formula provided by their Institute is not as per tabs provided in Application Form and difficulty is being experienced in filling of form. In such cases, there is no other option then to fill up the multiplying factor in such a manner that percentage arrived is same as acquired by the candidate as per University formula. Two such illustrations are given below:

Illustration 1: CGPA obtained in 8.77 out of 10.

University formula to convert the CGPA to Percentage is $(CGPA - 0.75) * 10$ Percentage arrived at per University Formula = $(8.77 - 0.75) * 10 = 80.20\%$ So, in this case, values to be filled in Application Form will be:

CGPA Obtained: 8.77, Total CGPA : 10, Multiplying Factor: $80.20/8.77 = 9.145$ to arrive at 80.20%.

Illustration 2: CGPA obtained in 8.77 out of 10.

University formula to convert the CGPA to Percentage is $(CGPA * 10) - 3.75$. Percentage arrived at per University Formula = $(8.77 * 10) - 3.75 = 83.95\%$ So, in this case, values to be filled in Application Form will be:
CGPA Obtained: 8.77, Total CGPA : 10, Multiplying Factor: $83.95/8.77=9.572$ to arrive at 83.95%.

17. Are final year students eligible to apply?

No, the applicant should possess the Essential Qualification as on the closing date for Online Registration i.e. 16.02.2025 (appearing candidates / candidates awaiting final results of prescribed Educational Qualifications on the closing date of Online Registration are NOT eligible to apply).

No. The Upper Age Limit is 30 Years as on 01.07.2025 for General (UR) & EWS category candidates. The same will be applicable for reserved categories, after availing age relaxation as applicable.

19. Is 60% marks mandatory in prescribed Qualification in case of Ex-servicemen?

For Ex-servicemen candidates, the Qualification Equivalency as per Govt of India's Instructions shall be applicable. The criteria for duration of course and percentage of marks shall not be insisted upon in case of Ex-servicemen, provided they possess a requisite Equivalent Qualification as prescribed in the Advertisement which has been acquired through Indian Army/Navy/Air Force. The Ex-serviceman candidate shall however have to produce an Equivalency Certificate stating that their Qualification/Trade has been equated with the prescribed Qualification/Trade in this Advertisement failing which their candidature will not be considered at the time of Document Verification.

In case, prescribed qualification has been acquired through any recognized Educational Institute/University (and not through Indian Army/Navy/Air Force), then duration of course and percentage of marks as prescribed (i.e. 60% minimum) as required to be possessed by other candidates will also be applicable for Ex- servicemen.
