- (ix) Ten years Defense Deposits.
- (x) National Defense Bonds and
- (xi) Unit Trust Certificates at 5% below market value or at the face value whichever is less.

Also, FDR in favor of FA&CAO (free from any encumbrance) may be accepted.

(c) The Performance Guarantee shall be submitted by the successful bidder after the Letter of Acceptance (LOA) has been issued, but before signing of the contract agreement. This P.G. shall be initially valid up to the stipulated date of completion plus 60 days beyond that. In case, the time for completion of work gets extended, the Contractor shall get the validity of P.G. extended to cover such extended time for completion of work plus 60 days.

(d) The value of PG to be submitted by the Contractor is based on original contract value and shall not change due to subsequent variation(s) in the original contract value.

(e) The Performance Guarantee (PG) shall be released after physical completion of the work based on the 'Completion Certificate' issued by the competent authority stating that the Contractor has completed the work in all respects satisfactorily.

(f) Whenever the contract is rescinded, the Performance Guarantee already submitted for the contract shall be encashed.

(g) The Engineer shall not make a claim under the Performance Guarantee except for amounts to which the President of India/DFCCIL is entitled under the contract (not withstanding and/or without prejudice to any other provisions in the contract agreement) in the event of:

- (i) Failure by the Contractor to extend the validity of the Performance Guarantee as described above, in which event the Dfccil representative may claim the full amount of the Performance Guarantee.
- (ii) Failure by the Contractor to pay President of India/DFCCIL any amount due, either as agreed by the Contractor or determined under any of the Clauses/Conditions of the Agreement, within 30 days of the service of notice to this effect by Dfccil representative.
- (iii) The Contract being determined or rescinded under clause 62 of these conditions.

17. Force Majeure Clause:-If at any time, during the continuance of this contract ,the Performance in whole or in part by either party of any obligation under this contract shall be prevented or delayed by reason of any war, hostility ,acts of public enemy ,civil commotion, sabotage, serious loss or damage by fire, explosions, epidemics, strikes, lockouts or act of God (herein after ,referred to events) provided, notice of the happening of any such event is given by either party to the other within 30 days from the date of occurrence thereof, neither party shall by reason of such event, been titled to terminate this contract nor shall either party have any claim for damages against the other in respect of such non-performance of delay in performance, and works under the contract shall be resumed as soon as practicable after such event has come to an end or ceased to exist, and the decision of the Dfccil representative as to whether the works have been so resumed or not shall be final and conclusive, provided further that if the performance in whole or in part of any obligation under this contract is prevented or delayed by reason of any such event for a period exceeding 120 days, either party may at its option terminate the contract by giving notice to the other party.

17. A Extension of Time in Contracts (ACS no. 01 dt. 14.07.2022): Subject to any requirement in the contract as to completion of any portion or portions of the works before completion of the whole, the Contractor shall fully and finally complete the whole of the works comprised in the contract (with such modifications as may be directed under conditions of this contract) by the date entered in the contract or extended date in terms of the following clauses:

17. A (i) Extension due to Modification: If any modifications have been ordered which in the opinion of the Dfccil representative have materially increased the magnitude of the work, then such extension of the contracted date of completion may be granted as shall appear to the Dfccil representative to be reasonable in the circumstances, provided moreover that the Contractor shall be responsible for requesting such extension of the date as may be considered necessary as soon as the cause thereof shall arise.

17 A (ii) Extension for Delay not due to Railway/DFCCIL or Contractor: If in the opinion of the Dfccil representative, the progress of work has any time been delayed by any act or neglect of Railway's/DFCCIL employees or by other Contractor employed by the Railway/DFCCIL under Sub-Clause (4) of Clause 20 of these Conditions or in executing the work not forming part of the contract but on which Contractor's performance necessarily depends or by reason of proceeding taken or threatened by or dispute with adjoining or to neighboring owners or public authority arising otherwise through the Contractor's own default etc. or by the delay authorized by the Dfccil representative pending arbitration or in consequences of the Contractor not having received in due time necessary instructions from the Railway/DFCCIL for which he shall have specially applied in writing to the Dfccil representative or his authorized representative then upon happening of any such event causing delay, the Contractor shall immediately give notice thereof in writing to the Dfccil representative within 15 days of such happening, but shall nevertheless make constantly his best endeavors to bring down or make good the delay and shall do all that may be reasonably required of him to the satisfaction of the Dfccil representative to proceed with the works. The Contractor may also indicate the period for which the work is likely to be delayed and shall be bound to ask for necessary extension of time.

17 A (iii) Extension for Delay due to Railways/DFCCIL: In the event of any failure or delay by the Railway/DFCCIL to hand over the Contractor possession of the lands necessary for the execution of the works or to give the necessary notice to commence the works or to provide the necessary drawings or instructions or any other delay caused by the Railway/DFCCIL due to any other cause whatsoever, then such failure or delay shall in no way affect or vitiate the contract or alter the character thereof or entitle the Contractor to damages or compensation

therefor, but in any such case, the Railway/DFCCIL may grant such extension or extensions of the completion date as may be considered reasonable.

The Contractor shall indicate the period for which the work is likely to be delayed and shall seek extension of time as may be considered necessary under clause 17A(i) or/ and 17A(ii) or/ and 17A (iii) above, as soon as the cause there of shall arise and, in any case, not less than 15 days before the expiry of the date fixed for completion of the works. The Dfccil representative shall consider the same and shall grant and communicate such extension of time as in his opinion is reasonable having regard to the nature and period of delay and the type and quantum of work affected thereby. No other compensation shall be payable for works so carried forward to the extended period of time; the same rates, terms and conditions of contract being applicable, as if such extended period of time was originally provided in the original contract itself.

The non-submission of request for extension or submission of request within less than 15 days before the expiry of the date fixed for completion of the works, shall make him ineligible for extension under these sub clauses, subject to final decision of Dfccil representative.

17 B Extension of Time with Liquidated Damages (LD) for delay due to Contractor: The time for the execution of the work or part of the works specified in the contract documents shall be deemed to be the essence of the contract and the works must be completed not later than the date(s) as specified in the contract. If the Contractor fails to complete the works within the time as specified in the contract for the reasons other than the reasons specified in Clause 17 and 17A, the Railway/DFCCIL may, if satisfied that the works can be completed by the Contractor within reasonable short time thereafter, allow the Contractor for further extension of time (Proforma at Form no. 14) as the Dfccil representative may decide. On such extension the Railway/DFCCIL will be entitled without prejudice to any other right and remedy available on that behalf, to recover from the Contractor as agreed damages and not by way of penalty for each week or part of the week, a sum calculated at the *rate of liquidated Damages as decided by Dfccil representative, between 0.005% to 0.30% of contract value of the works for each week or part of the work.*

For the purpose of this Clause, the contract value of the works shall be taken as value of work as per contract agreement including any supplementary work order/contract agreement issued. Provided also, that the total amount of liquidated damages under this condition shall not exceed 5% of the contract value or of the total value of the item or groups of items of work for which a separate distinct completion period is specified in the contract.

Provided further, that if the Railway/DFCCIL is not satisfied that the works can be completed by the Contractor and in the event of failure on the part of the contractor to complete the work within further extension of time allowed as aforesaid, the Railway/DFCCIL shall be entitled without prejudice to any other right or remedy available in that behalf, to appropriate the contractor's Security Deposit and rescind the contract under Clause 62 of these Conditions, whether or not actual damage is caused by such default.

NOTE:

In a contract, where extension(s) of time have been allowed once under clause 17B, further request(s) for extension of time under clause 17A can also be considered under exceptional circumstances. Such extension(s) of time under clause 17A shall be without any Liquidated damages, but the Liquidated damages already recovered during extension(s) of time ranted previously under clause 17B shall not be waived. However, Price variation during such extension(s) shall be dealt with as applicable for extension(s) of time under clause 17B.

18.(1)Illegal Gratification:- Any bribe, commission, gift or advantage given, promised or offered by or on behalf of the Contractor or his partner or agent or servant or any one on his behalf, to any officer or employee of the Railway/DFCCIL or to any person on his behalf in relation to obtaining or execution of this or any other contract with the Railway /DFCCIL shall, in addition to any criminal liability which he may incur, subject Contractor to the rescission of the contract and all other contracts with the Railway/DFCCIL and to the payment of any loss or damage resulting from such decision and the Railway/DFCCIL shall be entitled to deduct the amounts so payable from the Contractor's bills/Security Deposit or any other dues of Contractor with the Government of India/ DFCCIL.

18.(2) The contractor shall not lend or borrow from or have or enter into any monetary dealings and transactions either directly or indirectly with any employee of the DFCCIL and if he shall do so, the DFCCIL shall be entitled for the with to rescind the contract and all other contracts with the DFCCIL .Any question or dispute as to the commission or any such offence or compensation payable to the DFCCIL under this clause shall be settled by the Chief General Manager/ Prayagraj(W) of the DFCCIL ,in such a manner as he shall consider fit and sufficient and his decision shall be final and conclusive. In the event of rescission of the contract under this clause, the contractor will not be paid any compensation whatsoever except payments for the work done up to the date of rescission.

EXECUTION OF WORKS

19.(1)Contractor's understanding:- It is understood and agreed that the contractor has, by careful examination, satisfied himself as to the nature and location of the work, the conformation of the ground, the character, quality and quantity of the materials to be used, the character of equipment and facilities needed preliminary to and during the progress of the works ,the general and local conditions, the labor conditions prevailing the rein and all other matters which can in any way affect the works under the contract.

The contractor shall provide all facilities like labor and instruments and shall cooperate with the Dfccil representatives to check all alignment, grades, levels and dimensions. If, at any time, during the progress of the works any error shall appear or arise in any part of the work, the contractor, on being required so to do by the Dfccil representatives shall, at his own cost rectify such errors, to the satisfaction of the Dfccil representative's. Such checking shall not absolve the contractor of his own responsibility of maintaining accuracy in the work. The contractor shall carefully protect and preserve all benchmarks, sight rails, pegs and other things used in setting out the work.

20.(1) Compliance to Dfccil representative's instructions: - The Dfccil representative shall direct the order in which the several parts of the works shall be executed, and the contractor shall execute without delay all orders given by the Dfccil representative from time to time, but the contractor shall not be relieved thereby from responsibility for the due performance of the works in all respects.

20.(2) Alterations to be authorized: -No alterations in or additions to or omissions or abandonment of any part of the works shall be deemed authorized, except under instructions from the Dfccil representative, and the contractor shall be responsible to obtain such instructions in each case in writing from the Dfccil representative.

20.(3) Extra works: - Should works over and above those included in the contract require to be executed at the site, the contractor shall have no right to been trusted with the execution of such works which may be carried out by another contract or contractors or by other means at the option of the DFCCIL.

20.(4) Separate contracts in connection with works:- The DFCCIL shall have the right to let other contracts in connection with the works. The contractor shall afford other contractors' reasonable opportunity for the storage of their materials and the execution of their works and shall properly connect and coordinate his work with theirs. If any part of the contractor's work depends for proper execution or result upon the work of another contractor(s), the contractor shall inspect and promptly report to the Dfccil representative any defects in such works that render it unsuitable for such proper execution and results. The contractor's failure so- to inspect and report shall constitute an acceptance of the other contractor's work as fit and proper for the reception of his work, except as to defects which may develop in the other contractor's work after the execution of his work.

21. Instruction of Dfccil Representative: - Any instructions or approval given by the Dfccil representatives to contractor in connection with the works shall bind the contractor as though it had been given by the Dfccil representative provided always as follows.

A. Failure of the Engineer's representative to disapprove any work or material shall not prejudice, the power of the Dfccil representative thereafter to disapprove such work or material and to order the removal or breaking up thereof.

B.. If the Contractor shall be dissatisfied by reason of any decision of the Dfccil representative's, he shall be entitled to refer the matter to the Dfccil representative who shall there upon confirm or vary such decision.

22.(1) Adherence to specifications and drawings: - The site and the detailed drawings shall be made available to the contractor commensurate with the accepted program of work submitted under clause 19(3). 39.(1) Rates for Extra Item(s) of Works (ACS no. 01 dt. 14.07.2022):

(a) Standard Schedule of Rates (SSOR) Items: Any item of work carried out by the Contractor on the instructions of the Dfccil representative which is not included in the accepted rates/schedule but figures in the Standard Schedule of Rates (SSOR), shall be executed at the rates set forth in the "Standard Schedule of Rates (SSOR)" modified by the tender percentage as accepted in the contract for that chapter of Standard Schedule of Rates (SSOR).

For item(s) not covered in this sub clause, the rate shall be decided as agreed upon between the Dfccil representative and the Contractor before the execution of such items of work as per sub clause (b).

(b) Other Items: For any item of work to be carried out by the Contractor but not included in the accepted rates/schedule and also not covered under sub clause (a) above, the Contractor shall be bound to notify the Dfccil representative at least seven days before the necessity arises for the execution of such items of works that the accepted rates/schedule does not include rate or rates for such extra work involved. The rates payable for such items shall be decided at the meeting to be held between the Dfccil representative and Contractor, in as short a period as possible after the need for the special item has come to the notice. In case the Contractor fails to attend the meeting after being notified to do so or in the event of no settlement being arrived at, the Railway shall be entitled to execute the extra works by other means and the Contractor shall have no claim for loss or damage that may result from such procedure.

The assessment of rates for extra item(s) shall be arrived at based on the prevailing market rates of labour, machinery & materials and by taking guidance from the following documents in order of priority:

- i. Analysis of Rates for "Unified Standard Schedule of Rates of Indian Railways (USSOR)"
- ii. Analysis of Rates for "Delhi Schedule of Rates issued by CPWD (DSR)"
- iii. Market Analysis

39.(2) Provided that if the Contractor commences work or incurs any expenditure in regard thereto before the rates as determined and agreed upon as lastly here unto fore mentioned, then and in such a case, the Contractor shall only be entitled to be paid in respect of the work carried out or expenditure incurred by him prior to the date of determination of rates as aforesaid, according to the rates as shall be fixed by the Dfccil representative. However, if the Contractor is not satisfied with the decision of the Dfccil representative in this respect, he may appeal to the Chief Dfccil representative/Chief General Manager within 30 days of receiving the Dfccil representative's decision, supported by an analysis of the rates claimed. The decision of the Chief Dfccil representative/Chief General Manager after hearing both parties in the matter would be final and binding on the Contractor and the DFCCIL

40.(1) Deleted.

40.(2) Clearance of site on completion:- On completion of works, the Contractor shall clear away and remove from the site all constructional plant, surplus materials, rubbish, and temporary works of every kind and leave the whole of the site and works clean and in a workman like condition to the satisfaction of the Dfccil representative. No final payment in settlement of the accounts for the works shall be paid, held to be due, or shall be made to the Contractor til, In addition to any other conditions necessary for final payment, site clearance shall have been affected by him, and such clearance may be made by the Dfccil representative at the expense of the Contractor in the event of his failure to comply with this provision within 7 days after receiving notice to that effect. Should it become necessary for the Dfccil representative to have the site cleared at the expenses of the Contractor, the DFCCIL shall not be held liable for any loss or damage to such of the Contractor's property as may be on the site and due to such removal there from which removal may be effected by means of public sales of such materials and property or in such a way as deemed fit and convenient to the Dfccil representative.

VARIATIONS IN EXTENT OF CONTRACT

41.Modification to contract to be in writing:- In the event of any of the provisions of the contract requiring to be modified after the contract documents have been signed, the modifications shall be made in writing and signed by the DFCCIL and the Contractor and no work shall proceed under such modifications until this has been done. Any verbal or written arrangement abandoning, modifying, extending, reducing or supplementing the contractor any of the terms there of shall be deemed conditional and shall not be binding on the DFCCIL unless and until the same is incorporated in a formal instrument and signed by the DFCCIL and the Contractor, and till then the DFCCIL shall have the right to repudiate such arrangements.

42.(1) Powers of modification to contract:- DFCCIL shall be entitled by order in writing to enlarge or extend, diminish or reduce the works or make any alterations in their design, character position, site, quantities, dimensions or in the method of their execution or in the combination and use of materials for the execution thereof or to order any additional work to be done or any works not to be done and the contractor will not be entitled, to any compensation for any increase/reduction in the quantities of work but will be paid only for the actual amount of work done and for approved materials supplied against a specific order.

42.(2)(i) Unless otherwise specified in the contract, the accepted variation in quantity of each individual item of the contract would be up to 25% of the quantity originally contracted, except in case of foundation work.(in which no variation limit shall apply). However, the rates for the increased quantities shall be as per sub- para (iii) below.

(ii) The contractor shall be bound to carry out the work at the agreed rates and shall not be entitled to any claim or any compensation what so ever up to the limit of 25% variation in quantity of individual item of works.

iii. In case an increase in quantity of an individual item by more than 25% of the agreement quantity is considered unavoidable, then same shall be executed at following rates.

- a. Quantities operated in excess of 125% but up to 140% of the agreement quantity of the concerned item, shall be paid at 98% of the rate awarded for that item in that particular tender;
- b. Quantities operated in excess of 140% but up to 150% of the agreement quantity of the concerned item shall be paid at 96% of the rate awarded for that item in that particular tender;

- c. Variation in quantities of individual items beyond 150% will be avoided and would be permitted only in exceptional unavoidable circumstances and shall be paid at 96% of the rate awarded for that item in that particular tender.
- d. Variation to quantities of Minor Value Item:
The limit for varying quantities for minor value items shall be 100% (as against 25% prescribed for other items). A minor value item for this purpose is defined as an item whose original agreement value is less than 1% of the total original agreement value.
- d.(i) Quantities operated up to and including 100% of the agreement quantity of the concerned minor value item, shall be paid at the rate awarded for that item in that particular tender;
- d.(ii) Quantities operated in excess of 100% but up to 200% of the agreement quantity of the concerned minor value item, shall be paid at 98% of the rate awarded for that item in that particular tender;
- d.(iii) Variation in quantities of individual minor value item beyond 200% will be avoided and would be permitted only in exceptional unavoidable circumstances and shall be paid at 96% of the rate awarded for that item in that particular tender.
- iv. In case of earth work, the variation limit of 25% shall apply to the gross quantity of earth work items and variation in the quantities of individual classifications of soil shall not be subject to this limit.
In case of foundation work, no variation limit shall apply and the work shall be carried out by the Contractor or on agreed rates irrespective of any variation.
- v. As far as Standard Schedule of Rates (SSOR) items are concerned, the variation limit of 25% would apply to the value of SSOR schedule as a whole and not on individual SSOR items. However, in case of Non Standard Schedule of Rates (SSOR) items, the limit of 25% would apply on the individual items irrespective of the manner of quoting the rate (single percentage rate or individual item rate).

42.(3) Valuation of variations:- The enlargements, extensions, diminution, reduction, alterations or additions referred to in sub-clause (2) of this clause shall in no degree affect the validity of the contract, but shall be performed by the Contractor as provided therein and be subject to the same conditions, stipulations, and obligations as if they had been originally and expressly included and provided for in the specifications and drawings, and the amounts to be paid therefor shall be calculated in accordance with the accepted schedule of rates. Any extra items/quantities of work falling outside the purview of the provisions of sub-clause (2) above shall be paid for at the rates determined under clause 39 of these conditions

CLAIMS

43. **(1) Monthly Statement of Claims:-** The Contractor shall prepare and furnish to the DFCCIL representative once in every month an account giving full and detailed particulars of all claims for any additional expenses to which the Contractor may consider himself entitled to and of all extra or additional works ordered by the DFCCIL representative which he has executed during the preceding month, quarter, and no claim for payment for and such work will be considered which has not been included in such particulars

43.(2) Signing of "No Claim" Certificate:- The Contractor shall not be entitled to make any claim against the DFCCIL under or by virtue of, or arising out of this contract. Furthermore, the DFCCIL shall not entertain or consider any such claim if made by the Contractor after he has signed a 'No Claim' Certificate in favor of the DFCCIL, in the form required by the DFCCIL following the final measurement of the works. The Contractor shall be prohibited from disputing the correctness of

the items covered by the 'No Claim' Certificate or demanding arbitration clearance in respect thereof.

MEASUREMENTS, CERTIFICATES AND PAYMENTS

44. Quantities in schedule annexed to Contract:- The quantities set out in the accepted schedule of rates, with items of works quantified, are the estimated quantities of the works. They shall not be taken as the actual and correct quantities of the work to be executed by the Contractor in fulfillment of his obligations under the contract.

45.(i) Measurement of works by Railways/DFCCIL:- The Contractor shall be paid for the works at the rates in the accepted schedule of rates and for extra works at rates determined under Clause 39 of these conditions on the measurements taken by the Engineer or the Dfccil representative's in accordance with the rules prescribed for the purpose by the DFCCIL. The quantities for items the unit of which in the accepted schedule of rates shall be calculated to the nearest whole number, any fraction below half being dropped and half and above being taken as one; for items the unit of which in the accepted schedule of rates is single, the quantities shall be calculated to two places of decimals. Such measurements will be taken of the work in progress from time to time and at such intervals as in the opinion of the Dfccil representative shall be proper having regard to the progress of works. The date and time on which 'on account' or final measurements are to be made shall be communicated to the Contractor who shall be present at the site and shall sign the results of the measurements (which shall also be signed by the Engineer or the Dfccil representative's representative) recorded in the official measurements book as an acknowledgement of his acceptance of the accuracy of the measures. Failing the Contractor's attendance, the work may be measured up in his absence and such measurements shall, notwithstanding such absence, be binding upon the Contractor whether or not he shall have signed the measurement books provided always that any objection made by him to measurement shall be duly investigated and considered in the manner set out below:

(a). It shall be open to the Contractor to take specific objection to any recorded measurements or classification on any ground within seven days of the date of such measurements. Any re-measurement taken by the Engineer or the Dfccil representative's representative, in the presence of the Contractor or in his absence after due notice has been given to him in consequence of objection made by the Contractor, shall be final and binding on the Contractor, and no claim whatsoever shall thereafter be entertained regarding the accuracy and classification of the measurements.

(b). If an objection raised by the Contractor is found by the Dfccil representative to be incorrect, the Contractor shall be liable to pay the actual expenses incurred in measurements.

45.(ii) Measurement of works by Contractor's Authorized Representative (If so allowed or instructed):-

(a). The Contractor shall be paid for the works at the rates specified in the accepted schedule of rates. Extra works shall be compensated based on rates determined under Clause 39 of these conditions, following measurements taken by the Contractor's Authorized Dfccil representative in accordance with prescribed rules by the DFCCIL. Quantities for items with a unit of 100 or 1000 in the accepted schedule of rates shall be rounded to the nearest whole number; fractions below half shall be dropped, and half and above shall be taken as one. For items with a single unit in the accepted schedule of rates, quantities shall be calculated to two decimal places. These measurements will be taken periodically during the work in progress. The Engineer will communicate the date and time for 'on account' or "final" The measurements are to be made shall

be communicated to the Dfccil representative. The date and time of test checks shall be communicated to the contractor. The contractor shall be present at the site and witness the test checks. If the contractor is unable to attend, the test check may be conducted in his absence, and such tests or checks shall not, notwithstanding such absence, be binding upon the contractor. Provided always that any objection made by the contractor to a test or check shall be duly investigated and considered in the manner set out below::

- i. It shall be open to the Contractor to take specific objection to test checks of any recorded measurement within 7 days of the date of such test checks. Any re- test check done by the concerned Railway's authority in the presence of the Contractor or in his absence after due notice given to him in consequence of objections made by the Contractor shall be final and binding on the Contractor, and no claim whatsoever shall thereafter be entertained regarding the accuracy and classification of the measurements
- ii. If an objection raised by the Contractor is found by the Dfccil representative to be incorrect, the Contractor shall be liable to pay the actual expenses incurred in measurements
 - b. **Incorrect Measurement, actions to be taken:** If in case during test check or otherwise, it is detected by Dfccil representative that agency has claimed any exaggerated measurement or has claimed any false measurement for the works which have not been executed; amounting to variation of 5% or more of claimed gross bill amount, action shall be taken as following:
 - i. On the first occasion of noticing an exaggerated or false measurement, the Dfccil representative shall impose a penalty of 10% of the claimed gross bill value..
 - ii. On any the next occasion of noticing any exaggerated/false measurement, DFCCIL shall impose a penalty of 15% of claimed gross bill value. In addition, the facility of recording of measurements by contractors as well as release of provisional payment shall be withdrawn. Once withdrawn, measurement shall be done by DFCCIL as per Clause 45(i) above.

46.(1) "On-Account" Payments:- The Contractor shall be entitled to be paid from time to time by way of "One-Account" payment only for such works as in the opinion of the Dfccil representative he has executed. In terms of the contract, all payments due on the Dfccil representative's/Dfccil representative's certificates of measurements or Dfccil representative's certified 'Contractor's authorized Engineer measurements' shall be subject to any deductions which may be made under these presents. Payments shall further be subject to a retention of 6% (Six) By way of security deposits, until the amount of security deposit by way of such retentions shall amount to 5% of the total value of the contract, provided always that the Dfccil representative may, by any certificate, make any correction or modification in any previous certificate which shall have been issued by him, and that the Dfccil representative may withhold any certificate if the works or any part thereof are not being carried out to his satisfaction.

46.(2) Rounding off amounts:- The total amount due on each certificate shall be rounded off to the nearest rupee i.e. sum less than 50 paise shall be omitted and sums of 50 paise and more up to Re.1/- will be reckoned as Re.1/-

46.(3) On Account Payments not prejudicial to final settlement:- "On- Account" payments made to the Contractor shall be without prejudice to the final making up of the accounts (except where measurements are specifically noted in the Measurement Book as "Final Measurements" and as such have been signed by the Contractor) and shall in no respect be considered or used as evidence of any facts stated in or to be inferred from such accounts nor of any particular quantity of work having been executed nor of the manner of its execution being satisfactory.

46.(4) If payment(s) of Advances are applicable in the contract, as mentioned in the Tender

Documents, Railway/DFCCIL shall make payment(s) of Interest bearing advances, on the request of contractor. The payment and recovery of such Advances shall be made as under:

46.4(a) DELETED

46.(5) Manner of Payment: Unless otherwise specified payments to the Contractor will be transferred electronically to his bank account.
