Instructions to Tenderers

Instructions to Tenderers

3.1 General

3.1.1 Dedicated Freight Corridor Corporation of India Ltd. (DFCC), a Govt. of India Enterprise, invites Sealed Tenders under single packet system for the execution of work “Retro fitment of existing 2x36W, 600x600mm CFL fittings with 40W LED linear lights at DFCC Corporate Office, Pragati Maidan, New Delhi” from Indian Companies/Firms experienced in the relevant field of work in the format and as per details given in the Tender document. The work is to be executed with complete quality control as per the Technical Specifications indicated in the Tender document.

3.1.2 The Tender document can be obtained from the following address during the period mentioned above on payment of Tender document fee of Rs.2,000/- in the form of Bank Draft/Demand Draft/Pay Order issued by any Nationalized/ Scheduled Bank, drawn in favour of Dedicated Freight Corridor Corporation of India Ltd., payable at New Delhi. The Tender document can also be down loaded from the website www.dfccil.org. In case the Tender document is downloaded from the website, the Tender document fee of Rs. 2,000/-in the form mentioned above must be submitted along with the offer.

Dedicated Freight Corridor Corporation of India Limited
5thfloor, PragatiMaidan Metro Station Building Complex,
PragatiMaidan,
New Delhi 110 001.

3.1.3 The tender offer without Tender document fee of Rs.2,000/-, in case the document is downloaded from the web site and without earnest money as indicated will be summarily rejected.

3.1.4 The tenderer must submit a covering letter in the format given in **Section 2**.

3.1.5 The tenderer must submit original Power of Attorney of authorized signatory signing the Tender document or the Xerox copy of Power of Attorney duly attested by Notary Public. In case, Xerox copy is submitted, original power of attorney shall be presented for scrutiny as and when required by the DFCC.

3.1.6 The work is proposed to be executed under the following relationship.

a) Client/Employer: DFCC with its address as given in the Notice Inviting Tender.

b) Contractor: The successful tenderer to whom the work is awarded shall become the contractor for the execution of this work.

3.1.7. Throughout these Tender documents, the terms “Tender document and tender” and their derivatives (“Tender”/ “tenderer”), “Tender document/Tender”, “Tender documents/Tendering”, etc. are synonymous. Day means calendar day. Singular also means plural.

3.1.8 Scope of work:

The scope of work includes retro-fitting of existing 2x36W, 600x600 mm CFL fittings with 40W, linear LED lights including design, supply, installation, testing & commissioning of the fittings at DFCCIL Corporate office at PragatiMaidan. The scope also covers removal of existing fittings & their re-fitting after retro-fitting.

Contractors at their cost shall arrange all necessary tools & tackles. All materials required for completion of works have to be supplied by Contractor himself. DFCCIL shall not supply any material. **The details of the location where fittings have to be retro-fitted shall be decided by DFCCIL. The performance of the retrofitted fittings in general shall conform to RDSO specification No. RDSO/PE/SPEC/PS/0123(Rev'O')-2009 with latest amendments as applicable to the retrofitted fitting.**

3.1.9 Estimated cost of work:

Estimated cost of the complete work is **Rs. 10,000,00/- (Rupees Ten Lac Only)**.

3.1.10 Tenderers may carefully note that they are liable to be disqualified at anytime during tendering process in case any of the information furnished by them is not found to be true. In addition, the Earnest Money Deposit of such tenderer shall be forfeited. The decision of Employer in this respect shall be final and binding.

3.2 Cost of Tender documenting:

The Tender shall bear all costs associated with the preparation and submission of the Tender document and the Employer will in no case be responsible or liable for these costs regardless of the outcome of the Tender documenting process.

3.3 Contents of the Tender document:

3.3.1 The Tender documenting documents include the following:

- Section 1 : Notice Inviting Tender
- Section 2: Format for submission of Tender Offer
- Section 3 : Instructions to Tenderers
- Section 4 : Appendix to tender
- Section 5 : Special Conditions of Contract
- Section 6 : General Condition of Contract
- Section 7 : Technical specifications
- Section 8 : Drawings
- Section 9 : Bill of quantity
- Section 10: Deviation statement

3.3.2 The Tender is expected to examine all instructions, terms & conditions, forms, technical specifications and other information in the Tender documents. Failure to furnish all information required by the Tender documents or submission of a Tender document not substantially responsive to the Tender documents in every respect may be rejected.

3.4 Addendum/Corrigendum to the Tender Document:

DFCC may issue addendum(s)/Corrigendum(s) to the Tender document. Such addendum (s)/corrigendum(s) (if any) shall also be submitted, duly stamped and signed, along with the submission of the tenders.

3.5 Understanding Tenderer's Obligations and Liability:

3.5.1 The Tenderer must obtain for itself on its own responsibility and its own cost all the information including risks, contingencies & other circumstances in execution of the work. It shall also carefully read and understand all its obligations & liabilities given in the Tender document.

3.5.2 The Tender is advised to visit and examine the site where the work is to be executed and its surroundings or other areas as deemed fit by the Tenderer and obtain for itself on its own responsibility all information that may be necessary for preparing the Tender document and execution of the contract. The cost of visiting the site and collecting relevant data shall be at the Tender's own expenses. It is a condition of the tender that the tenderer is deemed to have visited the site and satisfied himself with all the conditions prevailing including any difficulties for executing the work.

3.5.3 At any time prior to the deadline for submission of tender, Employer may for any reason, whether at its own initiative or in response to any request by any prospective Tender, amend the Tender documents by issuing Corrigendum, which shall be part of the Tender documents. The amendment shall be advised to all the prospective Tender

3.6 Extension of Deadline for Submission of Tender document:

Employer may at its discretion extend the deadline for submission of the Tender documents at any time before the time of submission of the Tender documents. Any such change in date of submission shall be notified accordingly.

3.7 Preparation of the Tender documents

3.7.1 Language of Tender:

The tender prepared by the tenderer and all documents related to the tender shall be written in English.

3.7.2 Signing of All Tender document papers and Completing Schedule of Rate & Quantities:

3.7.2.1 All the pages of the tender documents, drawings and Schedule of Rate & Quantities submitted by tenderer shall be signed and stamped by the tenderer or his representative holding the Power of Attorney (Enclose original/attested notarized copy of the Power of Attorney).

3.7.2.2 While filling up the rates in the Schedule of Rate & Quantities, tenderer shall ensure that there is no discrepancy in the rates mentioned in figures and words. In case of any discrepancy, the unit rate mentioned in the words shall be taken as final and binding.

3.7.2.3 The tenderer must fill and submit the prices as per instructions given in Schedule of Rate & Quantities. He shall not make any addition or alteration in the tender documents. The requisite details should be filled in by the tenderer wherever required in the documents. Incomplete tender or tender not submitted as per instructions is liable to be rejected. If a tenderer does not quote a price/rate for any BOQ item, his tender shall be summarily rejected.

3.8 **Deviations**

3.8.1 Tenderers are advised not to make any corrections, additions or alterations in the original tender documents. If tenderer makes any correction in his own entries the same shall be initialed and stamped by him. If this condition is not complied with, tender is liable to be rejected.

3.8.2 The tenderer should clearly read & understand all the terms & conditions, specifications, drawings etc mentioned in the original tender documents. If the tenderer has any observations, on the tender conditions & he intends to stipulate some deviations to the tender conditions, the same may be stated in the format of deviation statement contained in the tender document along with cost of withdrawal of each condition. The above cost of withdrawal of the conditions shall be added to the cost of the tenderer to determine lowest tenderer. Tender containing deviations without giving cost of the same may be considered as non-responsive tender & is liable to be rejected. Clauses not so commented upon shall be deemed to have the acceptance of the tenderer and shall therefore, be binding on him.

3.9 **Transfer of tender documents.**

Transfer of tender document from a tenderer to whom it has been issued by DFCC to another tenderer is not permissible. Tenderer can submit tender only on the tender document issued by DFCC to him or the tender document downloaded from the website.

3.10 **Earnest Money**

3.10.1 The Tenderer must deposit **Earnest Money of Rs.20,000/- (Rs. Twenty Thousand only)** in the form of Bank Draft/Demand Draft/Pay Orders issued by any Nationalized /Scheduled Bank drawn in favour of “**Dedicated Freight Corridor Corporation of India Ltd.**” payable at **New Delhi** along with the Tender document. A Tender offer unaccompanied with the Earnest Money of prescribed amount and in the prescribed form shall be summarily rejected.

3.10.2 **Forfeiture of Earnest Money:**

The Earnest Money of the tenderer shall be forfeited if:-

- (i) The tenderer withdraws his bid during the period of bid validity;
- (ii) The tenderer doesnot accept the correction of his bid price;
- (iii) If the successful bidder fails within the specified time limit to furnish the required performance security or sign the agreement;
- (iv) any of the information furnished by the tenderer is not found to be true;
- (v) Commence the work within the time period stipulated in the tender.

The Earnest money of the unsuccessful bidders shall be discharged/returned without interest as promptly as possible. The earnest money of the successful tenderer shall be converted to Retention money when he has signed the agreement and furnished the required performance security.

3.11 Period of validity of the tender:

3.11.1 The tender shall remain valid for the period of **90 days** after the date of the opening of the tender. If the Tenderer gives validity period less than that fixed/prescribed by Employer, the tender shall be liable to be rejected.

3.11.2 Notwithstanding the above clause, Employer may solicit the tenderer's consent to an extension of the validity period of the tender. The request and the response shall be made in writing.

3.12 Sealing and Making of Tender:

3.12.1 The tender documents shall be submitted in two sealed envelopes.

3.12.2 **Envelope-1**, super scribing "**Retro-fitment of existing fittings at DFCC Corporate Office – Earnest Money & Tender document Fee**" should contain Bank Draft /Demand Draft / Pay Order of Rs.20,000/- for **Earnest Money** and Bank Draft/Demand Draft/Pay Order for Rs. 2,000/- as Tender document fee, if document is downloaded from website.

3.12.3 **Envelope-2**, super scribing Name of Work as "Tender for "**Retro-fitment of existing fittings at DFCC Corporate Office**" and should contain complete Tender document with all the documents mentioned in the Instructions to Tenderers.

3.12.4 All the two sealed envelopes viz. Envelope-1& Envelope-2 shall then be sealed in bigger envelope super scribing following information:

- **Name of Work:** Retro-fitment of existing 2x36W, 600x600 mm CFL fittings with 40W, linear LED lights at DFCC Corporate Office, Pragati Maidan, New Delhi.
- **Last Date of Submission:** (Last Date of Submission to be mentioned)
- **Submitted to:** -
GGM /Admin, DFCCIL,5thFloor, Pragati Maidan Metro Station Building Complex,New Delhi - 110 001.
- **Submitted by:** (Tenderer's Name, Address/Telephone No. & Email Address to be given)

3.13 Address for the Submission of Tender Document:

The completed Tender document in the prescribed form must be delivered to the address given below either by hand or by registered post/courier at specified date and time.

Group General Manager/ Admin,

Dedicated Freight Corridor Corporation of India Ltd.

5th Floor, Meeting Room,PragatiMaidan Metro Station Building Complex,New Delhi – 110 001.

3.14 Submission of tender:

Submission of a tender by a tenderer implies that he had read all the tender documents including amendments if any, visited the site and has made himself aware of the scope and specifications of the work to be done, local conditions and other factors having any bearing on the execution of the work.

3.14.1 Last Date of Submission of Tender Offer/Opening of Tender Offers:

The completed Tender document must be dropped in the tender Box kept for the purpose at the address mentioned above and not later than the date & time mentioned in the “**Notice Inviting Tender**”. Any delay in the submission of Tender document due to postal delay or any other reason will be the responsibility of the tenderer.

The Tender documents will be opened at 15.30 hrs on same day in the presence of representatives of the companies/firms, who choose to be present.

3.14.1. DFCC reserves the right to postpone the date of tender submission/opening.

3.14.2 Acceptance/Rejection of Tender:

3.14.2.1 DFCC reserves the right to accept/reject any or all tenders without assigning any reasons thereof. DFCC’s assessment of suitability as per eligibility criteria shall be final and binding.

3.14.2.2 Tenderers may note that they are liable to be disqualified at any time during tendering process in case any of the information furnished by them is not found to be true. Earnest Money Deposit of such tenderer shall be forfeited. The decision of DFCC in this regard shall be final and binding.

3.14.2.3 The validity of the offer shall be **90 days** from the date of opening of the tender.

3.14.2.4 The transfer of tender documents issued to a tenderer to another tenderer is not admissible.

3.14.3 Deadline for submission:

3.14.3.1 The tender duly filled must be received by Employer at the address specified not later than the date & time mentioned in the “**Notice Inviting Tender**”.

3.14.3.2 A tender received later than the deadline prescribed for submission of tender by Employer is liable to be rejected.

3.14.3.3 Tenders brought to the office of Employer later than the deadline prescribed but before the opening time mentioned in the Tender document shall be declared as delayed tenders and may be considered by Employer and decided on its merits. The decision of the Employer shall be final and binding.

3.14.3.4 Any tender received after opening of the tender shall be rejected and returned unopened to the tenderer.

3.15 Withdrawal of tender:

No tender can be withdrawn after submission and during tender validity period.

Tender document Opening and Evaluation

3.16 Opening of the tender:

3.16.1 Tenders will be opened on the date & time, at the address mentioned in “Notice Inviting Tender” in presence of tenderers or authorized representatives of tenderers who wish to attend the opening of tenders. At the time of opening of tender document, both the envelopes will be opened.

3.16.2 Tenderers or their authorized representatives who are present shall sign register in evidence of their attendance.

3.16.3 Tenderer’s name, presence or absence of requisite Earnest Money or any other details as Employer may consider appropriate will be announced and recorded at the time of technical Tender document opening.

3.16.4 The Tender document will be evaluated as per the given eligibility criteria.

3.17 Clarification of the tenders:

3.17.1 To assist the examination, evaluation and comparison of the tenders, Employer may at his discretion ask the tenderers for any clarifications as considered essential. All such correspondence shall be in writing and no change in price or substance of the tender shall be sought or permitted. The above clarification for submission of the details shall form part of the tender and shall be binding on tenderer.

3.18 Preliminary examination of Tender documents.

3.18.1 The Employer shall examine the Tender documents to determine whether they are complete, whether any computational errors have been made, whether the documents have been properly signed and whether the Tender documents are generally in order.

3.18.2 Arithmetical errors shall be rectified on the following basis. If there is a discrepancy between the unit price and the total price, which is obtained by multiplying the unit price and quantity, or between subtotals and the total price, the unit or subtotal price shall prevail, and the total price shall be corrected. If there is a discrepancy between words and figures, the rate in words shall prevail.

3.18.3 Prior to the detailed evaluation, Employer shall determine whether each Tender document is of acceptable quality, is generally complete and is substantially responsive to the Tender documents. For purpose of this determination, a substantially responsive Tender document is one that conforms to all the terms, conditions and specifications of the Tender documents without material deviations, objections, conditionality or reservation. A material deviation, objection, conditionality or reservation is one:

i) That affects in any substantial way the scope, quality or performance of the contract.

- ii) That limits in any substantial way, inconsistent with the Tender documents, the Employer's rights or the successful Tender's obligations under the contracts; or
- iii) Whose rectification would unfairly affect the competitive position of other Tender s who are presenting substantially responsive Tender documents.

3.18.4 If a Tender document is not substantially responsive, it shall be rejected by the Employer.

3.18.5 In case of tenders containing any conditions or deviations or reservations about contents of tender document, Employer may ask for withdrawal of such conditions/deviations/reservations. If the tenderer does not withdraw such conditions/deviations/reservations, the tender shall be treated as non responsive. Employer's decision regarding responsiveness or non-responsiveness of a tender shall be final and binding.

3.19 Evaluation and comparison of tender

3.19.1 The Employer/Engineer reserves the right to negotiate the offer submitted by the tenderer to withdraw certain conditions or to bring down the rates to a reasonable level. The tenderer must note that during negotiations of rates of items of BOQ can only be reduced and not increased by the tenderer. In case the tenderer introduces any new condition or increases rates of any item of BOQ, his negotiated offer liable to be rejected and the original offer shall remain valid and binding on him.

3.20 Canvassing

3.20.1 No tenderer is permitted to canvass to Employer on any matter relating to this tender. Any tenderer found doing so may be disqualified and his Tender document may be rejected.

3.21 Right to accept/split or reject any or all tenders:

The complete tender will be dealt in single package, however, Employer/Engineer reserves the right to accept, split, divide, negotiate, cancel or reject any tender or to annul and reject all tenders at any time prior to the award of the contract without incurring any liability to the affected tenderers or any obligation to inform affected tenderer, the grounds of such action.

3.22 Award of contract

3.22.1 Employer/Engineer shall notify the successful tenderer in writing through Letter of Acceptance (LOA) by a Registered Letter/Courier/Speed Post or per bearer that his tender has been accepted.

3.22.2 The Contractor shall sign the Office copy of the LOA in token of his acceptance and then it shall constitute a legal and binding contract between Employer/Engineer and the contractor till such time the contract agreement is signed.

3.23 **Ineligibility to participate in re-tenders/future cases**

Notwithstanding anything contained in the Qualification clauses ITT, if a bidder withdraws from an offer after having been declared a preferred bidder or after Notification of award or does not sign the contract agreement pursuant to the Letter of Acceptance or does not submit an acceptable Performance Security which results in tender being annulled then such bidder shall be treated as ineligible for participation in re-tendering of this particular work & also for any other work for a period of 6 months. A repeat incident of similar type within a year of 2(two) years will render the bidder ineligible for participation in all future tenders for a further period of 2 (two) years.

3.24 **Declaration of non-performance or ban status.**

Tenderers are not eligible to participate in the tender process under the following conditions:

- a) They have been declared a non-performer by Central Government/State Government or a CPSU during the preceding 2 years.
- b) They are currently debarred from contract work by Central or State Government of CPSU.
- c) Accordingly, tenderer's are required to sign an affidavit as per the enclosed proforma in **Annexure-VI**, declaring their status of non-performance or debarment.

3.25 **Details of disputed status of ban/non-performance**

Tenderer's will clearly state the status of dispute in the cases of ban/non-performance pending in court against them as on the date of opening of tender. Merely, pending appeal with the Departments concerned & Courts will not merit change of status. Grant of stay order by a Competent Court will be taken into account while considering the status of ban/non-performance.

3.26 **Tenderer to be fully responsible for consequences of misrepresentation.**

- a. Any suppression of information & misrepresentation will render the tenderer ineligible for the tender along with the forfeiture of Earnest Money. The Tenderer will also be liable for disqualification for future tenders of DFCCIL for a period of 2 years.
- b. If any suppression of information & misrepresentation is found after the award of Contract, the Contract will also be terminated with forfeiture of EMD, PG & SD (if any). The Contractor will also be disqualified for future tenders of DFCCIL for a period of 2 years.

3.27 **LIST OF DOCUMENTS TO BE ATTACHED WITH THE TENDER**

1. Earnest Money of requisite amount in the prescribed form.
2. Tender document Fee of requisite amount in the prescribed form, if Tender document is downloaded from the website.
3. Original power of attorney of the person signing the tender documents or photocopy duly attested by Notary Public (**in Annexure-I**)
4. The Covering Letter as per format given in the Section 2.
5. Complete tender documents including form of bid, drawing etc duly stamped & signed by the tenderer on each page.

6. BOQ with rates dully filled in, stamped & signed on each page by the tenderer.
7. Corrigendum(s), if any, duly stamped & signed by the tenderer on each page.
8. Qualification information/checklist of documents as per format in **Annexure-II**

SECTION 4

APPENDIX TO TENDER

APPENDIX TO TENDER

Sno	Description	Reference Clause
1	Name of work: Retro-fitment of existing 2x36 watt, 600x600mm CFL fittings with 40W LED linear lights at DFCCIL Corporate Office, PragatiMaidan, New Delhi	1.0 of Notice Inviting Tender
2	Client: DFCCIL 5 th floor, PragatiMaidan Metro station Complex, New Delhi-110001	3.1.6 of Instruction to Tenderers
3	Employer: DFCCIL 5 th floor, PragatiMaidan Metro station Complex, New Delhi-110001	3.1.6 of Instructions to Tenderer
4	Scope of work	5.7 of Special Conditions of Contract
5	Approximate estimated cost of work Rs. 10 Lacs	1.0 of Notice Inviting tender
6	Amount of Earnest Money Deposit Rs. 20,000/-	1.0 of Notice Inviting tender
7	Period of validity of tender: 90 days	3.11 of Instructions to Tenderer
8	Period of Completion: 90 days	1.0 of Notice Inviting tender
9	Defect Liability Period: 01 years unless otherwise mentioned in the technical specifications of various equipment, from the date of completion of all the works of the contract in all respect	5.6 of Special Conditions of Contract

SECTION-5

SPECIAL CONDITIONS OF CONTRACT

SPECIAL CONDITIONS OF CONTRACT

5.1 ELIGIBILITY CRITERIA

The Tenderer should be an **Original Equipment Manufacturer (OEM)**. The OEM should have in-house facility s.a surface mounting device (SMD) assembly line comprising of stencil printer, pick-n-place machine, reflow oven operational in a dust free environment with ESD protection & temperature controlled automatic wave soldering machine with auto-fluxing device.

5.2 SAFETY & INDUSTRIAL / LABOUR LAWS

- 5.2.1 The successful tenderer shall comply with the provision of all laws including Labor laws, rules, regulations and notifications issued there under from time to time. All safety and labor laws enforced by statutory agencies and by DFCCIL shall be applicable in the performance of this Contract and the Contractor by these laws.
- 5.2.2 The Successful tenderer shall ensure regular and effective supervision / control of the personnel deployed by him and gives suitable direction for undertaking the contractual obligations.
- 5.2.3 The Successful tenderer shall take all necessary measures to protect the personnel, work and facilities and shall observe all reasonable safety rules and instructions.

5.3 STANDARD and SPECIFICATIONS

- 5.3.1 All equipment and components supplied under the Contract shall have proven reliability and shall be designed, manufactured and installed to meet the requirements specified in RDSO Specification No. RDSO/PE/SPEC/PS/0092-2008(Rev'O'), Amdt-4 or latest.
- 5.3.2 Whenever, a reference to any IS or BS specification or any standard or any regulation appears in these Tender Papers, the same shall be taken as a reference to the latest version of the said reference.
- 5.3.3 In case of any conflict between various specifications or statutory regulations, the most stringent conditions will prevail.

5.4 EVALUTION & ACCEPTANCE OF OFFERS

Final selection will be made on the basis of lowest cost in the Bill of Quantities from amongst the technically suitable tenders from tenderers meeting the qualifying criteria. For the purpose of relative commercial ranking of offers, all inclusive price for entire scope of the project and offered prices as well as any others costs seen to be arising as a part of offer due to taxes or duties based on the offer.

5.5 SCHEME OF WORK

- 5.5.1 Time is the essence of the contract. The work has to be executed in a time bound manner within the stipulated time period of 90 days from the date of issuance of Letter

of Acceptance, as per the contract on a war footing as per approved construction program. Within 5 days of the issue of the letter of acceptance, successful tenderer shall submit a detailed time schedule for carrying out each activity including the submission of design calculations, layout plan various schematic drawings, plan for execution of work, etc. Successful tenderer should also submit the detailed scheme for carrying out the works including installation, commissioning and testing activities without affecting the services run by DFCCIL.

- 5.5.2 The planning shall be finalized with **Manager/Electrical or his superior** and got approved in writing before start of the work. The successful tenderer shall be responsible for the execution of the work in full compliance with approved designs and drawings without any disturbance or interruption to the services run by DFCCIL.
- 5.5.3 The completion period is binding and essential and consequently, no delay is allowed without the written approval of DFCCIL. Any request concerning delay will be void unless accepted by DFCCIL through a modification to the CONTRACT.

5.6 DEFECT LIABILITY PERIOD

- 5.6.1 The Contractor shall maintain, rectify & make good at his own cost any defect/deficiencies, which may develop in the work or as notified by the Engineer during **Defect Liability Period of 01 years** unless otherwise mentioned in the technical specifications of various equipment, from the date of completion of all the works of the contract in all respect. However, maintenance during Defect Liability Period shall not include day-to-day upkeep, cleaning, custody & security of the work. Any defect arising due to defective construction/material/workmanship in any structure(s) during the period(s) specified above & due to causes enumerated above, the Contractor shall rectify the same at no extra cost. In case of failure of the Contractor to do so within a fortnight from the date of notice given by the client/Employer, the same shall be got rectified at the risk & cost of the Contractor.

5.7 SCOPE OF WORK

- 5.7.1 The scope of work includes retro-fitment of existing 2x36W CFL fittings with 40 linear LED lights, complete designing including thermal management, testing of the fitting & commissioning etc.
- 5.7.2 The scope of work also includes removal of existing fittings & their re-fitment after retro-fitment & cleaning etc.
- 5.7.3 Testing of the fittings shall be done as per relevant clauses of RDSO specification No. RDSO/PE/SPEC/PS/0123 (Rev'O')-2009 with latest amendments. Testing protocol & applicability of tests shall be decided by DFCCIL & shall be binding on the Tenderer.
- 5.7.4 The scope of work also covers measurement of lux levels jointly with DFCCIL. The lux level of retrofitted fitting shall not be less than the present fitting.
- 5.7.5 Retrofitted fittings shall have green tag to indicate their status.
- 5.7.6 The make of the LED shall strictly be as per RDSO specification.
- 5.7.7 The contractor shall maintain a proper record of the fittings removed & provided at DFCCIL. Spares of the existing fittings s.a CFL & ballast shall be returned back to DFCCIL

5.8 ORDER OF PRIORITY OF CONTRACT DOCUMENT

Where there is any conflict between the various documents in the Contract, the following order of priority shall be followed i.e. a document appearing earlier shall override the document appearing subsequently:

- i) Agreement
- ii) Letter of Acceptance of Tender
- iii) Notice Inviting Tender
- iv) Instructions to the Tenderer
- v) Format for submission of offer
- vi) Special Conditions of Contract
- vii) General Conditions of Contract
- viii) Technical Specifications
- ix) Drawings
- x) Bill of Quantities

5.9 COMPLETENESS OF WORK

- i. The tenderer should be a total solution provider and shall cover the total scope of the Contract. The tenderer shall ensure availability of all technical expertise, manpower resources, availability of spare parts, logistics support etc. and all the expenses incurred for the same will be borne by the Tenderer.
- ii. Completeness of the EQUIPMENT/SERVICES shall also be the responsibility of the tenderer. Any equipment, fittings and accessories which may not be specifically mentioned in the specifications or drawings, but which are usual or necessary for the satisfactory functioning of the equipment (successful operation and functioning of the EQUIPMENT being tenderer's responsibility) shall be provided by tenderer without any extra cost
- iii. Tenderer must identify a senior level Manager for entire project execution, management and regular liaison / discussions with DFCCIL.

5.10 INSPECTION AND FINAL ACCEPTANCE

- I . The item of supplies included in the scope of the Contractor shall be inspected by DFCCIL/DFCCIL's authorized representative before they are cleared for dispatch to the site. In case DFCCIL intends to waive the inspection the firm shall submit the work test certificates for the supply items from the laboratories of manufacturers or independent test houses & obtain approval of the Engineer incharge before their dispatch .

II .

When the successful tenderer completes the work, he should arrange with the DFCCIL for inspection and testing of the material, equipment. Test results shall be recorded and installation accepted, only after DFCCIL is satisfied about its compliance with the requirements of the technical specifications. The scope of inspection and testing shall include any statutory inspection by the Government Inspector as well as inspection and calibration requirements of license or licensee's engineers.

- III. The successful tenderer shall furnish requisite copies in English language of Technical documents, final drawings, preservation instructions, operation and maintenance manuals, test certificates, spare parts catalogues for all equipments to DFCCIL.

5.11 TOOLS AND SPARES

The successful tenderer shall make his own arrangements for necessary tools and equipment not only during the period of commissioning and testing stage but also during transportation & handling of various materials/ equipment covered under this contract.

The tenderer shall ensure availability of necessary spares for during the period of Warranty/ Maintenance period.

5.12 MODIFICATION

The Engineer on behalf of the DFCCIL shall be entitled by order in writing to enlarge or diminish or reduce the work or make any alteration in their design, character position, site, quantities, dimensions or in the method of their execution or in the combination and use of material for the execution thereof or order any additional works to be done or any work not be done and the successful tenderer will not be entitled to any compensation for any increase /reduction in the quantities of works but will be paid for the actual amount of work done and for approved materials supplied against a specific order.

5.13 EMERGENCY WORKS

In the event of any accident or failure occurring in or about the work or arising out of or in connection with the construction, completion or maintenance of the work which in the opinion of the Engineer require immediate attention the DFCCIL may be its own workmen or other agency execute or partly execute the necessary work or carryout repairs if the Engineer considers that the successful tenderer is not in a position to do so in time and charge the cost thereof, as to be determined by the DFCCIL, to the successful tenderer.

5.14 NIGHT WORK

If the Engineer is satisfied that the work is not likely to be completed in time except by resorting to night work, he may order the successful tenderer to carry out the works even at night without conferring any right on the successful tenderer for claiming any extra payment for the same.

No claim for idle labour and or idle machinery etc., on any account will be entertained. Similarly no claim shall be entertained for business or any loss.

5.15 PRICES

Prices shall be written both in words and figures. In case of any discrepancy the rates in words will prevail. Prices indicated by the tenderer in the tender shall be firm and fixed.

No cost escalation will be allowed on any account during the entire period of Contract, i.e. period of execution and commissioning, warranty/maintenance period.

The prices shall include all taxes, duties and levies, freight & insurance etc. Exemption, if any, from MNRE or any other agency will be directly availed by DFCCIL.

5.16 TRAINING

Successful tenderer shall arrange 1 day training for around 6 DFCCIL staff /Officers in 3 batches.

5.17 PAYMENT TERMS

No advance payment shall be made. 'On Account' payment may be arranged as under:

- a) 70% payment on receipt of materials at site on submitting the invoices, test reports & other relevant documents..
- b) 30% payment after successful erection, testing & commissioning of the complete system & certification by DFCCIL engineer

5.17.1 The following documents shall be furnished along with the claim for payment:

- a) Certificate of receipt of equipment/material in good conditions as per the terms & conditions of the contract.
- b) Pre-Inspection certificate by DFCCIL or submission of equipment test report as mentioned in the technical specifications.

5.17.2 Income Tax will be deducted from source as per the provision of I.T. Act 1961 i.e.@ 4% or at the rate applicable from time to time with applicable surcharges.

5.20 Retention Money

The Earnest Money of the successful bidder shall be retained by DFCCIL as part of security and adjusted against Retention Money for the faithful fulfillment of the contract by the contractor. In addition, a retention amount equal to 10% of each bill shall be retained till the total security available is 5% of the contract value. The Retention money, unless forfeited in whole or in part according to the terms & conditions, shall be returned to the contractor after 60 days of the completion of the contract. No interest is paid on Retention money.

5.21 Test Certificates:

The Contractor shall submit the test certificates of material as per sampling procedure mentioned in the relevant standard. The testing shall be carried out at authorized labs or institutions. DFCCIL reserves the right to get above tests from any Govt. approved labs or institutions, as & when required at Contractor's cost.

5.22 Record of material:

- i) The Contractor shall on demand produce to the Engineer original receipts/vouchers/invoices in respect of the supplies. The Contractor shall ensure the materials brought to site are in sealed containers/packing bearing manufacturing marking.
- ii) The above obligations are without prejudice to the other obligations of the Contractor.

GENERAL CONDITIONS OF CONTRACT

6.1 DEFINITIONS

In the Contract, as herein after defined, the following word expressions shall have the meanings hereby assigned to them, except where the context requires otherwise.

- a) **"Client or Principal Employer or Owner"** means the Department, Organization, individual, firm, company, J.V. or Consortium who awarded the work to Dedicated Freight Corridor Corporation of India Limited for execution of the project of which the works is a part, and shall include its heirs, executors, legal representatives etc.
- b) **"Employer"** means the Dedicated Freight Corridor Corporation of India Limited, A Govt. of India Enterprise (DFCC in abbreviation) acting through its Managing Director or any other authorised officer and shall include their legal successors in title and permitted assignees.
- c) **"Engineer or Engineer in Charge"** means the Project Head of DFCC (Employer) or any other officer authorised by the Employer to act on his behalf and for the purpose of operating the contract.
- d) **"Engineer's Representative"** means any official nominated from time to time by the Engineer to act on his behalf.
- e) **"Contractor"** means the individual, firm, Company, Corporation, Joint Venture, or Consortium whether incorporated or not, who enters into the Contract with the Employer/Engineer, and shall include its heirs, executors, administrators, successors, legal representatives, as the case may be.
- f) **"Contractor's Representative"** shall mean the person responsible for execution of the contract who shall be so declared by the Contractor and who shall be authorised under a duly executed power of attorney to comply the instructions and to use, receive materials issued by the Engineer to the Contractor for works. He shall be capable of taking responsibility for proper execution of works.
- g) **"Sub-Contractor"** means the individual, firm, Company, Corporation, Joint Venture or Consortium, having direct Contract with the Contractor and to whom any part of the work has been sublet by the Contractor and shall include his heirs, his executors, administrators, successors, legal representatives, as the case may be.
- h) **"Other Contractors"** means the individual, firm, Company, Corporation, Joint Venture or Consortium employed by or having a Contract directly or indirectly with the Client/Employer/Engineer other than the Contractor.

- i) **"Tenderer" or "Tender"** means the individual, firm, Company, Corporation, Joint Venture or Consortium submitting a Tender document/tender.
- j) **"Scheduled Bank"** means a bank included in the second schedule to the Reserve Bank of India Act, 1934, or modification thereto.
- k) **"Contract"** shall mean and include the Agreement or Letter of Acceptance, the accepted Schedule of Rate & Quantities and Rates, the General Conditions of Contract, Special Conditions of Contract, Appendix to Tender, Form of Tender document, Instructions to the Tenderers, Drawings, Specifications and other Tender Documents.
- l) **"Tender or Tender document"** means the offer (Technical and/or Financial) made by individual, firm, Company, corporation, Joint Venture or Consortium for the execution of the works.
- m) **"Specifications"** means the specifications referred to in the Contract and any modification thereof or addition thereto, or as may from time to time be furnished or approved in writing by the Engineer.
- n) **"Drawings"** means the Drawings annexed to the Contract or referred in it and shall include any modifications of such Drawings and further Drawings as may be issued or approved by the Engineer.
- o) **"Schedule of Rate & Quantities (BOQ)"** means list of items of work, their quantities and rates.
- p) **"Original Contract Value"** means the sum stated in the letter of Acceptance/Contract Agreement.
- q) **"Contract Value"** means the original contract value subject to the adjustments in accordance with the provisions of the Contract.
- r) **"Temporary Works"** means all enabling works of every kind required for the execution of the works.
- s) **"Permanent Work(s)/ Work(s)"** means the works (other than temporary works) to be executed in accordance with the Contract or part/s thereof as the case may be and shall include extra or additional, altered or substituted items of work as required for performance of the Contract.

- t) **"Construction Plant"** means all machinery, appliances or things of whatsoever nature required for the execution, completion and maintenance of the works, but does not include material or other things intended to form or forming part of the permanent works.
- u) **"Site"** means the land and/or other places on, under, in or through which the works are to be carried out, and any other lands or places provided by the Client/Employer/Engineer for the purpose of the Contract.
- v) **"Material/s"** means all equipment, components, fittings and other materials including raw materials, which form part of the permanent works.
- w) **"Test"** means such tests as prescribed in the Contract or by the Engineer or Engineer's Representatives, whether performed by the Contractor or by the Engineer or his Representative, or any agency approved by the Engineer.
- x) **"Approval or Approved"** means approval in writing including subsequent written confirmation of previous verbal approval.
- y) **"Defect Liability Period"** means the specified period of defects liability from the date of completion of the work as certified by the Engineer.
- z) **"Letter of Acceptance"** means the letter from the Employer or the Engineer to the Contractor, conveying acceptance of the Tender.
- aa) **"Month"** means the Gregorian calendar month.
- ab) **"Day"** means the calendar day.
- ac) **"Time"** expressed by hours of the clock shall be according to the Indian Standard time.
- ad) **"Tender Date"** means closing date fixed for receipt of tenders as per notice inviting tender or extended by subsequent notification.
- ae) **"Rupees"** (or Rs. in abbreviation) shall mean Rupees in Indian currency.

6.2 **Heading and Marginal Notes**

- 6.2.1 The top heading and marginal notes given in the tender or Contract documents are solely for the purpose of facilitating reference and shall not be deemed to be part thereof and shall not be taken into consideration in the interpretation or consideration thereof.

6.2.2 Notices, Consents, Approvals, Certificates and Determination.

Wherever in the Contract provision is made for giving or issue of any notice, consent, approval certificate or determination, it shall be in writing and the words notify, certify or determine shall be construed accordingly.

6.3 Singular, Plural and General

Words importing the singular only also include the plural and vice versa where the context requires. Similarly, words importing masculine gender also include the feminine gender.

6.4 Communication and Language of Contract

6.4.1 Communication to be in writing

All notices, communications, references and complaints by either party to the Contract shall be in writing in English or Hindi. Communication from only authorised representative of the Contractor shall be entertained.

6.4.2 Language of Contract

The Contract document shall be drawn up in English.

6.5 Laws Governing the Contract

The Contract shall be governed by the laws in force in India.

6.6 Inspection of site and site data:

6.6.1 The Employer/Engineer shall make available with Tender Documents such data on hydrological and sub-surface conditions, if any, obtained from investigations undertaken relevant to the works. The tender shall be deemed to have been based on such data, if provided, but the Contractor shall be responsible for his own interpretation of all such data.

6.6.2 The Contractor shall be deemed to have inspected and examined the site and information available in connection therewith and to have satisfied himself fully before submitting his Tender document about the sub-surface conditions, the hydrological and climatic conditions, the extent and nature of work and materials necessary for the completion of the works, the means of access to the site and accommodation he may require. He shall also be deemed to have obtained all necessary information regarding risks, contingencies and all other circumstances which may influence or affect the contract.

6.7 Contractor's Understanding:

The Contractor shall be deemed to have satisfied himself, before tendering, as to the correctness and sufficiency of his tender for the works and of the rates and prices stated

in the Schedule of Rate & Quantities, all of which shall except in so far as it is otherwise provided in the Contract, cover all his obligations under the Contract and all matters and things necessary for the proper execution, completion and maintenance of works.

6.8 **Performance Security.**

The successful bidder shall also have to submit performance security within 15 days of receipt of Letter of Acceptance, amounting to 5% of the contract value in the form Bank Guarantee as per prescribed format from any Nationalized/Indian scheduled commercial bank. The Bank Guarantee for performance security shall remain valid until 60 days after the expiry of defect liability period. The performance security shall be released 21 days after the issue of performance certificate.

6.8.1 No payment under the contract shall be made to the Contractor before receipt of Performance security.

6.8.2 Failure of the successful tenderer to furnish the required performance security shall be a ground for the annulment of the award of the Contract and forfeiture of the Earnest Money Deposit.

6.8.3 Release of Performance Security:

The entire Performance Security shall be liable to be forfeited by the Employer/Engineer at the discretion of the Employer/Engineer, in the event of any breach of contract on the part of the Contractor or if the Contractor fails to perform or observe any of the conditions of the contract. On due and faithful completion of the entire work, the Performance Security shall be returned to the Contractor, subject to the issue of Completion Certificate by the Engineer in accordance with these conditions. This shall not relieve the Contractor from his obligations and liabilities, to make good any failures, defects, imperfections, shrinkages, or faults that may be detected during the defect liability period specified in the Contract.

6.9 **INSURANCE**

6.9.1 Depending on the nature of work, Contractor's All Risk (CAR) shall be obtained by Employer/Engineer at his own cost as per the requirement. Employer/Engineer may take necessary add on covers and voluntary excess specified elsewhere in the contract, which shall be binding on the Contractor. At the time of taking policy, possible time over-run, if any, may be taken into account in deciding the period/validity of the policy. The above insurance shall cover the risks normally covered under the CAR policy. Any item not covered under the above policy shall be the responsibility of the Contractor.

6.9.2 Contractor's claims, if any, shall be entertained within the scope of Insurance policy taken by Employer/Engineer. This will be subject to:-

i) Risk covered and voluntary excess selected by Employer/Engineer.

ii) Claims on realization shall be passed to the Contractor according to value of the claims accepted by the insurance company for his damaged portion of work after deducting 15% towards services rendered by Employer/Engineer for processing the claim(s). The amount so disbursed to the Contractor(s) shall be limited to the amount calculated on the basis of his accepted rates in the contract with the Employer/Engineer.

6.9.3 Before commencing of works, it shall be obligatory for the Contractor to obtain, at his own cost, insurance cover in the joint name of the Contractor and Employer from reputed companies under the following requirements:

- a) Liability for death of or injury to any person or loss of or damage to any property (other than the work) arising out the performance of the Contract.
- b) Construction Plant, Machinery and Equipment brought to site by the Contractor.
- c) Any other insurance cover as may be required by the law of the land.
- d) The Contractor shall provide evidence to the Employer/Engineer before start of work at site that the insurances required under the contract have been effected and shall within 60 days of the commencement date, provide the insurance policies to the Employer/Engineer. The Contractor shall, whenever, called upon, produce to the Engineer or his representative the evidence of payment of premiums paid by him to ensure that the policies indeed continue to be in force.
- e) The Contractor shall also obtain any additional insurance cover as per the requirements of the Contract.
- f) The Employer/Engineer shall not be liable for or in respect of any damages or compensation payable to any workman or other person in the employment of the Contractor or his sub-contractor or petty contractor. The Contractor shall indemnify and keep indemnified the Employer/Engineer against all such damages and compensation for which the Contractor is liable.
- g) The Policies of the Contractor shall remain in force throughout the period of execution of the works and till the expiry of the defect liability period except for any specific insurance covers necessary for shorter period.
- h) If the Contractor fails to effect or keep in force or provide adequate cover as acceptable to the Engineer in the insurance policies mentioned above, then in such cases, the Engineer may effect and keep in force any such insurance or further insurance on behalf of the Contractor. The recovery shall be made at the rate of 1.5 times the premium/premiums paid by the Engineer in this regard from the payment due to the Contractor or from the Contractor's Performance Security. However, the Contractor shall not be absolved from his responsibility and/or liability in this regard.

6.10 **COMMUNICATION BETWEEN EMPLOYER/ENGINEER AND CONTRACTOR:**

6.10.1 **Instructions in writing:**

Instructions given by the Engineer shall be in writing, provided that if for any reason the Engineer considers it necessary to give any instructions orally, the Contractor shall comply with such instructions. Confirmation in writing of such oral instruction given

by the Engineer, whether before or after carrying out of the instructions shall be deemed to be instructions within the meaning of this sub-clause.

The Contractor shall also be bound to carry out any instructions issued by Client as confirmed in writing by the Engineer.

6.10.2 All certificates, notices, written orders or letters, to be given by the Employer or the Engineer to the Contractor, shall be deemed to have been served, if the same are delivered to the Contractor or his authorised representative, or delivered or left at or posted to the given address of the Contractor or Contractor's registered office or principal place of business. Such documents shall be deemed to have been received on the day they are left or delivered, or in the case of postal transmission, on the day they would ordinarily have reached but not exceeding 7 days from the date of posting inclusive of day of posting, in any case.

6.10.3 Notices to Employer and Engineer:

All notices to be given to the Employer or to the Engineer, under the terms of the contract, shall be served by sending by Speed/Registered post or by delivering the same, to the respective nominated addresses.

6.10.4 Change of Address:

Either party may change the nominated address by prior written notice to the other party.

6.10.5 Change in constitution of Firm:

In case of any change in the constitution of Contractor's firm, the same shall forthwith be notified by the Contractor to the Employer.

6.11 GENERAL OBLIGATIONS OF THE CONTRACTOR

6.11.1 General Responsibility of the Contractor:

The Contractor shall comply with the provisions of the Contract with due care and diligence design (to the extent provided for in the Contract), execute, complete and maintain the works and remedy the defects in accordance with the provisions of the Contract. The Contractor shall provide all superintendence, labour, materials, plant, & Equipment and all other things, whether of a temporary or permanent nature, required in and for such design, execution, completion and maintenance of works and rectification of any defects, as directed by the Engineer or his Representative.

6.11.2 Site Operations and Methods of Construction:

The Contractor shall take full responsibility for the adequacy, stability and safety of all site operations and method of construction. Provided that the Contractor shall not be responsible for the design and specifications of Permanent works or for the design or specifications of any temporary works provided by the Engineer. Where the Contract expressly provides that part of the Permanent Works shall be designed by the

Contractor, he shall be fully responsible for that part of such works, notwithstanding any approval by the Engineer.

6.11.3 Appraisal of Errors/Omissions in the Drawings:

The Contractor shall promptly inform in writing to the Engineer of any error, omission, fault and other defects, in the design, drawings or specifications for the works which are noticed while reviewing the Contract documents or in the process of execution of the works.

6.11.4 Compliance with Regulations and Bye-laws:

The Contractor shall comply with the statutory provisions relating to the works, regulations and by-laws of any local authority and undertaking, including those controlling the utilities such as water supply, sewerage, telephones, power supply, etc., in whose jurisdiction the work is to be executed. The Contractor shall be bound to give all notices required by statute, regulations or bye-laws, as aforesaid. It shall be the responsibility of the Contractor to arrange all necessary clearances and approvals from the concerned authorities or undertakings before the work is taken up. However, assistance, if any, may be provided by Employer/Engineer/Client.

6.11.5 Contract Agreement:

The Contractor shall enter into and execute the Contract agreement in the form of agreement (Annexure-I) within 15 days from the date of issue of Letter of Acceptance. The stamp papers of the requisite value as per the prevailing laws shall be provided by the Contractor at his own cost. Original agreement shall be retained by the Employer/Engineer and a certified copy shall be made available to the Contractor.

6.11.6 Contractor's Representative:

When the Contractor is not in a position to be present, he shall keep responsible representative at site or work place during all working hours, who shall, on receiving a reasonable notice, present himself to the Engineer, Engineer's Representative or their Assistants. The instructions and orders given to the Contractor's representative shall be deemed to have the same force as if they have been given to the Contractor. The Contractor should furnish the necessary Power of Attorney in favour of his representative for the purpose of this clause. Failure on part of the Contractor to comply with this provision shall constitute a breach of Contract and may lead to action under clause 50.0.

6.12 COMMENCEMENT OF WORK

The Contractor shall commence the works within the time limit as specified in the Letter of Acceptance.

6.13 ACCESS TO SITE OF WORK

6.13.1 Access to Engineer:

The Engineer or the Engineer's Representative, shall at all times have access to the works and to all workshops and places, where work is being performed and from where materials, manufactured articles or machinery are being obtained for the works, and the Contractor shall afford every facility and every assistance in obtaining the right to such access.

6.14 SETTING OUT

The Contractor shall be responsible for the true and proper setting out of the works using his own survey instruments, appliances and labour. If at any time during the progress of works, any error appears or arises in any part of the work, the Contractor on being required to do so by the Engineer, shall at once rectify such error, to the satisfaction of the Engineer. The Contractor shall also provide all necessary assistance in the form of labour and materials to Engineer or his representatives for checking the set out with his own instruments. The checking of any setting out, or of any line or level by the Engineer's representative shall not in any way relieve the Contractor of his responsibility for the correctness thereof. The Contractor shall carefully protect and preserve all bench marks, reference pillars, pegs, and other things used in setting out the works.

6.15 TEMPORARY WORKS

- i) All temporary works necessary for the proper execution of the works shall be provided and maintained by the Contractor at his own cost. All detailed working drawings, design, design calculations and fabrication drawings for important temporary works as decided by the Engineer, shall be prepared by the Contractor at his own cost and forwarded to the Engineer at least 30 days in advance of actual constructional requirements for his approval. Such approval shall not, however, relieve the Contractor of any of his responsibility in connection with the temporary works.
- ii) When the temporary works are no longer required, the Contractor shall remove the same at his own cost. In the event of failure on the part of the Contractor to remove the temporary works, the Engineer will cause them to be removed and cost incurred for removal, supervision, and other incidental charges shall be recovered from the Contractor.

6.16 SPECIFICATIONS AND DRAWINGS

6.16.1 The Contractor shall keep at site in good condition one copy of latest approved Specifications and Drawings and also such other Contract documents as may be necessary and make them available to the Client/Employer/Engineer or his Representative at all reasonable times. Any specification & drawing shall not be used on any other work or communicated to a third party by the Contractor.

6.16.2 Adherence to Specifications and Drawings:

The work shall be executed in perfect conformity with the specifications and drawings of the Contract issued to the Contractor by the Engineer from time to time. If the Contractor does any work or part of work in a manner contrary to the specifications or drawings without the approval of the Engineer, he shall bear all the costs arising there from including dismantling and reconstruction strictly in accordance with the specifications and drawings and shall be responsible for all the losses/delays to the Employer/Engineer. The term drawings in this sub-clause also includes the drawings prepared by the Contractor and approved by the Engineer.

6.16.3 Meaning & Intent of Specifications and Drawings:

If any ambiguity arises as to the meaning and intent of any portion of the specifications and drawings or as to execution or quality of any work or material or as to the measurement of the works, the decision of the Engineer thereon shall be final and binding.

6.17 INDEMNITY BY THE CONTRACTOR

6.17.1 Indemnity against all actions of Contractor:

The Contractor shall hold and save harmless and indemnify the Client/Employer/Engineer and their employees, from all actions, suits, proceedings, loss, costs, damages, charges, claims and demands of every nature and description brought against or recovered from the Client/Employer/Engineer and their employees by reason of any act or omission of the Contractor and/or his representative and/or his Employees and/or his sub-contractors in the execution of the works or in the guarding of the same. All the sums payable by Client/Employer/ Engineer by way of compensation under any of these conditions shall be recovered from the dues of the Contractor, without reference to the actual loss or damage sustained, and whether or not any damage shall have been sustained.

6.17.2 Indemnity against all Claims of Patent rights and Royalties:

The Contractor shall hold and save harmless and indemnify the Client/Employer/Engineer, his officers and Employees from and against all claims and proceedings for or on account of infringement by the Contractor of copyright, any patent rights, design, trademark or name, secret process, patented or un-patented invention, articles or appliances manufactured or used for or in connection with the works and from and against all claims, proceedings, costs, damages, charges, and expenses whatsoever in respect thereof or in relation thereto. The Contractor shall pay all royalties, taxes, rent and other payments or compensation, if any, for getting the materials required for the works and due fulfillment of the contract and indemnify Client/Employer/Engineer against any claims in this regard.

6.18 DAMAGE TO LIFE AND PROPERTY:

The Contractor shall be responsible for all risks to works, nearby existing structures and life of his supervisors and workmen as also those of Employer/Client or any

trespassers from whatever cause in connection with the works until these are taken over by Client/Employer/Engineer. The Contractor shall make good at his own expenses all loss or damages to life and property.

6.19 SAFETY PROVISIONS

6.19.1 Safety of Labour and others:

The Contractor shall, at his own expense, arrange for the safety provisions as required by any law in force, in respect of the labour employed directly or indirectly for performance of the works, and shall provide all facilities in connection therewith.

6.19.2 Safety of works:

The Contractor shall provide and maintain at his own cost, all lights, guards, signage, signalmen, fencing and watching arrangements when and where necessary, or as required by the Engineer for the protection of the works or for safety and convenience of those employed on works or of the public.

6.19.3 Mere observance of these precautions shall not absolve the Contractor of his liability in case of loss or damage to property, or injury to or death of any employee/labour of Contractor, Client or Employer/Engineer or any member of the public.

6.19.4 Recovery of the cost from the Contractor:

Should the Contractor fail to implement the provisions as required in the preceding sub-clauses 6.24.1 & 6.24.2, the Engineer may provide necessary arrangements and the cost of the same shall be recovered from the Contractor's payments/dues.

6.20 CARE OF WORKS

From the start of the work until completion, acceptance and final takeover of the works by the Engineer, the Contractor shall take full responsibility for the care of all works including temporary works. In case any damage, loss or injury happens to the work or to any temporary works from any cause whatsoever, the Contractor shall at his own cost repair and make good the same so that on completion and at the time of final take over, the work shall be in good condition and in conformity in every respect with the requirements of the contract and the Engineer's instructions.

6.21 USE OF EXPLOSIVES- DELETED

6.22 EXCAVATED MATERIALS- DELETED

6.23 WORKS DURING NIGHT

Unless specifically provided elsewhere in the Contract, the Contractor shall not carry out any work between sunset and sunrise without the prior permission of the Engineer. In case of any grave emergency or in order to avoid risk to property and life or to prevent damage to utilities or to restore them, work may be done at night also without the prior permission of the Engineer, but intimation to this effect should be sent to him

immediately. No increase in rates or extra payment shall be admissible for the night work. The Contractor shall make adequate lighting and safety arrangements for night working. He shall also be responsible for any claim on account of any injury to or loss of life, of any one, arising out of inadequate lighting, safety arrangements or due to any other failure of the Contractor.

6.24 TOOLS, PLANT AND EQUIPMENT

Except for any specific item mentioned in the contract, the Contractor shall have to make his own arrangements, at his own cost, Plant, Machinery and Equipment required for execution and completion of all works to the entire satisfaction of the Engineer. This shall also include all other associated equipment, tools/tackles, spare parts, POL, consumables, stores, manpower as required for the execution of works.

6.25 PLANT AND MATERIALS OF THE CONTRACTOR

6.25.1 Contractor's plant/materials at site to be exclusive to the work:

All constructional plant and materials brought on the site by the Contractor be deemed to be exclusively intended for the execution of the work or part of the work and the Contractor shall not remove the same without the permission of the Engineer till completion of work or part of work.

6.25.2 Removal of constructional plant/materials from site:

Upon completion of the works, the Contractor shall remove from the site all the said constructional plant remaining thereon and unused materials belonging to the Contractor.

6.25.3 Loss or damage to constructional plant/materials:

The Employer/Engineer shall not at any time be liable for the loss of or damage to any of the said constructional plant, temporary works or materials.

6.25.4 Assistance to Contractor for re-exports of plant:- DELETED

6.25.5 Assistance to Contractor for customs clearance:- DELETED

6.26 CONTRACTOR TO KEEP SITE CLEAR

During the progress of works, the Contractor shall keep the site reasonably clean and free from obstructions and shall store neatly construction plant and materials.

6.27 HEALTH AND SANITARY ARRANGEMENTS FOR WORKERS

6.27.1 Provision of Accommodations:- DELETED

6.27.2 Provision of labour Camp:- DELETED

6.27.3 Compliance with Rules for employment of labour:

The Contractor shall comply with all laws, bye-laws, rules and regulations in force, pertaining to employment of local or imported labour, and shall take all necessary precautions to ensure and preserve the health and safety of all staff/workmen, employed on the works directly or through petty Contractors or sub-Contractors.

6.28. **ENGAGEMENT OF LABOUR**

The Contractor shall make his own arrangements for the engagement of all labour, except as provided otherwise in the contract.

The Contractor shall not employ any labour below the age prescribed in any labour legislation, directly or through petty Contractors or sub-Contractors, for execution of the work.

6.29 **WAGES OF LABOUR**

6.29.1 **Wages under relevant laws:**

In dealing with labour and employees, the Contractor and his subcontractors (including piece rate and petty Contractors) shall comply fully with all laws and statutory regulations such as

- i) Workmen's Compensation Act, 1923
 - ii) Payment of Gratuity Act, 1972
 - iii) Employees Provident Funds and Miscellaneous Provisions Act, 1952
 - iv) Maternity Benefits Act, 1951
 - iii) Contract Labour (Regulations and Abolition) Act, 1970
 - iv) Minimum Wages Act 1948
 - v) Payment of Wages Act 1936
 - vi) Equal Remuneration Act 1979
 - vii) Payment of Bonus Act 1965
 - viii) Industrial Dispute Act 1947
 - ix) Industrial Employment (Standing Orders) Act 1946
 - x) Trade Union Act 1926
 - xi) Child Labour (Prohibition and Regulation) Act 1986
 - xiv) Inter-State Migrant Workmen (Regulation of Employment and Conditions of Service) Act 1979
 - xv) The Buildings and Other Construction Workers (Regulation of Employment and Conditions of Service) Act 1996 and Cess Act of 1996.
 - xvi) The Factories Act 1948.
- and other laws or Regulations framed by competent legislative authorities from time to time as may be applicable. In accordance with the various Acts and Regulations with all upto date amendments, the Contractor shall ensure that he and his subcontractors (including petty and piece rate Contractors) observe strictly interalia the following:
- a. Wages paid are not less than those prescribed.
 - b. Wages and other dues are paid regularly and in time.
 - c. Liens/licenses are obtained as required under any of the acts or regulations.
 - d. Maintain prescribed records, submit necessary statements to authorities concerned and display required notices.
 - e. Take prompt action on any instructions / directions from the authorities under various labour laws.

6.29.2 Claims on account of violation of labour laws:-

If any moneys shall as a result of any instructions, directions or decisions from the authorities or claim or application made under any of the labour laws or regulations be directed to be paid by the Engineer because of any failure of the Contractor, such moneys shall be deemed to be moneys payable to the Engineer by the Contractor and on failure of the Contractor to repay the Engineer any moneys paid or to be paid as aforesaid within seven days after the same shall have been demanded, the Engineer shall be entitled to recover the amount from any moneys due or becoming due to the Contractor under this or any other contract with the Employer. The Engineer shall not be bound to contest any such claim or demand unless the Contractor makes a written request for it, and Contractor's reasons for contesting are considered reasonable by the Engineer and the Contractor deposits the full cost that the Engineer may have to incur in contesting the case.

6.30 REPORTING OF ACCIDENTS INVOLVING LABOUR

The Contractor shall be responsible for safety of all employees/labour employed by him on works, directly or through petty Contractors or sub-Contractors and shall report accidents, occurring on works to the Engineer or the Engineer's representative, and shall make every arrangement to render all possible assistance and to provide prompt and proper medical attention. In case of fatal accident, it will be Contractor's responsibility to report accident to police keeping the Engineer advised of the same. The compensation for affected workers or their relatives shall be paid by the Contractor in such cases with utmost expedition in accordance with the Workmen's Compensation Act.

6.31 SUPPLY OF WATER AND ELECTRIC POWER- DELETED

Power supply required for the work shall be given only at one point. The cost of making necessary arrangements to the Engineer's distribution system, laying of cable & circuit protection, in case of electric power shall be borne by the Contractor, the rates for which shall be determined and notified by the Engineer.

6.32 REPAIRS TO DAMAGES

The Contractor shall be responsible for rebuilding/repairs of any damage by any reasons not attributable to the design defect (where design is supplied by Engineer/Client) during execution of works or Defect Liability Period. In case the Contractor is unable or unwilling to execute such repair works promptly, the Engineer may get the same done by engaging another agency or using labour, materials and resources as may be considered necessary and the cost of such remedial works shall be recovered from the Contractor's dues. The decision of the Engineer regarding reasons of the damage shall be final and binding.

6.33 IMPLEMENTATION OF QUALITY MANAGEMENT SYSTEM

- (I) The Contractor shall follow and implement Quality Management System as per IS/ISO-9001-2008.

- (II) The Contractor shall execute the work following the safety policy of DFCC which shall include providing safety equipment, safety shoes and helmets to all workers, erecting of safety barricades and displaying safety posters and instructions about awareness for safety.
- (III) The Contractor shall arrange timely calibration of all his measuring and testing equipment at his own cost from reputed laboratory and supply of calibration certificates to the Engineer.
- (IV) The Contractor shall ensure maintenance and overhauling of all his plant and machinery to satisfy the requirements of IS/ISO-9001-2008.
- (V) The Contractor shall arrange to provide test certificates issued by manufacturers for materials supplied by him or arrange to test the materials at his own cost in a reputed laboratory and supply test certificates to the Engineer. The Contractor shall implement full process control by issue of work instructions and check lists and maintaining latest drawings, specifications and codes.

6.34 MATERIALS AND WORKMANSHIP

6.34.1 Material and workmanship as per Specifications:

- i) All materials and workmanship shall be as per the contract and in accordance with the Engineer's instructions and shall be subjected to such tests as the Engineer may direct. The Contractor shall provide all such assistance, instruments, machines, labour and materials required for examining, measuring and testing any work and materials used. The Contractor shall supply samples of material before incorporating in the works for testing as may be selected and required by the Engineer.
- ii) The sources of materials to be used in the works shall be intimated to the Engineer and are subject to his approval.

6.34.2 Supply of sample:

All samples shall be supplied by the Contractor at his own cost.

6.34.3 Cost of tests of Materials and Workmanship:

The cost of carrying out any tests in a reputed laboratory as acceptable to the Engineer shall be borne by the Contractor except for the materials to be supplied by the Engineer.

6.35 REMOVAL OF IMPROPER MATERIALS AND WORKS

- i) The Engineer shall have the authority to order in writing from time to time:
 - a. The removal from site within specified time, of any material, which in the opinion of the Engineer, is not in accordance with the Specifications and Conditions of the Contract.
 - b. The substitution of defective material by approved quality material; and
 - c. The removal and proper re-execution, notwithstanding any previous decision or interim payment thereof, of any work which in respect of materials or workmanship is not, in the opinion of the Engineer, in accordance with the contract.

- ii) In case of default on the part of the Contractor in carrying out such order, the Engineer shall be entitled to get the same done by engaging another agency or by deploying labour, materials and other resources. All such cost shall be recovered from the Contractor's dues.

6.36 EXAMINATION OF WORK BEFORE COVERING UP

No work or part of work shall be covered up or put out of view, without the prior approval of the Engineer or the Engineer's representative. If any work shall be covered up or put beyond the reach of inspection/measurement without the prior approval of the Engineer or Engineer's representative, the same shall be uncovered by the Contractor at his own cost.

6.37 SUSPENSION OF WORKS ORDERED BY THE ENGINEER

The Contractor shall, on the order of the Engineer, suspend the works or any part thereof, for such time, and in such manner, as the Engineer may consider necessary, and shall during such suspension, properly protect and secure the works so far as it is necessary in the opinion of the Engineer.

The Contractor shall not be entitled to extra cost, if any, incurred by him during such suspension if such suspension is on account of weather conditions or requirement for execution of works or provided for in the Contract or for less than 30 days at a time for any other reason. The Contractor shall, however, be entitled for extension of time for completion of work as the Engineer may consider proper having regard to the period of suspension. However, if the suspension is ordered by the Engineer due to any default of the Contractor such as defective materials, workmanship etc., the Contractor shall not be entitled to any extension or extra cost incurred.

6.38 RATES FOR ITEMS OF WORK TO BE ALL INCLUSIVE

i. The rates entered in the accepted Schedule of Rate & Quantities of the Contract, shall be all-inclusive and provide for works duly and properly completed in accordance with terms and conditions of the Contract and processes as mentioned in specifications and drawings (including revised drawings), relevant codes whether mentioned or not in the nomenclature of the item in Schedule of Rate & Quantities. All rates quoted in the tender shall also deemed to include except specifically provided otherwise in the Contract:

- All materials, labour, tools and plant, stores, centering, shuttering, etc.
- Construction/Erection, maintenance and removal of all temporary works.
 - All arrangements for safety of the property, utilities, public or employees/workers during the execution of works.
- All sanitary and medical arrangements for labour camps.

ii. Nothing extra shall be payable over the quoted rates, except as specifically provided in the Contract.

iii. All rates quoted in the Schedule of Rate & Quantities shall be deemed to be inclusive of all types of direct and indirect taxes imposed by Central/State Govt. and local bodies such as excise duty, sales tax, value added tax (VAT), Works contract tax, Service tax, royalties, duties, Cess, Octroi and other levies as applicable and also include all import duties. The rates shall also be inclusive of all taxes, duties and other charges imposed outside the country on the production, manufacture, sale and transport of the Contractor's equipment, plant, materials and supplies to be used on or furnished under the contract and on the services performed under the contract. No additional amount

shall be paid or claim be entertained on this account by Employer/Engineer. The Contractor shall get registered with the Sales tax Department immediately after award of work and submit a copy of the same to the Employer/Engineer. He shall be responsible for filing sales tax returns and assessments, as necessary as per prevalent Laws, Rules and Regulations and shall also furnish necessary certificates to Employer/Engineer from time to time.

- iv. The Contractor shall bear the cost of all royalties, fees and other payments in respect of patents, patents right and license(s) which may be payable to patentee, licensee or other person or corporation and shall obtain all necessary licenses/ permissions. In case of any breach (whether willfully or inadvertently) by the Contractor of this provision, the Contractor shall indemnify Employer, Engineer and their employees against all claims, proceedings, damages, costs, charges, loss and liability which they or any of them may sustain, incur or be put to by reason or in consequence directly or indirectly of such breach and against payment of any royalties, damages or other money which the Employer/Engineer may have to make to any persons or pay in total to the patent rights in respect of the users of any machine, instruments, process, articles matter or thing constructed, manufactured, supplied or delivered by the Contractor under this contract.

6.39 ACCEPTED RATE APPLICABLE TILL THE COMPLETION OF WORK

The rates as per the accepted Schedule of Rate & Quantities, shall be firm and hold good till the completion of the works, and no additional claim or amount shall be admissible on account of fluctuations in market rates, increase in taxes, levies, fees royalties etc. unless specifically provided for in the Contract.

6.40 QUANTITY VARIATION

The quantities of items shown in the Bill of Quantities, **Section9**, are approximate, and may vary during the actual execution of the work.

6.41.1 ITEMS NOT INCLUDED IN THE SCHEDULE OF RATE & QUANTITIES

- 6.41.2 If any item of work not provided for in the accepted Schedule of Rate & Quantities and required to be executed for completion of work, the Contractor on receipt of instructions from the Engineer, shall be bound to carry out such items of work at the rates to be decided as per sub-clause 5.41.2 and 5.41.3.

- 6.41.3 The rate for such extra items shall be derived from rate for similar items available in the accepted Schedule of Rate & Quantities.

- 6.41.4 In case rates cannot be derived from the accepted Schedule of Rate & Quantities, the rate may be worked out on the following basis:

- a) Cost of materials and consumables at current market rates, as actually utilized in the final finished permanent work, including a reasonable percentage for wastage and cost of loading, unloading and transportation.
- b) Cost of labour required for the work.

- c) Hire charges for plant and machinery, scaffolding, shuttering, forms, etc. required to be used at the site of the work.
- d) An amount of 10% of items (a), (b) and (c) above to allow for Contractor's overheads, profits and other contingencies.

6.41.5 In all cases where extra items of work are involved, for which there are no rates in the accepted Schedule of Rate & Quantities, the Contractor shall give a notice to the Engineer, of at least 7 days before the need for their execution arises.

Such a notice shall not however be necessary if the Engineer has already instructed in writing to take up such an item of work. To decide the rate, the Contractor shall furnish detailed analysis of the rates on the lines mentioned in sub-clause 5.59.2 and 5.59.3 above and attend a meeting with Engineer to settle the rate as and when called for. The Contractor shall be bound to furnish the requisite details and to attend the meeting.

6.41.6 Provisional payment for extra item:

In case mutually agreeable settlement of rates is not arrived at between the Engineer and the Contractor, the Contractor shall be bound to carry out the works at rates to be decided by the Engineer. In the absence of a finalized rate for a new item, the Engineer shall be entitled to certify payment to the Contractor based on a provisional rate fixed by the Engineer for the work done under the new item. This shall be subject to upward or downward adjustment after the rate is finalized by the Engineer for that item.

6.41.7 The decision of the Engineer under this clause shall be final and binding.

6.42 LIEN IN RESPECT OF CLAIMS IN OTHER CONTRACTS

Any moneys due to the Contractor either alone or jointly with others, including the performance guarantee amount returnable to him may be withheld or retained or encased by exercise of lien by the Client/ Employer/Engineer against any claim of the Client/ Employer/Engineer or any other branch, office department or subsidiary of the client/ Employer/Engineer in respect of a sum of money arising out of or under any contract other than the present contract made by the Contractor alone or jointly with the client/ Employer/Engineer or any other branch, office, department or subsidiary of the client/ Employer/Engineer. It is agreed term of contract that the sum of money so withheld or retained under this clause by the client/ Employer/Engineer, shall be kept withheld or retained till the claims arising out of or under the contract, are either mutually settled or determined by the Arbitrator, or by the competent court, as the case may be and that the Contractor shall have no claim for interest or damages whatsoever on this account or any other account, in respect of any sums of money withheld retained, under this clause and duly notified to the Contractor.

6.43 MEASUREMENTS OF WORK AND PAYMENTS

6.43.1 Measurements

The Contractor shall be paid for the works at rates in the accepted Schedule of Rate & Quantities of the contract and extra items of work at rates determined under clause 5.59.0of these conditions. The measurement shall be taken by the Engineer or his representative in the presence of the Contractor or his authorized representative.

6.43.2 Measurement of work at regular intervals

The measurements of the work shall be taken in accordance with the contract during progress of work and at such intervals, as in the opinion of the Engineer or Engineer's Representative shall be proper, having regard to the progress of the work. On an agreed date and time, the Engineer or his Representative shall take the on account or final measurements in the presence of the Contractor or his authorized representative. The Engineer or his authorized representative shall sign the measurements, which shall also be signed by the Contractor or his authorized representative as an acceptance of the measurements. If the Contractor or his representative fails to turn-up at the time of taking measurements in spite of notice to do so, the Engineer or his representative shall be entitled to record the measurements ex-parte and these shall be final and binding on the Contractor.

6.43.3 Measurement of works as per records and drawings

For the purpose of measuring such permanent works, as are to be measured by records and drawings, the Contractor shall prepare records and drawings at regular intervals and submit to the Engineer or Engineer's representative for his scrutiny.

In case, there is a discrepancy in the measurements of work done and the measurements as per drawings, measurements for the minimum of the two shall only be accounted for, provided the executed work is acceptable to the Engineer.

The Engineer or the Engineer's representative shall have the right to rectify any incorrect measurements and delete/correct any measurements if it is found at a later stage that the work is incomplete, defective and/or not conforming to the specifications.

6.44 ON ACCOUNT PAYMENTS

6.44.1 The Contractor shall be entitled to be paid from time to time, by way of "On-account" bills, only for such works, as in the opinion of the Engineer, the Contractor has executed in terms of the contract. Such payments shall be made at intervals to be decided by the Engineer depending upon the progress of work. Payment shall be made only on submission of bills along with measurements and necessary documents by the Contractor for scrutiny of the Engineer. The amount certified shall account for all deductions, including statutory deductions as for sales tax, income tax, etc., recoveries for advances and any amounts due from the Contractor. Such payments made by the Engineer shall not constitute any final acceptance of the measurements. In case of any discrepancy, the Engineer shall have the right to alter, modify, reduce or diminish the quantities or classification entered in the Measurement Books. In such cases, the Engineer shall have the right to recover any amount paid in an earlier bill/bills from any subsequent bill/bills and should the amount to be recovered be more than the amount of the subsequent bills, the Contractor shall on demand from the Engineer

immediately refund the amount to the Engineer within 7 days, failing which he shall have to pay interest @1% per month till the said extra amount is paid back by him.

- 6.44.2** No payment under the contract shall be made to the Contractor before receipt of performance security. The Engineer shall also be entitled to withhold payments under the above sub-clauses in case the Contractor fails to get himself registered under sales tax/labour laws or fails to fulfill his obligation under the contract.

6.45 FINAL MEASUREMENTS AND PAYMENTS

As soon as possible after completion of work, the Contractor shall submit the final bill along with detailed measurements of work done, accountal of the materials, plant and machinery issued by the Engineer and all other statements, supporting documents required for finalisation of the bill. The final bill, measurements and documents submitted by the Contractor shall be scrutinised by the Engineer or his representative and in case the same are found not in order, the Engineer shall direct the Contractor to re-submit the final bill alongwith all details. On receipt of all requisite details and final bill from the Contractor, the Engineer shall have the final measurements taken, recorded and signed jointly. An accountal of any plant, equipment and materials issued by the Engineer to the Contractor, shall also be prepared and signed jointly. Based on the final measurements and materials and plant and equipment accountal statements, the Engineer shall prepare the final bill.

The Contractor shall sign the Engineer's copy of the Final Bill Account in token of acceptance of the full and final value of the works performed under the contract, and submit a "No Claim Certificate" on the prescribed proforma along with a list of unsettled claims, if any. The Engineer shall then arrange to make payment against the final bill. The Contractor shall not be entitled to make any claim whatsoever against Engineer under or arising out of this contract, nor shall Engineer entertain or consider any such claim, if made by the Contractor after he shall have signed a "No -Claim certificate" in favour of the Engineer. In case, the Contractor submits a list of unsettled claims along with the "No Claim Certificate", he shall not be entitled to submit any additional claims other than those submitted alongwith "No Claim Certificate".

6.46 MODE OF PAYMENT AND TAX DEDUCTION AT SOURCE.

6.46.1 Mode of payment:

- (i) All payments to the Contractor shall be made through Electronic Clearing System (ECS). The contractor shall furnish his Banker's details in addition to his own bank account details. All amounts payable to the contractor shall be directly credited to his bank account.
- (ii) In case, the contractor is having his account with a bank not having Electronic Clearing System (ECS), the contractor may open a bank account with the bank having this facility.

- (iii) All payments to the contractor shall be made by above means only unless specifically otherwise agreed by the Engineer in special circumstances for petty payments.

6.46.2 Tax deduction at source:

Income tax and Works tax shall be deducted from the payments credited/released by Employer/Engineer to the Contractor against execution of work as per law of the land. The deductions shall be made as per prescribed rates prevalent from time to time unless a tax exemption certificate is produced by the Contractor. Amount of tax deduction shall be deposited with the concerned authorities and tax deduction certificate shall be issued by Employer/Engineer. The Employer/Engineer shall deduct at source taxes/duties under any other law/statute as may be applicable at the time of making payments. The Contractor shall furnish to the Engineer registration No. under works tax and PAN(for TDS), as applicable.

6.47 COMPLETION CERTIFICATE

6.47.1 As soon as the work is completed, the Contractor shall give notice of such completion, whether of the whole of the works, or of any part of the work, for which a separate date of completion is stipulated in the contract, to the Engineer, and the Engineer, within 30 days of receipt of such notice, shall inspect the work and also arrange for carrying out of such tests as may be prescribed under the contract or ordered by the Engineer. If the Engineer notices any incomplete item of work or any defect, which is to be rectified by the Contractor, or if any part or whole of the work fails to pass the specified tests, the Engineer shall furnish to the Contractor, the list of all such incomplete items of work, deficiencies, defects, failure to pass tests, etc., and may refuse to issue a Certificate of Completion to the Contractor. If in the opinion of the Engineer the work has been satisfactorily completed and has satisfactorily passed final test or tests that may be prescribed, the Engineer shall issue a certificate of completion showing the date of completion in respect of the work. The defect liability period, if any, shall commence from the date of completion indicated in such certificate. Provided that the Engineer may issue such a certificate with respect to any part of the works, before the completion of the whole of the works, which has been so completed and/or used by the Client/Employer/Engineer. When any such certificate is given in respect of a part of the work, such part shall be considered as completed and the defect liability period of such part shall commence from the date of completion indicated in such certificate.

6.47.2 Completion certificate not to absolve the Contractor from his Responsibilities:

The Certificate of Completion of Works referred to in sub-clause 5.65.1 shall not absolve the Contractor from his liability to make good defects, imperfections and shrinkages or faults, which may appear during the defect liability period specified in the contract, arising in the opinion of the Engineer from materials or workmanship being not in accordance with the Contract. These shall be rectified and made good by the Contractor at his own cost. In case of the default on the part of the Contractor, to so make good the defects or deficiencies, the Engineer may employ labour, plant and machinery and materials or appoint another agency or Contractor, to make good such defects, imperfections, shrinkages and faults, and all expenses consequent and

incidental thereto, shall be recovered from any money due to the Contractor under the contract including the Performance Security amount or from any money payable to the Contractor by the Employer/Engineer, under any other contract.

6.48 CLEARANCE OF SITE ON COMPLETION - DELETED

6.49 POST PAYMENT AUDIT – DELETED

6.50 DEFECT LIABILITY CERTIFICATE

6.50.1 In the contract, the expression “Defect Liability Period” shall mean the period of defect liability prescribed elsewhere in the contract, commencing from the date of completion of the works, as certified by the Engineer.

The Contractor shall maintain, rectify and make good at his own cost any defects/deficiencies, which may develop in the work or as notified by the Engineer during Defect Liability Period. However, maintenance during Defect Liability Period shall not include day to day upkeep, cleaning, custody and security of the work.

6.50.2 The contract shall not be considered as completed, until a Defect Liability Certificate has been issued by the Engineer stating that the works have been completed and maintained to his satisfaction. Defect Liability certificate shall be issued by the Engineer, upon expiry of Defect Liability period or as soon thereafter as any works ordered during such period, have been completed to the satisfaction of the Engineer.

6.50.3 No certificate other than “Defect Liability Certificate” shall be deemed to constitute final approval of the work or part of the work for which it is issued.

6.51 UNFULFILLED OBLIGATIONS

Notwithstanding the issue of Defect Liability Certificate, the Contractor and the Engineer shall remain liable for the fulfillment of any unfulfilled obligations under the provision of the contract, prior to the issue of the Defect Liability Certificate, and for the purpose of determination of the nature and extent of any such obligation, the contract shall be deemed to remain in force between the parties thereto.

6.52 PRODUCTION OF VOUCHERS

The Contractor, whenever required, shall produce for examination by the Engineer, any quotation, invoice, cost or other account books, vouchers, receipts, letters, memoranda or any copy of or extract from any such documents and also furnish information and returns, as may be required, relating to the execution of this contract. The Engineer’s decision on the question of relevancy of any documents, information or returns shall be final and binding on the Contractor.

If any part or item of the work is allowed to be carried out by a sub-Contractor, the Engineer shall have power to secure the books of such sub-Contractor, through the Contractor, and shall have power to examine and inspect the same.

6.53 FORCE MAJEURE

If, at any time during the currency of the contract, the performance of any obligation (in whole or in part) by the Employer or the Contractor shall be prevented or delayed by reason of any war, hostilities, invasion, acts of public or foreign enemies, rebellion, revolution, insurrection, civil commotion, sabotage, large scale arson, floods, earthquake or any other act of God, large scale epidemics, nuclear accidents, any other catastrophic unforeseeable circumstances, quarantine restrictions, any statutory, rules, regulations, orders or requisitions issued by a Government department or competent authority (hereinafter referred to as "event") then, provided notice of the happening of such an event is given by either party to the other within 21 (twenty one) days of the occurrence thereof.

- a. Neither party by reason of such event be entitled to terminate the contract or have claim for damages against the other in respect of such non-performance or delay in performance.
- b. The obligations under the contract shall be resumed as soon as practicable after the event has come to an end or ceased to exist.
- c. If the performance in whole or part of any obligation under the contract is prevented or delayed by reason of the event beyond a period of 90 days, the contract may be force-closed with mutual consent by giving a notice of 30 days without any repercussions on either side.
- d. In case of doubt or dispute, whether a particular occurrence should be considered an "event" as defined under this clause, the decision of the Engineer shall be final and binding.
- e. Works that have already been measured shall be paid for by the Engineer even if the same is subsequently destroyed or damaged as a result of the event. The cost of rebuilding or replacing any work that has been measured shall be borne by the Employer/Engineer.
- f. If the contract is fore-closed under this clause, the Contractor shall be paid fully for the work done under the contract, but not for any defective work or work done which has been destroyed or damaged before its measurement. The Engineer shall have the option to take over any plant and material lying at site, at rates provided for in the contract, failing that, as per rates which are determined to be fair and reasonable by the Engineer.

If no notice is issued by either party regarding the event within 21 days of occurrence, the said event shall be deemed not to have occurred and the contract will continue to have effect as such.

6.54 SETTLEMENT OF DISPUTES

All disputes or differences of any kind whatsoever that may arise between the Employer/Engineer and the Contractor in connection with or arising out of the contract or subject matter thereof or the execution of works, whether during the progress of works or after their completion, whether before or after determination of contract shall be settled as under:-

MUTUAL SETTLEMENT

All such disputes or differences shall in the first place be referred by the Contractor to the Employer in writing for resolving the same through mutual discussions, negotiations, deliberation etc. associating representatives from both the sides and

concerted efforts shall be made for reaching amicable settlement of disputes or differences.

CONCILIATION/ARBITRATION

It is a term of this contract that Conciliation/Arbitration of disputes shall not be commenced unless an attempt has first been made by the parties to settle such disputes through mutual settlement.

If the Contractor is not satisfied with the settlement by the Employer on any matter in question, disputes or differences, the Contractor may refer to the Managing Director of the Employer in writing to settle such disputes or differences through Conciliation or Arbitration provided that the demand for Conciliation or Arbitration shall specify the matters, which are in question or subject of the disputes or differences as also the amount of claim, item wise. Only such dispute(s) or difference(s) in respect of which the demand has been made, together with counter claims of the Employer shall be referred to Conciliator or Arbitrator as the case may be and other matters shall not be included in the reference.

Managing Director of the Employer may himself act as Sole Conciliator/Sole Arbitrator or may at his option appoint another person as Sole Conciliator or Sole Arbitrator, as the case may be. In case, Managing Director of the Employer decides to appoint a Sole Conciliator/Sole Arbitrator, then a panel of atleast three names will be sent to the Contractor. Such persons may be working/retired employees of the Employer who had not been connected with the work. The Contractor shall suggest minimum two names out of this panel for appointment of Sole Conciliator/ Sole Arbitrator. Managing Director of the Employer will appoint Sole Conciliator/Sole Arbitrator out of the names agreed by the Contractor.

In case, the Contractor opts for settlement of disputes through Conciliation at first stage and if the efforts to resolve all or any of the disputes thorough Conciliation fails, the Contractor may refer to the Managing Director of the Employer for settlement of such disputes or differences through Arbitration. The appointment of Sole Arbitrator shall be done by the Managing Director of the Employer as per the procedure described above. No disputes or differences shall be referred to Arbitration after expiry of 60 days from the date of notification of failure of Conciliation.

The Conciliation and/or Arbitration proceedings shall be governed by the provisions of the Indian Arbitration and Conciliation Act 1996 or any statutory modification or re-enactment thereof and the rules made there under and for the time being in force shall apply to the conciliation and arbitration proceedings under this clause.

The language of proceedings, documents or communications shall be in English and the award shall be made in English in writing.

The conciliation/arbitration proceedings shall be held at a place decided by Conciliator/Arbitrator.

The fees and other charges of the Conciliator/Arbitrator shall be as per the scales fixed by the Employer from time to time and shall be shared equally between the Employer and the Contractor.

The minimum qualification of the Conciliator/Arbitrator shall be graduate in Engineering. He may be working or retired officer with a minimum of 20 years service in Group –A of any Engineering service of Central Govt. or an equivalent service in a Central PSU. He should be clear from the vigilance angle and should be a person with reputation of high technical ability and integrity. Also, he should not have associated with the contract to which the dispute pertains.

Settlement through Court:

It is a term of this contract that the Contractor shall not approach any Court of Law for settlement of such disputes or differences unless an attempt has first been made by the parties to settle such disputes or differences through clauses 5.72.1 and 5.72.2.

No suspension of work:

The Obligations of the Employer, the Engineer and the Contractor shall not be altered by reasons of conciliation/arbitration being conducted during the progress of works. Neither party shall be entitled to suspend the work on account of conciliation/arbitration and payments to the Contractor shall continue to be made in terms of the contract.

Award to be binding on all parties:

The award of the Sole Arbitrator, unless challenged in court of law, shall be binding on all parties.

JURISDICTION OF COURTS:

Jurisdiction of courts for dispute resolution shall be New Delhi.

FORM OF AGREEMENT

(To be executed on requisite value of Stamp Papers)

AGREEMENT

THIS AGREEMENT made on _____ day of _____ (month/year) between **DFCCIL, 5th Floor Pragati Maidan Metro Station Building Complex, New Delhi-110001**, acting through (Project Head and name/address of the Project)(hereinafter called “the Employer/Engineer”) of the one part and _____ (name and address of the Contractor) (hereinafter called “the Contractor”) of the other part.
