Calling of Quotation for Email Migration from NIC Zimbra to Microsoft Platform

DFCCIL is planning to migrate organisation's official email services from the current NIC Zimbra platform to Microsoft. In this regard, we are inviting quotations from reputed and experienced service providers for the seamless migration of our email data and services.

Scope of Work

- Migration of all existing email accounts (approx. 4200 email including active and inactive emails of Data Volume approx. 42TB) from NIC Zimbra to Microsoft (Office 365/Exchange Online).
- Ensuring zero data loss and minimum downtime during the migration process.
- Configuration of user accounts on the Microsoft platform and necessary DNS changes.
- Post-migration support and troubleshooting incase any issue arises in user mailbox.
- Training and handholding support for DFCCIL tenant admin users.

Quotation Requirements

- Estimated timeline for completion of the migration process.
- Quoted cost will be excluding of taxes.
- GST Number should be clearly mentioned in the quotation.
