S.N	Tender Provision	Bidders Submission	Clarification by DFCCIL
1.	As per para 1.3.13(i) (a) of preamble & General instructions to tenderers technical eligibility criteria on page no 30 of technical bid it is written "Definition of Similar work i.e Total quantum of supply ,fabrication and erection of structural steel work executed for such RUB cover sheds works should be minimum 1320 MT during last 7 years executed for IR, NHAI, State Highway, Regional Railway, Expressway, Airport (Commercial/Defense), DFCCIL etc."	As you had mentioned about eligibility criteria in tender documents but have to inform you that if we see other tenders from different departments for similar nature of work they required similar nature of work as Any civil engineering work involving fabrication and erection work of structural Steel or prefabricated structures. And Have to inform you that this type of Roofing tenders are coming from since last 2-3 years and now a days Indian Railways had already included roofing work with civil work's tenders so that there are not much more tenders were floated since last 2-3 years and have to inform you that due to COVID pandemic since last 2 years and lot of Fluctuations in open market for purchasing of materials many works were lingered and not completed in last 12-24 months so that there are not many companies have similar experience of RUB covering like you needed for this tender. And Have to inform you that if you had any doubt about company's capabilities of doing similar nature of work you can demand roofing work as an additional experience in same or any other work.	It has been clarified that a Corrigendum No. 1 to tender regarding " Technical Eligibility Criteria " has been issued and uploaded. The same may be referred.
