Dear Sir,

Sub : Prebid points for clarification in connection with CONSTRUCTION OF 2- Lane Road Over Bridge including approaches in lieu of existing level Crossing Nos.

- i) 150 at Rly km 278/14-16 (DFCC Ch: 28967.59) between GOTHANGAM and SAYAN stations of western Railway.
- ii) 156 at Rly km 287/11-13 (DFCC Ch: 37875.65) between KUDSAD and SAYAN stations of western Railway.

We are listing herein below the following points to be raised & clarified during the Prebid meeting to be held on 17/05/2019 at 15:00 Hrs.

1. We are registered under GST in Maharashtra state. We can obtain GST Certificate of Gujarat state upon award of work. Please confirm if we can submit GST Certificate of Maharashtra with the tender documents.
2. Please clarify rates for friction slab & crash barrier over RE Wall.
3. Also please clarify the rates for items from Sr. No. 1-3 of item No. 10 on page no. 329 of 499.
4. Please confirm whether the detailed drawings for Construction will be provided to us by DFCC or the same has to be designed by us.
5. Procedure for drawing & design approval if the same have to be done by us.
6. For all piling related items in schedule A, rates for 1200 dia & 750 dia piles are given. However, quantities of only 1200 dia are mentioned. Please clarify whether the execution will be 1200 dia or 750 dia of Piles?
7. GST:- As per the tender document, the Contract price is exclusive of GST. We understand that, as per the Current law we will be adding 12% GST in our RA Bills, over & above the Contract price which shall be paid by DFCC, Please Confirm?

Thanking you, we remain.

Yours faithfully,  
BANKA CONSTRUCTIONS,

PARTNER.

Ref Your Letter no BC/DFCC/LC-150/156/01 dated 14.05.2019

Dear Sir,

In connection with the quarries raised vide your letter under reference with respect to pre-bid meeting (scheduled on 17.05.2019), for the subject tender , the item wise clarifications on quarries received are furnished as under :

Item no.	Quarry by Bidder	Clarifications
1.	We are registered under GST in Maharashtra state. We can obtain GST certificate of Gujarat state upon award of work. Please confirm if we can submit GST Certificate of Maharashtra with the tender documents.	GST registration certificate of Maharashtra State should be submitted along with tender document and an undertaking /affidavit for submission of GST certificate of Gujarat State should also be submitted.
2.	Please clarify rates for friction slab and crash barrier over RE wall.	The rates of RE wall are excluding the rates of friction slab and crash barrier.
3.	Also please clarify the rates for items from Sr.no.1-3 of item no. 10 on page no. 329 of 499.	Rates for crash barrier under item no.10 of schedule-B includes the rates of items from Sr.no.1-3 of item no. 10 on page no. 329 of 499.
4.	Please confirm whether the detailed drawings for construction will be provided to us by DFCCIL or the same has to be designed by us.	The detailed drawings for construction will be provided by DFCCIL except fabrication drawing and launching scheme.
5.	Procedure for drawing & design approval if the same have to be done by us.	a) For fabrication drawing, As per clause 2.5.17.2 of page no-207 of 499 of tender document, the contractor shall have to arrange the proof checking of the working fabrication drawings from the nominated institution/Consultant. The cost will be borne by the contractor. Nomination of the Institution/Consultant for proof checking works will be decided by concerned GM/ROB/CGM-DFCCIL. b) For launching scheme, As per clause 2.5.46 of page no-228 of 499 of tender document, the contractor shall submit in triplicate,

		<p>detailed launching schemes of all the girders including design calculations, safety procedures and method statement with such plans, sketches and other details. The said launching scheme will be checked by RITES Ltd/DFCCIL/ Railway/or Agency nominated by the DFCCIL and shall be got sanctioned from CRS(Commissioner of Railway Safety). The Payment for the launching scheme of girders shall be borne by contractor. The agency shall prepare, provide &amp; arrange all design &amp; drawing and full support to obtain CRS sanction. Contractor will be responsible to co-ordinate with Divisional Railway/WR HQ officials to get CRS sanction of said launching scheme of girders. Necessary assistance by DFCCIL by forwarding the scheme to Railway/CRS will be provided. The contractor shall provide full structural details of the temporary members and their connections to the girder, along with necessary design calculations not only justifying member's sizes but also for the entire launching system to be adopted. Contractor will be responsible for getting approval of launching scheme submitted by him from the Engineer.</p>
6.	<p>For all pilling related items in schedule A, rates for 1200 dia &amp; 750 dia piles are given. However, quantities of only 1200 dia are mentioned. Please clarify whether the execution will be 1200 dia or 750 dia of piles?</p>	<p>As per approved design and drawing in execution only 1200 mm dia piles will be used.</p>
7.	<p>GST:- As per the tender document, the contract price is exclusive of GST. We understand that, as per the current law we will be adding 12% GST in our RA bills, over &amp; above the Contract price which shall be paid by DFCC, Please Confirm?</p>	<p>Yes your understanding is correct, however compliance of GST Act is to ensured.</p>
