S.N	Information sought by applicant	Reply
1	At IMDs Level, one Post for E2 level (Designation as Track) is defined. What will be the duties, roles and responsibilities for this post? Will he/she work as coordinator among the different IMSD stations under an IMDs and will assist to IMD In Charge?	Duties, roles and responsibilities of all regular P-way officials posted in IMDs & IMSDS is mentioned in Para 201 to 214 & additional specific duties of IMSD(In Charge-Engg) are given at para 226 to 236 of DFC Railroad manual-2024. However, for duties & track maintenance setup, chapter 2 whole is applicable.
2	At IMSDs Level, one post for E-2 as IMSD In charge and one for E-1 as IMSD-Sectional is defined. What will be the section jurisdiction for: IMSD In charge and IMSD Sectional?	Please refer to para 201 of DFC Railroad manual-2024. However, for duties & track maintenance setup, chapter- 2 whole is applicable.
3	Will Jurisdiction of IMSD Sectional be same as jurisdiction of IMSD In charge?	Please refer to para 201 of DFC Railroad manual-2024. However, for duties & track maintenance setup, chapter- 2 whole is applicable.
4	At IMSDs Level, three post for EO as P-way Spl, Works, Misc. is defined. What will be the duties, roles and responsibilities for this post? And What will be jurisdiction for this post?	Please refer to para 201 of DFC Railroad manual-2024 for jurisdiction and refer para 202 to 214 for duties, roles and responsibilities. However, for duties & track maintenance setup, chapter- 2 whole is applicable.
5	As per the DFCCIL policy, what are defined for duties and Responsibilities of a Junior Manager/Civil (E2 Level)?	Duty duties, roles and responsibilities of a Junior Manager (IMSD In-charge)/Civil (E2 Level) is mentioned at DFC RRM para 201 to 214 and 226 to 236. However, for duties & track maintenance setup, chapter-2 whole is applicable.

6	In DFCCIL Field Units, generally there are 5 to 6 stations and 3 IMSDs. under an IMD. One IMD is having generally 2 Stations. Out of these two stations, one station is also working as IMD (Integrated Maintenance Depot), So under whom jurisdiction, this station will come for maintenance activities?	Please refer para 201 of DFC Railroad manual. However, for duties & track maintenance setup, chapter-2 whole is applicable.
