

ACTION HISTORY OF RTI FIRST APPEAL No.DFCCL/A/E/22/00088

Applicant Name	Dinesh Kumar Garg			
Text of Appeal	<p>Among other pieces of information, I asked for a Drawing or Sketch Map delineating the line separating the areas acquired and not acquired of Mouza: Kota Chandipur, J.L. No. 29, Gram Panchayat: Kota, Police Station: Bud Bud, District: Purba Bardhaman, West Bengal. While other pieces of information were furnished to me, the aforesaid Drawing or Sketch Map was not furnished to me. Instead, the CPIO replied to me that the Sketch Map is available with Land Acquisition Department of Purba Bardhaman District and I should contact that Department to get the same. The reply is ridiculous. It is like when a builder is asked to furnish the drawing of the building he is constructing, he says "go and get the drawing of the building from the municipality which passed the drawing. I do not have the drawing." Land was acquired for the DFCC project. DFCCIL is executing the project. DFCCIL exercises right and title over the acquired land. Yet, DFCCIL has no Sketch Map of the acquired land. It is utterly ridiculous. Moreover, if the Sketch Map is available with the Land Acquisition Department of Purba Bardhaman District, then it must be available with DFCCIL also. Otherwise, how the DFCCIL is executing the project – especially when it is working on the ground and the project could not be executed if it has no Sketch Map of the acquired land. Earlier, I applied for a similar drawing of an adjacent Mouza (i.e. Pondali Mouza) under RTI Registration No. DFCCL/R/E/21/00837 on 01.10.2021. I was furnished a drawing by DFCCIL. Then, why a similar drawing of Kota Chandipur Mouza is not available.</p>
