

ACTION HISTORY OF RTI REQUEST No.DFCCIL/R/E/21/00976

Applicant Name

Rahul Roy

Text of Application

The railways track is full of hidden dangers It is a very dangerous environment for a Civil employees while working on the running track DFCCIL Civil Department employees are expected to work in Red zones which are areas of the railways which are in operation There is always the danger of being hit by a train There is always the danger of being bitten by a snake Electricity is easily the most dangerous factor in stepping on the track The power 25000 volts running through overhead railway lines is 100 times stronger than your supply at home. Work under 25000 volts is also the most dangerous factor Risk allowance is the right of the Civil employees who works in the risk area When will the Risk allowance be given to Civil Department employees of DFCCIL

Reply of Application

Dear applicant, Your application is rejected under Section 2(f) of RTI Act 2005 as in the last para you have asked for reply to your question which does not come under the purview of the Section 2(f).
