

ACTION HISTORY OF RTI REQUEST No.DFCCCL/R/E/22/01148

Applicant Name	Sushila Yadav			
Text of Application	<p>Sir/Madam, I am having a parcel of Land at Village Kamalpur, PO Bithwana, Rewari Haryana, on both side (one side in my own name and on the other side in the name of my father in law) of Western Dedicated Freight Corridor (near Bawal Road Crossing). The Freight Corridor work is in last stage and it is stated to be operational by the end of December 2022. On southern side of the corridor the ground water is of bad taste and quality and unproductive for crops, however, on northern side the underground water is best suited for crops. So I wish to take water through pipeline from northern side to southern side of this elevated corridor. In this regard, kindly provide the following information: 1. To place a pipeline beneath this elevated corridor (not on pillars but sand pile elevation), is there any permission is required to be obtained from any authority? If yes, please provide the details of the authority competent to grant such permission. 2. What are the requirements on the part of the person requesting such permission? 3. Is there any specification of pipeline (quality or make) which has to be passed through (under) the freight corridor? 4. Is there any fees to be paid to any department/body? 5. Who will place/install the pipeline below the corridor? 6. Is the authority have already made some provision to pass through any such pipeline on nearby points which can be used by the applicant, if yes, the procedure required to be followed by the application. 7. What is the time line for granting of approval (as mentioned in question no. 1)? Thanks & regards Sushila Yadav H No. 247 Ground Floor, Elegant Homes BMG Elegant City, Sector 25-26 Mob. 9560935657</p>
