

ACTION HISTORY OF RTI FIRST APPEAL No.DFCCL/A/E/25/00015				
Applicant Name		SUBHASH CHAND SAINI		
Text of Appeal		<p>Sir Divisional Railway Manager, North Western Railway, Jaipur Division. Subject: Regarding providing a road from Km 121/1110 (OLD LC86, CRUB NO203) of KanwatNeemkathana section (RewariPhulera). Sir, It is humbly requested that the road which was earlier being used by the villagers for movement at Km 121/1110, old level crossing number 86 (CRUB NO203) under KanwatNeemkathana railway section has been closed by the railway. Before the construction of this underpass, there were two roads connecting Kanwat towards the east, whose Khasra numbers were 2262/2 and 2325/2. At the time of construction of the underpass, only one road was kept open and the road with Khasra number 2325/2 was closed without any prior notice. As per the only means of transport in the area, this road was to be merged with the underpass, but this road was closed by the railway. Due to the movement on this road, people have to face a lot of trouble in going to many dhanis and religious places. Even to go to the cremation ground of the area, this road is used only and to go for cremation, one has to cross the railway tracks, which is a very risky task. Due to this, the general public, especially school going children, elderly and patients in emergency situations are facing a lot of inconvenience. Please open this road and merge this road with the underpass. This road was the only easy means of communication for the surrounding villages. Therefore, you are requested to make arrangements for a road (foot crossing or underpass/overpass etc.) again at the said place in public interest, so that the people of the area can get relief. You are requested to take positive action in this matter soon and please inform us. Thank you.
