

ACTION HISTORY OF RTI REQUEST No.DFCCL/R/E/22/00171

Applicant Name	Rohan Tilotiya			
Text of Application	Rti application attached in pdf			
Reply of Application	Dear applicant, You keep on asking for information on points which is not available with the CPIO. On receipt of an RTI application the CPIO marks that application to concerned office holding the information. In your RTI applications, you never indicate the location on which the information is required by you. In that case the CPIO has to mark your references to all the project office which is not feasible. As such you are requested to at least provide the project office concerning your points for information.
