

No. 2025/HQ/HR/Civil (RTI)

Dated: 28.04.2025

Ref: RTI application No. 2025/HQ/ADMIN/RTI- 233 dated: 01.04.2025.

Point wise reply of RTI is as under: -

Name of the Applicant: Bhoopendra		
Point No.	Information Sought For	Reply
1.	How many unreserved seats are available in the E-2 grade (Civil, Electrical and Signalling Department) in DFCCIL Departmental Promotion Examination CBT-2024 and how they have been assessed. Please provide details.	Copy of CBT Notification-2024 issued vide Circular No. 07/2025 dated 28.03.2025 is attached. (Annexure-1) Vacancies assessment methodology is outlined in the promotion policy, which is already available in Public Domain. Please visit link given below: https://dfccil.com/images/uploads/img/DFCCIL_HR_Manual.pdf
2.	Whether the unreserved seats of E-2 grade Civil, Electrical and Signalling Department were left vacant in the departmental promotion examination in the past i.e. CBT-2023.	Details of unfilled vacancies in CBT 2023 are as under: i. Civil- No ii. Electrical – No iii. S&T- No
3.	Is there the same method of assessing unreserved seats in E-2 grade for civil, Electrical and signalling department for the Departmental Promotion Examination 2024 (CBT-2024).	Vacancies are assessed as per methodology outlined in the promotion policy.
4.	Whether the unreserved seats for E-2 grades in the Electrical and Signalling Department have originated from resignations and promotion of E-2 to E-4 grade promotion quota employees of the concerned department or there is any other method. Please give details.	Information sought does not come under purview of point no. 2(f) of RTI act. CPIO is not supposed to create or predict any information. Information available on record can only be provided under the Right to Information Act, 2005.
5.	If, the origin of unreserved seats for E-2 grade in the Electrical and Signalling Department has not been generated from the resignations and promotion of E-2 to E-4 grade promotion quota employees of the concerned department, then how the number of unreserved seats of these departments have increased, please give details.	

6.	If the method of seat assessment is the same for all the departments, then how did the number of unreserved seats increase in the E-2 grade of Electrical and signalling department in the departmental promotion examination 2024 (CBT-2024), while the number of seats in the civil department did not increase, Why? Is there a separate policy of DFCCIL to assess seats in the civil department. If yes, make available.	Vacancies are assessed as per methodology outlined in the promotion policy.
7.	If there is no separate policy for the civil department for vacancy assessment, what is the reason for not increasing the unreserved seats only in the civil department.
