**Ref** : Your No. 2020/HQ/ADMN/RTI/246 Dated 13.03.2020

In reference to the above, Shri Hemansh has sought information such as due to shifting of high Voltage Transmission Towers / Lines, contractor did not take any written approval from landowner did not pay any compensation for devaluation of land.

In the DFCC alignment, there are many High Voltage Lines / Crossing which are owned by GETCO/Power Grid/Essar/Torrent at different locations. DFCCIL has not given any contract for shifting these lines. The lines / crossing shifted as per requirement by the utility owners for which necessary charges as claimed by owners has been paid by DFCCIL, thus the compensation as well as all other activities required for shifting of Lines / Crossing are to be done by the owners of the respective lines.

In view of above, information sought by applicant should be sought from the owners of High Voltage Lines.
