S.N	Information Sought For:	Proposed Reply/Remarks
1.	<p>When I checked my response sheet I got 68.5 marks but in the official result it is showing as 64.5. Official key modification might be one of the reasons but I am not so sure about it, since it did not get released. Kindly recheck my response sheet with modified official key. Please let me know if it is the reason or anything else. I am not asking you to rectify my marks and just asking the information on why it showed in the first place, then I will proceed according to that.</p>	<p>I have been shortlisted for Psychometric test of Executive/Operating (station master & controller) job bearing Roll No. 26053030299, Reg. No. DFCCIL1097432 & category- ST.</p> <p>After conduct of CBT, Objection management portal was opened wherein candidates were able to check the questions, answers given by them and correct options, option was given to the candidates to raise their objections, if any to the questions/answers.</p> <p>Based upon the valid objections submitted by the candidates, answers to some questions were raised and full mark were awarded to all the candidates against such questions. No marks were awarded to the questions which were marked by the candidates for objections.</p> <p>It was mentioned in CBT call-letter that, if an answer is selected for a question that is marked for review will not be considered in evaluation since there is negative marking for each wrong answer.</p>
