Dear sir I have applied against advt no 04/2021 for the post of junior executive (operation and bd) and whose result was declared in the beginning of the feb 2022.my question are as follows		
1	I want to know the number of candidates qualified from different shift i.e. it: morning shift and evening shift as exam was conducted in 2 shift for this post.	As per RTI Act, the public Authority is expected to provide the information which is available and not required to collect & compile the information nor is expected to create a fresh one.
2	I want to know the marks of the candidates increase or decrease in different shift after normalization.	
3	What is the minimum marks of last student from each shift i.c moming and afternoon shift who qualified for this post without normalisatior
