The reply to the above subject RTI application is as under –

Sr. No.	Information sought under RTI	Reply
1.	Work to be done by Vadodara Railway Maroli-Ubhrat Division on Maroli Gate No. 130 Railway Overbridge at Maroli in Jalapore Taluka of Navasari District providing all the relevant information of the responsible contractor, officer and tender	<p>The first appeal of the RTI application No. DFCCIL/A/E/21/00034 dated 26.06.2021 has been gone though, in his appeal it is mentioned that "कोई भी जानकारी उपलब्ध नहीं कराया गया" his ground for appeal is "No Response Within the Time Limit". From this it seems that the RTI applicant has not received the RTI reply sent by this Office. It is to inform that the reply to RTI was submitted to Mumbai Office vide No. MUM/N/EN/RTI/341/1 dated 19.05.2021 and it was well within the time limit. The reply was as under-</p> <p><u>"The information sought by RTI applicant is vague in nature as there is no such Maroli Gate No. 130 on Maroli-Ubhrat. Clear details are required for providing the information sought under RTI".</u></p> <p>The information provided by the applicant is not sufficient and incomplete to provide the required information.</p> <p>The reply dated 19.05.2021 was ample clear that, the information sought is vague in nature and cannot be provided unless the clear details of the information required is submitted by the applicant. To make it clear it is mentioned that Road Over Bridge is in progress at LC No. 130 but, the same is on Naysari-Sagra Road and not on Maroli-Ubrat road as mentioned by the applicant. Moreover, ROB at LC 130 is not located at Maroli and also is neither executed by Vadodara Railway Division. At Maroli on Maroli-Ubhrat road there is another LC NO. 133 on which also one ROB is being constructed by Vadodara Division and not by this Office. Both these LCs are in Jalapore Taluka of Naysari District. Hence, in the absence of clear details the RTI applicant cannot be informed correctly for the purpose he has applied. Hence, the applicant was requested to provide clear details of the information sought under RTI Act, which has not been provided in his Appeal. Hence, information under RTI Act cannot be provided.</p>
