

ACTION HISTORY OF RTI REQUEST No.DFCCIL/R/E/24/00348				
Applicant Name		MD UMAR FAROOQ		
Text of Application		<p>Sub: Request for Consideration of Specialized Graduates in DFCCIL Recruitment Process Dear Sir/Madam, I am writing to inquire about the recruitment process advertised by DFCCIL, specifically concerning the open market recruitment recently announced. Upon reviewing the advertisement, I would like to express a concern regarding the potential misalignment in the hiring process. In open market recruitment, it is noted that individuals from diverse backgrounds may apply. However, I believe that DFCCIL could benefit greatly by considering candidates who have pursued their graduation in logistics, coupled with hands-on experience in the operations of DFCCIL services. Additionally, candidates with experience in areas such as ICDS, CFS, CTO, and a profound understanding of Indian railway logistics operations could prove to be invaluable assets to DFCCIL. As a dedicated student who has graduated with a specialization in rail logistics core operations, particularly in EXIM and domestics, I strongly believe that individuals with such specialized knowledge and experience can significantly contribute to the advancement of DFCCIL objectives and operations. Therefore, I kindly request that DFCCIL consider incorporating criteria that prioritize candidates with specialized education and experience in logistics operations, especially those pertaining to DFCCIL services and Indian railway logistics. Thank you for considering my request. I am optimistic that such considerations will lead to the recruitment of candidates who can bring exceptional value to DFCCIL workforce and contribute significantly to its continued success. Sincerely, Md Umar Farooq</p>		
Reply of Application		Dear applicant, Applicant has since not sought for any information the application is rejected.
