Date : 21.08.2013

Minutes of Meeting held on 21.08.2013 under the chairmanship of Addl. Chief Secretary, UDH & LSGD, to finalize the agency for new ROB/RUBs under UDH and DFCC route.

A meeting was held under the chairmanship of Addl. Chief Secretary, UDH & LSG, on 21.08.2013 in meeting hall of DLB office to finalize the construction agencies for new ROB/RUBs under UDH and DFCC route. The list of officers attended the meeting is enclosed as Annexure A.

The likely construction agencies were asked to take up the construction of bridges on single entity basis. The DGM RSRDCC, APD/RUIDP and CE PWD was asked to take up the construction of bridges under UDH&LSGD; but they refused to take up considering their present work load and availability of resources. Accordingly, it was considered appropriate to construct maximum bridges by the DFCC as first priority on DFCC and PWD for bridges in their jurisdiction and further by Railway/RIDCOR for other bridges. After detailed discussions & deliberations, as a proactive action following construction agencies for these ROB/RUBs were decided in consultation of the above agencies/departments as under:

A. New proposals in Budget years 2013-14 after confirming feasibility with Railway.							
S. No.	Place/ LC No	ROB/ RUB	Cost sharing/ Non cost sharing	Railway Zone	Line Agency	Construction Agency as agreed	Remark/ Status

C. Other proposal of RUBs in Pipe line under UDH&LSGD :							
1	Ladnu/ 33	RUB	Non Cost Sharing	NWR	Municipality, Ladnu (LSGD)	Central portion to be constructed by Railway and approaches by RIDCOR on earlier MOU and terms & conditions for the construction of bridges under UDH & LSGD.	Joint Feasibility still to be examined by Railway, ULB and District administration.
2	Gangapur City/ No LC	RUB	Non Cost Sharing	WCR	Municipality, Gangapur City (LSGD)	Central portion to be constructed by Railway and approaches by RIDCOR on earlier MOU and terms & conditions for the construction of bridges under UDH & LSGD.	Proposal submitted to PWD for their clearance about the status amounting to Rs. 6.5 cr.
3	Bayana/ Near Nagla Sheesha	RUB	Non Cost Sharing	WCR	Municipality, Bayana (LSGD)	Central portion to be constructed by Railway and approaches by RIDCOR on earlier MOU and terms & conditions for the construction of bridges under UDH & LSGD.	Proposal for Rs. 5 Cr. approved for RUDF for which loan is to be taken by Municipality, Bayana

General:

1. It was deliberated that the agreed construction agencies as above will prepare GAD & get its requisite approval from State/ DFCC.
2. The PWD/UDH&LSGD will issue sanction as soon as approval from planning department is received and accordingly DFCC will be informed.
3. The RIDCOR raised the issue for time extension due to time taken by Railways for required approvals. It was considered appropriate to consider time extension on the specific reasons for delay in specific approvals required by the Railways.
4. The Commissioner RC (UDH) will pursue the approvals required from Railways regarding girder launching and CRS approvals for Sangaria and Alwar bridges being constructed by RIDCOR. The RIDCOR assured that they will be able to complete these two bridges with in two months after above approval from Railways.
5. The construction of ROB at LC 293 at Balotra could not be finalized due to public representation for construction of bridge at LC 292 in place of LC 293. It was apprised that in case of change of LC, the Railway may not agree for cost sharing. The RIDCOR was directed to check the feasibility of LC no. 292 at Balotra also to further consider if construction on both ROB's location can be feasible. The MD RIDCOR agreed to provide the details for feasibility by 26.08.2013.
6. The alignment of Makrana LC No. 38 could not be finalized by the District Authorities. The three alternatives has been proposed by RIDCOR. It was directed that the RIDCOR will again discuss with district authorities and public representatives for their conclusion. The DLB will monitor the activity and conclude the alignment accordingly.
7. It was considered appropriate for construction of four lane full height RUB for consideration of Railway at Induni Fatak Jaipur. The Commissioner RC (UDH) was directed to discuss with NW Railways.
8. It was directed that the proposals for three other RUB's as listed in table "C" should be submitted to FD for providing state fund; as the ULB's are not in a position to take any loan from RUDF as well as there is no availability of untied funds.
9. RIDCOR will e-tender with wide publicity through web portal of state in accordance to Rajasthan Transparency Act 2012.

The meeting ended with vote of thanks to the chair.
