Applicant Name		Desai Aditya Dineshsinh		
Text of Application		I would like to know details about the project under DFCC Option 2, covering Km 0.00 to Km 170, which passes through villages in Valsad district, such as Vankal, Dulsad, Kakad Moti, and Kachigam. Could you please provide the exact location of the project, along with its starting and ending dates? I would be extremely grateful if you could share this information or any additional details regarding the project. Your kind support in this matter is highly appreciated. Thank you for your assistance. What is the exact project.		
Reply of Application		Dear applicant, Regrettably, information could not be provided to you because, without indication of jurisdiction of the project office under which the areas given by you fall obtaining information is difficult. However, effort was made to obtain information from the projects in Mumbai, Ahmedabad and Vadodara but in vain. In view of the above, please provide the name of the project office under the jurisdiction of which the areas indicated by you fall. Since the PIOs office is at Corporate Noida and not a centralized unit for the purpose of providing information it obtains information from the record holding office situated in different locations. Hope you appreciate the efforts made in this regard.
