Jaipur, dated : 21 January 2015

*Dear Sir,*

This is the third letter in the series of three letters that I am writing to you regarding concerns of Rajasthan in the upcoming Railway Budget.

Railways have sanctioned 25 ROBs at different locations in the State on cost sharing basis. The State Government is willing to allocate funds for the ROBs as per enclosed list (Annexure-A).

In addition to the above, new ROBs may also be sanctioned by Railways. The Government of Rajasthan is willing to contribute 50 percent cost for the same, as per extant instructions of Ministry of Railways. A list of the new proposed ROBs is enclosed as Annexure-B.

I trust these requests of ours shall also merit your favorable consideration.

With warm regards,

Yours sincerely,
