1	According to the information through RTI, final cut off marks for final merit of OBC is 64.39 and my stage 1 marks is 44.33 (with 70 percent weightage) and psychometric test marks is 20.07, by adding these marks my final marks will be 64.40 which is above cut off marks then I would like to know why I am not selected.	The candidate has not qualified the Psychometric test. As mentioned at para 8 in the instructions on Admit-Card for psychometric test, Psychometric examination was of qualifying nature and marks obtained by the qualified candidates in the Psycho Test will be given weightage of 30% while preparing for final merit list. Sh. Omprakash has not qualified the Psychometric Test, so he was not selected.
