Question raised in RTI query by the Applicant	Remarks of DFCCIL/Noida Unit on the query
1. Please provide details of Railway over bridges and under passes that will be constructed near Tilpata and Makora Roundabouts on 130 m road, Greater Noida.	<p>DFC Railway Track is crossing 130m wide road in village Tilpata just near to roundabout of the road. Since, the crossing of railway track is on ground, hence, the existing 130m road is required to be crossed through a Road over bridge over the DFC Track.</p> <p>As per the approved General Arrangement Drawing from Greater Noida, two Road over bridges of 14.5m width are being provided for main roads (for up and down directions).</p> <p>In addition to the above, for both the service roads on either side of the main road, Subways of size 10.5m (width) x 5.1m (height) are being provided.</p> <p>Further, vehicle under pass (VUP) of size 10.5m (width) x 5.1m (height) are being provided below the ROB on both side of approaches, to facilitate to and from movement below the ROB.</p> <p>Thus, all round movement of this 130m wide road has been facilitated with the construction of above ROB's/Subways/VUPs.</p>
2. What provision will be made for paramount Golfforeste society residents for crossing proposed WDFC railway lines.	The Golfforests society is just abutting the service road of this 130m wide road and all type of movements for entry/exist into the society can be made through the above DFC bridge arrangements proposed over 130m wide road by DFCCIL.
