

ACTION HISTORY OF RTI FIRST APPEAL No.DFCCL/A/E/21/00074

Applicant Name	Anushree			
Text of Appeal	<p>Appeal is filed on the following points of original RTI Application number DFCCL/R/E/21/00676 – Point No 2.1 : The PIO has simply denied to supply the information by just replying “RTI Act do not cast on the Public Authority to answer queries in which applicant elicits the answer to question with prefixed such as why, what, when & whether.” Just a line start with “WH” does not invalidate the right of the Applicant to get access to the Information. Hence, it is once again requested to provide procedure of back ground verification for verification of 3 years post qualification experience for the candidates having other than Government/Semi-Government/Public Sector Undertaking/ Autonomous bodies experience. Please provide List of candidates having other than Government/Semi-Government/Public Sector Undertaking/ Autonomous bodies. Point No. 2.1 to Point no 4: The PIO has denied information on an irrational ground that As per RTI Act, the Public Authority is expected to provide the information which is available & not required to collect and compiled the information nor is he expected to create a fresh one. There is no provision in RTI Act for this. Even as per Section 7 (9) “Information shall ordinarily be provided in the form in which it is sought unless it would disproportionately divert the resources of the public authority or would be detrimental to the safety or preservation of the record in question.” The Information requested under point 2.1 to 4 of original application should have readily available at DFCCL headquarters as these information of pre-check by nature to eligible before interview. Point No 5 : The PIO has denied to supply information by invoking section 8(1)(j) of RTI ACT 2005 citing that Information is relates to personal information and would cause unwanted invasion of the privacy of the individuals. It is submitted that Information requested is not in personal nature. Information is requested for Roll Number wise. Supplying information roll number wise does not harm privacy of any individual. Same type of information is provided by the DFCCL to applicant under point number 1 of the same RTI Application by hiding information which is in personal in nature (e.g. contact details of candidates). Hence, it is requested to please instruct the concerned official to supply information as denied under reply of original application on unjustified reasons.</p>
