Sl.	Information Sought	Information provided
1.	What are the procedures for transferring pending NPS funds from a corporate entity (PSU) that only provides employer contributions to a central government entity where both employer and employee contributions are mandatory?	DFCCIL Policy for introduction of NPS was issued on 01.05.2020. Thereafter, all NPS account were opened for the employees those who were on the roll of the organization.
2.	Could you confirm if the pending pension fund with my previous employer, DFCCIL, can be directly deposited into my bank account, as per office order HQ-HROCOPO(HRP)/2/2020- HR-COORD AND POLICY/NPS, considering I am no longer employed with DFCCIL?	Sh. Priy Ranjan Yadav, the applicant resigned from DFCCIL and relieved on 06.07.2019 i.e. prior to the date of introduction of NPS Scheme in DFCCIL. The scheme was implemented w.e.f. 01.01.2017. The employees who resigned DFCCIL and joined other Government organization/PSUs through proper channel their contribution towards NPS can be transferred to the new employer only based on a request received from the employee through his present employer because it cannot be deposited directly by DFCCIL as he opened NPS Account after joining to the new employer.
3.	Please outline the steps I should take, as my current employer's PAO is refusing to issue a request letter, stating that the responsibility for uploading the NPS contribution lies with DFCCIL. They argue that NPS bills are system-generated and must be recorded under the appropriate head of accounts. Since my NPS account was created under my current central government employer. DFCCIL may be unable to deposit the pending funds without this letter.	
4.	Please provide guidelines on how to settle the pending NPS pension fund with DFCCIL (a PSU) under these circumstances, in accordance with the DFCCIL NPS pension scheme. given that I am no longer employed by DFCCIL (Order Attached).	
5.	Please provide any relevant guidelines or advice on which party I should approach to resolve this issue.
