

ACTION HISTORY OF RTI FIRST APPEAL No.DFCCIL/A/E/23/00070				
Applicant Name		umeshkumar kuril		
Text of Appeal		<p>The Information sought in the application is about an employee of the Eastern Dedicated Freight corridor and is/has to be available with the Eastern Dedicated Freight corridor. But the application has been rejected outrightly with reply "No such information is available with DFCCIL." How is it possible that DFCCIL has no records of its employee as any company will have its list of employee readily available. To help identify DFFCIL the applicant has also shared his mobile number which can be used to identify the uniqueness of employee in case of ambiguity as two employee will not use the same mobile number. The specific employee whose information is sought has claimed to applicant himself that he is from DFFCIL and has interacted through the given mobile number in regards to the complaint of the supplier. Hence the applicant hereby request the FAA to direct the PIO to provide the information sought. Denying the information to the applicant will lead to significant loss to the applicant and other citizens of the village dharmangadhpur who have been impacted by the soil acquisition by DFFCIL</p>		
Reply of Appeal		<p>Dear appellatant, Your appeal has been considered and found that the information provided by the PIO is just, complete and is in order. On the basis of mobile number nothing can be provided. Hope the position is appreciated. The appeal is thus disposed.</p>
