Sub: Disposal of 1st Appeal

Ref: Your appeal dated 21.04.18 & 08.06.18.

Your appeal dtd. 21.04.18 has been considered in this office vis-a-vis RTI application. It is found that the replies/information provided to you by the CPIO vide this office letter of even number dated 27.03.18 is complete and just.

However, on receipt of your appeal the same was examined in consultation with the information holder who has also backed their earlier position. It is also a fact that you, vide your appeal, have gone beyond your original points at S. No. 1,3 & 6 and even quoted this office letter dated 28.02.18 which was sent to you in response to your earlier RTI application which is out of context in this particular case. It may be appreciated that an appeal is considered only in the context of the items raised in the particular RTI application which have been appealed against not beyond that.

Your above appeals are hereby disposed of.
