Subject: Disposal of Appeal under RTI Act.2005

Ref: Your Appeal dated 26-12-2017 received in this office on 27-12-2017.

On examination of your appeal it is found that you have preferred two RTI applications dtd. 25.10.17 and 27.09.17 and the points, on which you have sought for information are found to be common except for point No. 1 in your RTI application dtd. 27.09.17.

I have personally verified both the cases and found that replies to point No. 2 & 3 (common in both the applications) have been given by the CPIO under letter No. 2017/HQ/Admin/RTI-225 dtd. 28.11.17 (copy enclosed). Since the relevant lease policy followed by DFCCIL has been provided to you the same suffices the query made at point No.2 i.e, *whether DFCCIL follows DPE guidelines or not.*

So far as your appeals dtd. 28.10.17 and 26-12-2017 are concerned, since the replies to your RTI applications 27.09.2017 have already been sent, reply to only point No. 1 in your RTI application dtd. 27.09.17 remains to be given. The information i. r. o. the said point No. 1 has been collected from the Deemed CPIO and the same is enclosed.

I hope you appreciate the above position duly connecting the replies to your RTI applications.

With this your appeals dated 28.10.17 & 26.12.17 are disposed of.
