Subject : Providing information w.r.t. Original Application received under the RTI Act.2005.

Reference : Original Application dated 28.11.17 and Appeal dated 15-02-2018

Your above appeal has been gone through and it is found that you have sought for clarification/action by DFCCIL with respect to your propositions which seems hypothetical. You have advised DFCCIL what it should do or not to do with respect to the sub-contractors. It is however found that the information supplied to you by the CPIO vide letter of even number dated 29-01-2018 matches to your queries as the same is proper and just.

With this position your above referred appeal is disposed of.
