New-Delhi: 05.12.2017

Deputy Director/Infra
Railway Board,
New Delhi-01

(Kind attention: Shri Amitabh Joshi, DD Infra)

Subject: Providing information w.r.t. Original Application received under the RTI Act.2005.

Reference: DD/Infra's letter no. 2017/Infra/15/RTI dtd. 27.11.17 received in DFCCIL on 30.11.17.

Vide Railway Board's above referred letter two RTI applications have been received in this office, one from Shri Manish Chaudhuri and one from Shri Vaibhav. Out of the two applications received, one application has already been dealt with under the Act and the final reply is being sent. Whereas, on perusal of the application of Shri Vaibhav it is observed that he has very categorically sought for information on the actions taken by Railway Board in respect of new Land Acquisition and Rehabilitation Bill 2013.

As DFCCIL being not the custodian of the information sought for by the applicant the application of Shri Vaibhav is transferred back to Railway Board under the relevant clause of the RTI Act. for necessary action.
