Eastern Dedicated Freight Corridor.

IFP No.HQ/SYS/EC/D-B/MGS-DGO & KWDN-CPBH-SEBN

Pre-Qualification for System Works

RESPONSES FOR PRE-SUBMISSION QUERIES OF THE APPLICANTS

S N	Reference to PQ Document	Clarification sought by the applicant	DFCC's Response
10	Section III. 2.0 Qualification Criteria and Requirements, Sub- Clause No. 3.2 (ii) Page No. 30 of 60. Detailed designing of minimum 01 TSS in at least one completed work for 2x25 kV system on Railway/Metro Rail/Suburban Rail transit system.	As evident from the above sub-clause no. 3.2 (i) (<i>Section III. 2.0 Qualification Criteria and Requirements</i>), the applicant shall meet the design qualification for 25kV/ 2x25kV Over Head equipment. On the similar lines we would request for an amendment in the subject clause as per below: “Detailed designing of minimum 01 TSS in at least one completed work for 25 kV / 2x25 kV system on Railway/Metro Rail/Suburban Rail transit system”.	Provision of PQ document shall Prevail.
