Annual Procurement Plan for the Financial Year 2017-18

- 1.0 Based on current trends, Total Annual Procurement by DFCCIL for the Financial Year 2017-18 is likely to be Rs. 3060 Cr. and Total Procurement from MSEs is likely to be Rs. 2.868 Cr. The details are indicated in Annexure.
- 2.0 As per Public Procurement Policy for Micro and Small Enterprises (MSEs) Order, 2012, it is mandatory to procure minimum 20% of Goods and Services from MSEs in a financial year. The following problems are being faced by DFCCIL, in the implementation of this policy:
- (i) The Western Dedicated Freight Corridor (WDFC) is being funded by the JICA under the STEP (Special Terms for Economic Partnership) Scheme of the Govt. of Japan. The procurement procedures for WDFC are being followed as per the loan conditions of funding agency i.e. the JICA. As such, mandatory provision of 20% under the Public Procurement Policy for MSEs Order, 2012 will not be applicable for procurement carried out/being carried out for **WDFC**.
 - (ii) The Eastern Dedicated Freight Corridor (EDFC) is being funded by the World Bank. The procurement procedures for EDFC are being followed as per the loan conditions of funding agency i.e. the World Bank. As such mandatory provision of 20% under the Public Procurement Policy for MSEs Order, 2012 will not be applicable for procurement carried out/being carried out for **EDFC**.
 - (iii) For Security and Allied Services being provided through DGR sponsored Agency, the mandatory provision of 20% under the Public Procurement Policy for MSEs Order, 2012 will not be applicable. However, provisions as per Public Procurement Policy for MSEs Order 2012 are being made in the tender documents.
 - (iv) More than 20% of Goods comprising of Sundry Items i.e. Stationary, Furniture etc. are being procured from the Kendriya Bhandar who are procuring these items from MSE Vendors. As such, this will be treated as compliance of Public Procurement Policy for MSEs Order, 2012.
 - (v) In case of Services, it may not be possible to achieve mandatory provision of 20% procurement, since it may not be possible to split services for a single service contract. Therefore, in case of Service Contract, the provision of MSEs will not be applicable. However, provisions as per Public Procurement Policy for MSEs Order 2012 are being made in the tender documents.
