63.0 Conciliation of Disputes through Mediation Act 2023.

Any Dispute (of any kind whatsoever) which arises between the Parties (DFCCIL and O & M Contractor) in connection with, or arising out of, this Contract shall, first of all, be attempted to be amicably settled by the parties through Alternate dispute resolution (ADR) mechanism such as Institutional Mediation or Dispute Adjudication Board. In this direction, the Party aggrieved shall notify, within 30 days of becoming aware of their entitlement, the intention to commence Mediation.

63.1 Mediation agreement-

- i) The Parties agree to try to settle the Dispute by mediation as per the provisions of this Agreement and unconditionally agree to its terms.
- ii) Parties shall approach '**The Delhi High Court Mediation Centre (named 'Samadhan')**' for amicable settlement under the **procedural Rules contained in Delhi High Court Mediation and Conciliation Rules, 2004** and under the Law governing the Mediation as contained in **Mediation Act 2023** [standalone law on mediation as provided under section 1 (3) of the

Mediation Act, 2023, some provisions of the Act have been notified vide **gazette notification dated 09.10.2023**].

- iii) Participation by the Parties in the mediation shall be voluntary at all times and that the Parties may withdraw from the mediation at any time but agree that prior to doing so they shall consult with and discuss such proposed departure with the Mediator.
- iv) A party may (a) withdraw from the mediation at any time during the mediation, (b) be accompanied to the mediation, and assisted by, a person (including a legal advisor) who is not a party, or (c) obtain independent legal advice at any time during the mediation.(d) the Parties and the Mediator, having regard to the nature of the dispute, shall make every reasonable effort to conclude the mediation in an expeditious manner which is likely to minimise costs. (e) Subject to the provisions of this Agreement and subject to the confidentiality of the mediation, the Mediator may withdraw from the mediation at any time during the mediation by notice in writing given to the Parties stating the Mediator's general reasons for the withdrawal.
- v) A withdrawal by the Mediator from the mediation shall not of itself prevent the Mediator from again becoming the mediator in the mediation. (a) Where the Mediator withdraws from the mediation, the Mediator shall return the fees and costs paid in respect of that portion of time during which the Mediator was paid to act as the Mediator and for which he or she will no longer act as the mediator. (b) It is for the parties to determine the outcome of the mediation. (c) The fees and costs of the mediation shall not be contingent on its outcome.
- vi) The Mediator shall (a) during the course of the mediation, declare to the Parties any actual or potential conflict of interest of which he becomes aware or ought reasonably to be aware as such conflict arises and, having so declared, shall, unless the Parties agree to him continuing to act as the mediator, cease to act as the mediator,(b) act with impartiality and integrity and treat the Parties fairly,(c) complete the mediation as expeditiously as is practicable having regard to the nature of the dispute and the need for the Parties to have sufficient time to consider the issues, and (d) make every reasonable effort to ensure that the Parties are aware of their rights to each obtain independent advice (including legal advice) prior to signing any mediation settlement.(e) The outcome of the mediation shall be determined by the mutual agreement of the Parties and the Mediator shall not make proposals to the Parties to resolve the dispute.(f) The Mediator may, at the request of all the Parties, make proposals to resolve the dispute, but it shall be for the Parties to determine whether to accept such proposals.
- vii) The Parties agree that, as required by law, all communications (including oral statements) and all records and notes relating to the mediation shall be confidential and shall not be disclosed in any proceedings before a court or otherwise save that this provision shall not apply to a communication or records or notes, or both, where disclosure (a) is necessary in order to implement or enforce a mediation settlement, (b) is necessary to prevent physical or psychological injury to a party, (c) is required by law, (d) is necessary in the interests of preventing or revealing (i) the commission of a crime (including an attempt to commit a crime), (ii) the concealment of a crime, or (iii) a threat to a party.
- viii) The Mediation shall continue during the time allotted and shall determine upon the happening of any of the following events:(a) the Parties reach agreement to settle their Dispute and such agreement is recorded in writing and signed by both Parties;(b) one or more or all of the Parties withdraw from the Mediation; (c) the Mediator decides to discontinue the Mediation;(d) the Mediator decides for any reason that he ought not to continue as Mediator.
- ix) The Parties agree that all the costs of the Mediation, the fees and expenses of the Mediator, (together with any reasonable outlay expended by the Mediator in respect of the Mediation), shall be borne by the Parties equally.

- x) The Parties agree that the Mediator shall not be liable to the Parties in contract, tort (including negligence and/or breach of statutory duty) or otherwise howsoever except for fraud or fraudulent misrepresentation.
- xi) When the Parties Reach agreement on a settlement of a dispute , they may draw up and sign a settlement Agreement. If requested by the Parties, the mediator may draw up or assist the parties in drawing up, the mediation Agreement. When the Parties sign the Settlement Agreement, it shall be final and binding on the parties and persons claiming under them respectively. Mediator shall authenticate the settlement agreement. The settlement agreement shall have the same status and effect as if it is an Arbitral award on agreed terms on the substance of the dispute rendered by Arbitral tribunal under **section 30** of Arbitration Act. In terms of **section 27.(2) of Mediation Act 2023**, a mediated settlement Agreement enforced in accordance with the provisions of the Code of Civil Procedure in the same manner as if it were a judgment or decree passed by a court, and may, accordingly, be relied on by any of the parties or persons claiming through them, by way of defence, set off or otherwise in any legal proceeding.
- xii) In terms of **Mediation Act 2023 section-49** (Chapter XI-Miscellaneous) the settlement arrived at shall be signed only after obtaining the prior written consent of the Competent authority of DFCCIL.

The above Mediation agreement shall be subject to any revisions/ modification in case of any deviation found viz a viz Mediation Centre procedural rules or law governing the mediation i.e Mediation Act 2023. In case, the above stated mediation does not result in parties reaching an agreement and Parties agree that further efforts at mediation are no longer justified, the mediation proceedings shall stand terminated.

This Agreement shall continue to survive termination, completion, or closure of the Main Agreement (O & M Contract).

63.2 Dispute Adjudication Board (DAB): Any dispute/s if not settled with the Engineer or through Mediation, shall be referred to DAB

63.2.1 The DAB shall consist of a panel of three Adjudicators from the List of Empaneled Arbitrators/Conciliators maintained by DFCCIL. The DAB shall be formed within 90 days of signing of Contract Agreement. For this purpose, a Panel of DAB members shall be maintained in the DFCCIL Corporate Office, Sector 145, Noida, G B Nagar, UP. The complete Panel, which shall not be less than five members, shall be sent by DFCCIL to the Contractor to nominate one member of the DAB from the panel as Contractor's nominee within two weeks of receipt of the Panel. On receipt of Contractor's nominee, the MD/DFCCIL shall nominate one member from the same Panel as DFCCIL nominee for the DAB. Both above nominees shall jointly select the presiding member of the DAB from the same Panel.

63.2.2 The General condition of Dispute Adjudication Agreement is laid down in **Annexure- I**. The appointment of DAB shall be effectuated by way of a tri-partite DAB Agreement among the DFCCIL, Contractor and the respective DAB members as per format of **Annexure - III**. The terms of the remuneration of each member shall be as fixed by DFCCIL from time to time. Each party shall be responsible for paying one-half of this remuneration.

63.2.3 If one or more of the members appointed refuses to act as DAB member, or is unable or unwilling to perform his functions as DAB member for any reason whatsoever or dies or in the opinion of the MD fails to act without undue delay, the parties shall terminate the mandate of such DAB member and thereupon new DAB member shall be appointed in the same manner, as the outgoing DAB member had been appointed.

63.2.4 The appointment of any member may be terminated by mutual agreement of both Parties, but not by the DFCCIL or the Contractor acting alone. Unless otherwise agreed by both the Parties, the appointment of the DAB (including each member) shall expire upon expiry of this Contract Agreement.

63.2.5 Before start of DAB proceedings, each DAB member shall give the following certificate to the DFCCIL and the Contractor:

"I have no any past or present relationship in relation to the subject matter in dispute, whether financial, business, professional or other kind. Further, I have no any past or present relationship with or interest in any of the parties whether financial, business, professional or other kind, which is likely to give rise to justifiable doubts as to my independence or impartiality."

63.2.6 DAB proceedings shall be conducted as per Procedural Rules to Dispute Adjudication laid down in **Annexure - II**. The DAB shall give its decision within 84 days of a Dispute referred to it by any of the Parties, duly recording the reasons before arriving at the decision. The DAB shall decide the issue within terms and conditions of the contract. This time limit shall be extendable subject to the Parties mutual agreement.

63.2.7 In case any party is not satisfied by the decision of DAB, then the aggrieved party may, within 28 days after receiving the decision, give notice to the other Party of its dissatisfaction. If the DAB has given its decision as to a matter in dispute to both Parties, and no notice of dissatisfaction has been given by either Party within 28 days after its received the DAB's decision, then the decision shall become final and binding upon the Parties.

63.2.8 No dispute shall be referred to Arbitral Tribunal unless the same has been referred to DAB for adjudication. However, in case DAB is not formed due to any reason, the disputes can be directly referred to Arbitral Tribunal to adjudicate the dispute.

63.2.9 In the specific cases of any misconduct by any of the members of the DAB, the parties shall have the right to specifically bring it to the notice of the DAB such conduct, through a statement filed with necessary documents in proof of such misconduct and the DAB, after taking NOTICE of such conduct initiate the replacement of the member concerned, in the same manner the member to be replaced was appointed.

63.2.10 Once the decision is given by DAB, DAB cannot review the decision at its own or on the request of one party, unless both parties agree for review of decision by DAB.

63.2.11 In case DAB decision is not challenged, or no Notice of Dissatisfaction has been issued by either Party within 28 days of receipt of decision of DAB, the decision shall be considered as final and parties would be barred for referring the same to Arbitral Tribunal for adjudication.

63.2.12 The obligation of the DFCCIL and the Contactor shall not be altered by reasons of issue being

or under reference to DAB.

63.2.13 The DAB shall conduct the proceedings at any convenient venue which shall be decided by DAB in consultation with parties.

63.2.14 It is a term of this contract that the Parties shall not approach any Court of Law for settlement of such disputes or differences unless an attempt has first been made by the parties to settle such disputes or differences through DAB.

64.0 Demand for Arbitration:

In case of mediation proceedings, as mentioned above, being terminated, under section 24 of Mediation act 2023 and the dispute is also not settled by DAB, the parties shall refer their dispute to Arbitration. In this direction, Parties shall approach Delhi International Arbitration Centre (DIAC) for domestic Institutional Arbitration under DIAC procedural Rules of Arbitration and under the Governing Law/Law of the Arbitration Agreement-Arbitration & Conciliation Act 1996 (as amended on the date of Bid submission) with applicable Indian Laws [Applicable Law- shall mean, all Indian Laws, Bye-Laws, Statutes, Rules, Regulations, Orders, ordinances, guidelines, Codes, Notices, directions, Judgments, decree] being the substantive laws / Law of the Contract, the Seat of the Arbitration shall be New Delhi and Hon'ble Court of appropriate competency at New Delhi shall have exclusive jurisdiction.

- (c) DFC Railroad Manual and Indian Railway Track Machine Manual as updated on date of opening of tender. An updated copy of above manual/documents is available on Indian Railway web site [Indianrailways.gov.in/Railway board](http://Indianrailways.gov.in/Railway).
- (d) Schedule of Dimensions (SOD). (An updated copy of above manual/documents is available on Indian Railway web site [Indianrailways.gov.in/railway board](http://Indianrailways.gov.in/railway) and DFCCIL SOD).
- (e) DFCCIL's General & Subsidiaries rules (Copy may be collected from DFCCIL), and
- (f) DFCCIL's SHE Manual (An updated copy of this manual is available on DFCCIL web site).

Note: Changes made in above documents during execution of contract will be communicated to the O & M contractor by DFCCIL under clear acknowledgment. Subsequent changes after the date of opening of tender including correction slips to above documents will be applicable only when revision of rates, terms and conditions are worked out with mutual consent.

1.5 Obligations of Contractor & DFCCIL are incorporated in tender documents & important obligations on both parties are summarized below:

(a) **Contractor's obligations:**

- i) Maintain the BRM as per OEM Maintenance manual by providing timely consumables, spares and maintenance staff etc. by his own manpower.
- ii) Ensuring availability of agreed scale of staff for operation (movement, shifting and working) and maintenance of track machines.
- iii) Ensuring availability of Machines for working 25 days in month (150 days in a half year) except during IOH and POH periods.
- iv) Offer the Track Machines timely to DFCCIL for obtaining traffic block and avail traffic block as granted.
- v) The block timings may be different depending upon the traffic pattern and shall be advised to the supervisor in advance, who will ensure that the machine is offered with due daily maintenance at least 30 minutes before the tentative block time.
- vi) Will arrange proper lighting for night block working. Furthermore, for any Machine working related manpower working on the cess, additional flashlights would be provided to ensure safety while walking the track.
- vii) Carry out the O & M of Various Track Machines by his own Machine Experts, Supervisors, Operators, Technicians and Helpers.
- viii) O & M Contractor will try to optimize the utilization of traffic blocks.
- ix) Indemnify the DFCCIL and maintain insurance as per contract.
- x) Provide accommodation and transport facilities to its staff.
- xi) The contractor will ensure validity of competency of staff and for this purpose he will spare the staff in time for refresher courses, Periodical Medical Examination at his own cost and shall arrange suitable replacement at par with Indian Railway Track machine operators.

- xii) Contractor will supervise the O & M activities and other associated activities at its own cost and ensure safety at work site.
- xiii) Shall maintain the record and submit periodical progress/information/reports as per contract.
- xiv) Shall make arrangements to expeditiously clear the block section in case of failure/derailment & of any Track Machine by his own means and at his own cost.
- xv) Any damage repair to the track due to any malfunction of Machine or due to any negligent activity of Machine staff shall be contractor's responsibility & the contractor has to bear all consequential damages due to this.
- xvi) During breakdown maintenance, O & M Contractor shall provide:
 - a. All necessary manpower needed to restore the BRM for operation.
 - b. All additional manpower and specialists for immediate troubleshoot and repair in the least possible time.
- xvii) Contractor shall ensure that all precautions to be taken while working in Track circuited area is observed as per **Para 279 of IRPWM**.
- xviii) After completion of days/night work contractor shall ensure that all equipment, tools and plants are cleared before leaving the site. No material whatsoever shall be left behind on track.
- xix) The contractor shall ensure that all his staff wear proper uniform with personal protective equipment including helmets, safety shoes and illuminated jackets etc. while working.
- xx) The contractor shall take all necessary safety measures & precautions, and the contractor shall be entirely responsible for the safety & security of his men & materials.
- xxi) Contractor shall provide Photo-identity cards to all his staff & supervisors.
- xxii) Shall Adhere to statutory laws.
- xxiii) To deploy competent staff fulfilling necessary medical requirements. Medical examination at nominated medical hospital/Health centre and charges of medical examination will be borne and paid by contractor.
- xxiv) While working on double/multiple line sections and part of BRM shall not infringe the adjoining track, and it must be possible to permit trains at full speed on that track. If considered unavoidable for working, any infringement of the adjoining track shall be allowed only after obtaining the traffic block of that track.
- xxv) The cost of all Manpower and Service Engineer (including of OEMs) required for all doing schedules of maintenance prescribed in OEM Maintenance Manuals are included in agreed rates of all items of Schedule A, C and D of SOR of this RFP.
- xxvi) The safe upkeep, storage and record updating of the spares and tools as supplied by the bidder shall, be the responsibility of the bidder himself.
- xxvii) In case of repair of Proprietary software/related hardware of the electronic components of the various Track Machines, Contractor has to transport the part to their nearest workshop at his own cost.
- xxviii) The Cost of all consumables (all type of oils (except HSD), all types of lubricants , all type of filters and Breathers) required to be replaced/topped in any maintenance schedule (Starting from Daily Schedule to POH Schedule) are covered in LS rate of all Items of Schedule A of this RFP.
- xxix) If any of the worker deployed by the Contractor in DFCCIL indulges in theft or any illegal/irregular activities, misconduct, the Contractor will take appropriate action as per law and rules against its erring worker in consultation with DFCCIL and intimate the action taken to DFCCIL.

(b) DFCCIL's obligations:

- i) To ensure timely availability of work site to O & M Contractor.
- ii) To ensure availability of correct and reliable track survey data.

- iii) Removing all axle counters/HABDs before Machine working and refixing the same after Machine working.
- iv) Carry out pre and post block activities.
- v) Provide look out men for safety of track and workers during block as per conditions of contract.
- vi) To communicate changes made in IR/DFCCIL manuals/codes i.e. IRPWM, G&SR, IRTMM etc. to contractors.
- vii) DFCCIL will provide the required training of contractor's staff regarding track protection, G & SR and issue valid competency certificate on payment basis.
- viii) DFCCIL will provide and impose Speed Restrictions required for the work (if required).
- ix) DFCCIL will erect caution indicator boards, speed indicator boards and termination boards at appropriate locations as per prevalent speed restriction.
- x) DFCCIL will ensure timely availability of competent DFCCIL staff to submit requisition for traffic block, obtain and clear traffic block after completion of work. Based upon the track parameter, suitable speed at which traffic shall be opened will be mentioned by the competent DFCCIL staff in block clearance memo.
- xi) DFCCIL will depute sufficient support staff (Engineering, S&T etc.) as per requirement during working of machine including look out/safety men for ensuring safety of track, train and workers at its own cost.
- xii) DFCCIL will ensure timely shifting of track machines by providing path and Competent DFCCIL(LP/ALP), wherever required.
- xiii) DFCCIL will provide suitable sidings/track for stabling of track machines, nearest possible to work site. The nearest stabling line may not be available for a brief period due to some unavoidable circumstances, in such cases no extra claim shall be admissible.
- xiv) After work the block section should be cleared at the earliest and if contractor is not able to clear the block section in case of failure/derailment of Machine . In such cases requiring DFCCIL's assistance of loco/ART/MFD van etc, the penalty as per contract will also be levied by DFCCIL on O & M contractor.
- xv) DFCCIL will examine the bills submitted by the contractor and will make payment timely as per contract conditions.
- xvi) DFCC will provide free access to Contractor's operation and maintenance team members/vehicles/tools etc. The contractor will notify DFCCIL about the arrival of tools/heavy spares carrying vehicles for maintenance of the Machine well in advance, if it is expected after normal working hours.
- xvii) Wherever required, all necessary permissions have to be ensured by DFCCIL.
- xviii) DFCCIL shall intimate about the working hours well in advance, preferably one day in advance. Before the end of each day's work the contractor shall be advised in writing by DFCCIL of the commencement time and duration of the following day's occupation(s).
- xix) O & M Contractor shall be allowed sufficient time on- track to calibrate and adjust the machine as part of the preventive maintenance of the machine. This time will be outside the scheduled occupation periods and will not be included in any of the Contract Measurements.
- xx) The live electric/signaling/telecom cables will be removed by concerned DFCCIL staff at their cost.
- xxi) Any item which is not specifically included in the scope of O & M contractor will be carried out by DFCCIL either departmentally or through other agencies.
- xxii) Adhere to all its obligations as per O & M Contract conditions.

1.6 GENERAL REQUIREMENTS

- 1.6.1 The O & M Contractor has to execute the work of Operation & Maintenance of various Track Machines which will be deployed over pan DFC network as per the instructions of DFCCIL.

During the execution of the contract HSD is to be provided by DFCCIL free of cost to the O & M Contractor at Stabling siding. The cost of all consumables, manpower and other logistics required for operation and maintenance of machines are included on contract price excluding cost of HSD oil.

- 1.6.2 The O & M Contractor is responsible for ensuring the availability of machines for 8 hour every day for Machine working (which might be increased by up to 2 to 3 hours depending on traffic condition over DFCCIL during operation). During the maintenance shift, the stipulated Scheduled Maintenance and preventive checks of Machines of all assemblies (like engines, generators, electrical control system etc.) or sub-assemblies (various water & HSD oil pumps, sensors etc.) as specified by OEM in Various OEM/Machine Manufacturer Maintenance manuals to ensure its upkeep shall be carried out.
- 1.6.3 The timings of the shift are not fixed and will change depending upon corridor block timings. However, overall shift time shall be 8 Hrs in a day. Roster of shift shall be issued by the respective field unit on weekly basis.
- 1.6.4 The machines will work on DFC tracks with the trains running on adjacent IR/DFC tracks. The O & M Contractor must ensure the care/safety/ health hazards of the labours engaged by him/her during the course of the execution of work. Necessary safety equipment shall be provided by the O & M Contractor for the staff engaged by the him. No extra amount is payable for this.
- 1.6.5 O & M Contractor shall provide adequate and appropriate security at their disposal to protect and preserve the Machine(s) from anti- social elements especially in insurgency defined areas, where the machine may be required to operate from time to time for which O & M Contractor shall arrange Insurance for Machine(s) and the cost of same will be reimbursed by DFCCIL on production of Premium payment receipts on time to time.
- 1.6.6 The Contractor shall be the principal employer of the workman and any other staff deployed by it in the DFCCIL and in no case there shall be a relationship of Employer and Employee between the DFCCIL and the said manpower. The manpower employed by the O & M contractor shall have no right, whatsoever, for any appointment in the DFCCIL in temporary/adhoc/ daily wages/ regular capacity based on their work in the DFCCIL territory.
- 1.6.7 Authorized DFCCIL's representative having route learning of the section where the Track Machines are working will be present for supervising the operation and to monitor the movement of the Machine from one section to another. The Track Machines shall not be move without authorized DFCCIL's representative.
- 1.6.8 All tools and plants, drawings, manuals which are supplied by the DFCCIL to O & M Contractor free of cost for use along with the Machines shall be handed over back to DFCCIL in working conditions after expiry of the contract period to DFCCIL authorized personnel.
- 1.6.9 When the Track Machine(s) is/are on transit from one station to another, there will be no routine maintenance, The Machine shall be made available for movement in two shifts of 10 hours each (2x10 hours) in 24 hours' time frame till it reaches destination. The staff of operation and maintenance should be so redistributed to perform transit work with sufficient staff.
- 1.6.10 Special cleaning of Track Machine should be carried out once a month with detergents and other cleaning agents to remove all soot, dust and to keep the entire Machine in good appearance. The machine will be stable at a place in OHE/non-OHE siding available so as to ensure proper cleaning. Patch painting at rusted locations should be done after cleaning with matching color. No extra amount is separately payable towards this.
- 1.6.11 Complete and up to date records for daily/ weekly/monthly and higher maintenance schedules

will be maintained by the contractor and counter signed by DFCCIL officials. The daily/50 Hrs./100 Hrs, 250 Hrs, 500 Hrs, 1000 Hrs progress reports (in mutually agreed formats) shall be mailed to the nominated DFCCIL official.

- 1.6.12 Each party agrees to indemnify, defend, and hold harmless the other party from all liability, cost or expense (including any court costs) caused by the joint and /or concurring negligence of the parties, arising on account of injury to or death of any employee, agent or representative of the indemnifying party during the performance of the Services or who shall, if not performing Services, be present as a bystander or otherwise on the property of either party, provided always, however, that if the injury or death to an employee of an indemnifying party is caused solely by the negligence of the other party then this indemnity and hold harmless provision shall be null and void, and the party who solely cause the injury or death shall bear the cost or expense. Notwithstanding any provision herein to the contrary, O & M Contractor's total cumulative liability for any or all claims arising out of this agreement shall not exceed the 10 % value of awarded Contract Amount.
- 1.6.13 The O & M contractor shall ensure compliance with all relevant Central/State laws and rules as applicable such as Tax Laws, Labour Laws and Insurance Laws etc with regard to this O & M contract and shall be solely responsible for the same and shall keep the DFCCIL fully indemnified against the liability of any Taxes, interest, penalty etc if any arising any connection with the contract The contractor shall indemnify the DFCCIL against any claim which may be made under various clauses mentioned in the bid document forming the part of contract agreement. If any accident occurs with any worker of the contractor while doing his job, the DFCCIL will not be liable in any way and the sole responsibility for payment of compensation, etc. will be of the contractor.

1.7 MAINTENANCE OF TRACK MACHINES

- 1.7.1 The Inspection and Maintenance of Machine(s) have/has to be done as per the OEM Maintenance Manual of Machine(s) and RDSO prescribed check list for Machine(s). The Selected Bidder can collect these two documents within 7 days of award of work. Within 30 Days of award of work, the O & M Contractors have to submit the Check list of items to be checked/replaced in daily, 50 Hrs, 100 Hrs, 250 Hrs, 500 Hrs, 1000 Hrs and 2000 Hrs schedule for DFCCIL approval and DFCCIL shall approve the same provided it is confirming to RDSO Check list items.
- 1.7.2 The maintenance role encompasses undertaking all schedule/periodic/ routine of various Track Machines including all assemblies (like engines, generators, Hydraulic system, Pneumatic system and electrical control system etc.) or sub-assemblies (various water & HSD oil pumps, sensors etc) as specified by O & M Contractor/OEM updated from time to time, either by day or night.
- 1.7.3 OEM recommended Oil and Lubricants shall be provided by O & M Contractor. The Details of same is mentioned in various maintenance manuals as indicted in above item No. 1.7.1.
- 1.7.4 The detailed methodology to be followed for providing spare parts required for smooth Maintenance of Machine are detailed in **Chapter – VI** (Methodology for Procurement of Various Machine Spare Parts by O & M Contractor) of this RFP.
- 1.7.5 Contractor will be responsible for upkeep of Machines along with preventive checks and schedule maintenance as whole.
- 1.7.6 Daily maintenance activities shall be strictly followed before/after of Machine working. Other prescribed schedule maintenance are to be performed at appropriate time intervals in the balance time available after offering the Machines for block working.

- 1.7.7 Routine maintenance of undercarriage systems shall also be undertaken by the contractor. All Workshop facilities to be arranged by contractor including repair of under frame system and for wheel turning. In case this contractor request DFCCIL to arrange the same from Indian Railway, then if possible for DFCCIL it will be arranged by DFCCIL on the cost of O & M contractor. The Pit facility may be provided by DFCCIL free of cost at New Dadri or any other station of DFC.
- 1.7.8 The O & M Contractor should maintain the inventory of consumables, critical spares Machine on Machine itself or at nearest place in order to minimize the duration of breakdowns and delays in the repair and operation. He should keep standby critical spare parts which require long procurement period.
- 1.7.9 O & M Contractor shall be responsible for mounting and dismounting unserviceable/ Serviceable/New components/parts/materials on the Machine. O & M Contractor shall be responsible for providing timely serviceable components/parts/materials of Machine.
- 1.7.10 The O & M Contractor shall prepare and send to DFCCIL the days scheduled for planned/scheduled maintenance of the track machines during the month at least 15 days before the beginning of the month.
- 1.7.11 All the fixtures on the Machine shall be maintained in good condition. All electrical, furniture, electronics, dash board, communication and all other fixtures available in camping coach to be maintained at all times in good fettle and at the end of the contract period.

1.8 MAINTENANCE OF RECORDS

- 1.8.1 Maintenance records during Schedule and breakdown maintenance shall be maintained in hard copy as well as soft copy in mutually agreed formats. These records are to be maintained in a register form and are to be kept in the machine itself. These records shall be provided to DFCCIL by the crew on the machine in a timely manner.
- 1.8.2 The contractor shall maintain the history book, logbook and all other documents prescribed for Machine as per IRTMM and any other document that may be prescribed further in due course of time.
- 1.8.3 The contractor shall compile and submit a standard daily report accurately depicting operational timings, delays, reasons for 'NO work', machine availability, progress achieved by each track machine and maintenance input given to machine. DFCCIL representatives will also sign this report on a daily basis. In case of difference of opinion, he will write his observations on the daily report submitted by the O & M contractor for his signature.
- 1.8.4 The signed joint daily report shall be the basis for invoicing and shall constitute DFCCIL's acceptance of day-to-day work apart from the completion of scheduled maintenance in a timely manner. Daily progress and history shall be mailed to the nominated DFCCIL official/s along with weekly and monthly progress reports in the prescribed format.

1.9 SPARE PARTS

- 1.9.1 The spare parts will be paid for by DFCCIL through Schedule B of SOR of this RFP.
- 1.9.2 During the currency of the contract, if certificate from DFCCIL (in any) required by Contractor for importing spare parts/material/testers/ equipment for Customs clearance will be provided by DFCCIL unit in required format for speedy clearance on arrival at port.
- 1.9.3 O & M contractor must maintain adequate liaison with the various OEMs of various parts of Machine to ensure a quick turnaround of the strategic reserves. It is desirable that O & M

contractor have a MoU regarding the supply of various spare parts of Machine(s).

- 1.9.4 During various maintenance schedules various Consumables (filters, oil, lubricants, Coolants, Hydraulic fluids) are to be replaced at regular interval and the lubricants/oils are also to be recouped on need basis. These consumables are to be procured timely to maintain minimum inventory level, depending on procurement lead time.
- 1.9.5 The Contract scope cover the overhauling of Engine of Machine. The Manpower cost required for overhauling of engine is covered in rates of items of schedule A, C and D of SOR of this RFP. The payment corresponding to cost of various spare parts utilized in doing engine overhauling will be done through Schedule B of SOR.
- 1.9.6 One vehicle in good condition with proper road permit and insurance of adequate capacity for transporting men and material required for day to day working have be provided by O & M Contractor without any extra payment for transporting his Manpower and various materials/spare parts of Machine(s).

1.10 Operation of track machines:

- 1.10.1 The Machines shall be ready to work sufficiently in advance before the proposed normal block timing as decided in weekly planning. For minimizing the travel time of Machine, the shunting operations should be done in advance, and Machine should be kept ready near the starter signal towards the block section where the Machine has to work. This shall be planned by the DFCCIL supervisor. The contractor is required to factor this in the daily required working hours of the staff.
- 1.10.2 To move the Machine from stabling siding to the work site and back, the DFCCIL shall provide the O & M Contractor with a staff, who is aware of the route to provide the directions for movement/travel. However, the O & M contractor will provide sufficient operators to move the machines in shift and will not refuse the movement of the machine.
- 1.10.3 Before the start of the new site/ shifting of Machine base stabling siding, a program will be prepared by the O & M contractor in consultation with sectional APM/DPM of DFCCIL and got signed by both the O & M Contractor and DFCCIL which will include the following:
- Location of the work
 - Location and length of stabling siding
 - Proposed schedule of blocks
 - Site specific precautions
 - Any other item as considered necessary for the work
- 1.10.4 Stabling track for Machine should be provided with sufficient external lights so as to make them capable of working at night. The contractor shall make his own arrangements for extra lighting at site for working in night.
- 1.10.5 During block all essential safety and other DFCCIL working rules shall be followed by the contractor as well as DFCCIL staff.
- 1.10.6 O & M Contractor shall furnish adequate VHF sets for crew communication for safe operation of Machine, this should include at least 8 hands free devices
- 1.10.7 In case of failure of Machine, the Contractor shall promptly inform the DFCCIL. Information should be provided on paper or electronically in a format which shall be specified by the DFCCIL. The format may be changed from time to time, as required by DFCCIL.
- 1.10.8 If any Machine breaks down during block and require DFCCIL/Railway's loco/haulage

arrangement, in addition to penalty for block bursting, a penalty of Rs. 2,00,000/- per case will also be charged to contractor and will be adjusted from his running bills. Similarly, if any Machine is derailed and required assistance of Railway crane/ART/MFD van for re-railing, in addition to penalty for block bursting, a penalty of Rs. 4,00,000/- per case for crane and Rs. 1,00,000/- for MFD van will also be charged to the O & M contractor and will be adjusted from his running bills. These rates are as on tender opening date. For every year on the anniversary of LOA the above penalty rates shall be increased by 3% compound.

1.11 Traffic block, speed restrictions

The O & M contractor will clear the traffic block on time. Block busting on account of O & M contractors will attract the following penalties per instance:

00-15 minute: NIL

15-30 minutes: Rs. 10,000/- 30-60 minutes: Rs. 20,000/-

> 60 minutes: Rs. 50,000/- per hour or part of hour

The above rates are as on tender opening date. For every year on the anniversary of LOA the above penalty rates shall be increased by 3% compounded.

- 1.12 Progress of work is likely to be affected due to various reasons, i.e. technical requirement of work, natural reasons, statutory reasons, DFCCIL account, O & M contractor account etc. Any penalty on the O&M Contractor would only be limited to reasons which can only be attributable to the O&M Contractor. No penalty or non-availability would be levied on account of Force Majeure, DFCCIL requirements, etc. related matters. Some of the reasons are indicated below (list is only indicative and not exhaustive):

SN	Reason	On account of
1	Shifting	DFCCIL Requirement
2	Flood	Natural
3	National Holiday (15 th Aug 2 nd Oct. and 26 th Jan)	Statutory
4	Force Majeure conditions	Force Majeure
5	No block	DFCCIL
6	Breakdown of Machine	Contractor
7	Working days lost on account of attending breakdown of Machine	Contractor
8	Non availability of Executive of Civil, S&T and LP/ALP or other DFCCIL staff essential for machine working/shifting/ movement.	DFCCIL
9	No/less staff at machine	Contractor
10	Accident on DFCCIL / Road user /trespasser / contractor account	As per joint inquiry report
11	SPAD (Signal passing at danger position by Machine Operator)	Contractor
12	Time consumed in arranging the Consumables/Spare parts of Machine by DFCCIL from OEM on specific written request of O & M Contractor.	Contractor

- 1.13 The contractor will offer Machine for work well before traffic block starts. If the Machine is not able to work on account of any reason, it will be recorded jointly by the contractor's representative and authorized DFCCIL staff. The progress will be monitored on a Half yearly basis. The Machine will be considered as available if days are lost on account of natural reasons (i.e like heavy rains etc), statutory reasons, force majeure conditions, derailment (on account of DFCCIL) and other DFCCIL accounts. In every month, 25 days are estimated to

be working day (including Sundays). The balance days are meant for maintenance functions during which time all maintenance activities are to be completed by the tenderer. No penalty will be levied on the contractor for loss of working days on account of DFCCIL, technical requirement, natural reasons, statutory reasons and Force Majeure conditions. If Machine is not available for a minimum of 150 days in 6 months (Month will start from date of actual commencement of O & M work) on O & M contractor account, the payment of LS Item of Schedule - A of SOR will be reduced proportionally and the penalty certificate will be rendered (as per enclosed **Annexure-V**). For example, if the machine is available for only 130 days, the reduced payment will be = $(130/150) \times$ the monthly payment shown in SOR item of Schedule A of SOR. In case contractor has made availability of Machine for working for more than 150 days in subsequent half year, then recovery already deducted in previous 6 months will be returned back for no of days in excess of 150 days. This adjustment will be made on a half yearly basis.

1.14 Requirement of Track machine staff

The contractor will provide competent staff for operation and maintenance of Machines.

- 1.14.1 O & M Contractor's Supervisor, operators, Technicians and helpers shall be of sound physical and mental health and shall not be more than 65 years of age.
- 1.14.2 The yardstick for Manpower deployment by O & M Contractor for various Track Machines are as under:

Name of Machine	Supervisor	Operator	Technician	Helper
BRM	1	2	2	2

- 1.14.3 For overall supervision, control and management of Machine and work, O & M contractors shall deploy one qualified graduate engineer having Degree in Civil/Mechanical/Electrical/Industrial engineering along with overall working experience of 8 years. If contractor is not able to initially deploy the qualified supervisor as above, or provide a replacement within 15 days, a penalty of Rs. 2,00,000/- per month (for part of month- on pro rata basis) per supervisor duly updated for PVC applicable duly updated for PVC applicable for items of schedule of A of SOR or part thereof will be imposed. Dy.CPM/DFCCIL is also empowered to stop the work with associated penalties under a situation of shortage of qualified track supervisors.
- 1.14.4 The O & M Contractor has to provide minimum manpower in different grades as detailed in Item No. 1.14.2 required for O & M of Machines.
- 1.14.5 Operators should be at least Diploma in Mechanical/Production/Industrial/Automobile/Electrical/Electronics/Instrumentation Engg. However, if operator is having more than 10 years of working experience in Indian Railway as JE/SSE/TMC, the above educational qualification will be exempted, and such operators will be deemed to have requisite educational qualification.
- 1.14.6 Technicians should be minimum ITI in any trade. However, if Technician is having more than 10 years of working experience in Indian Railway as Technician, the above educational qualification will be exempted, and such operators will be deemed to have requisite educational qualification.
- 1.14.7 Contractor's helpers should have minimum educational qualification of metric (10th pass).
- 1.14.8 All Machine Operators/supervisors must have with valid competency certificates in train operation (G & S R) issued by HHI/Noida. In case the initial/refresher course to be done for G & SR from

HHI/Noida during the currency of this contract, the same shall be done for the operators by the contractor at contractor cost. DFCCIL shall facilitate expediting the process. All the operators shall have valid PME certificate issued by Authorized Doctors of DFCCIL and all the Cost for medical examination connected with PME, shall be payable by the O & M Contractor.

- 1.14.9 All Machine Supervisors, Operators and Technicians must have valid Competency certificate for technical training related to O & M of Machines issued by either OEM of Machine of any Training center of Indian Railways.
- 1.14.10 At no pint of time any Supervisors, Operators and Technician shall be due for Initial Training /Refresher Training. The cost of this training has to be borne by O & M agency.
- 1.14.11 Contractor's Supervisors, Operators, Technicians and Helpers will be always fit in A-3 medical category during the currency of the contract. The classification of A-3 will be as per rules of Indian Railways. Contractor's staff will be required to undertake Periodical Medical Examination (PME) at designated hospitals of DFCCIL as per provisions of Indian Railway Track Machine Manual and G&SR.
- 1.14.12 If staff is less than the agreed scale of staff, penalty as under will be imposed

Operator - Rs. 5000/per day
Technician - Rs. 3000/per day
Helper - 2000/per day

Above penalty duly updated for PVC applicable for duly updated for PVC applicable for items of schedule of A of SOR but this provision will not be applicable during Occasional shortage (two instances in a year, with each instance lasting not more than 7 days) of staff, provided overall strength of machine operator & technician remain more than 70% of agreed strength in respective category.

- 1.14.13 The contractor should factor in the requirement of working hours, occasional extended working hours, workload and required progress, leave, weekly off, sickness of staff, labor laws, holidays, training, refresher courses, periodical medical examination, maintenance requirement of Machines etc. while working out staff cost. Contractor shall maintain the agreed scale of Manpower detailed at item No. 1.14.2 above for various Machines in each category during execution of work. O & M Contractor is advised to deploy multi-skilled operators capable and competent to operate and maintain Machines allied equipment's.

1.15 Competency and Training of Contractor's Operators, Technicians and Helpers:

- 1.15.1 Before deputing its staff for movement/operation/working of track machines, Contractor shall impart the necessary training to its operators and obtain competency certificate from DFCCIL. Before issuing Competency Certificates, DFCCIL will check the knowledge of the contractor's operating staff and only after satisfying himself shall issue the competency certificate. DFCCIL G & SR training will be provided by DFCCIL. However, Boarding, lodging, transportation to training premises/site will be borne by contractors. In case, contractor imparts technical training at OEM's premises, the entire cost of such training shall be borne by the contractor.
- 1.15.2 Before deputing its staff for movement/operation/working of track machines, Contractor shall impart the necessary training to its Technicians.
- 1.15.3 The track machine staff deployed by the contractor will fulfill the required age, educational, training and medical criteria as mentioned above. Only those contractors' operators having valid competence certificate issued by DFCCIL will be authorized to operate and work on the track machines. Before issue of competency certificate by DFCCIL, the track machine staff will fulfill all the criteria regarding age, educational qualification, training (technical & Safety)

and medical fitness.

- 1.15.4 If the actual working performance of any track machine staff of contractor is found not satisfactory or staff reports for duty in intoxicated state or indulged in indiscipline or continuous disregard of DFCCIL instruction or creating unsafe conditions towards working/operating of track machines/running of trains, concerned Dy.CPM/DFCCIL will be authorized to immediately demobilize the defaulting staff. Dy.CPM/DFCCIL will give notice to this effect to the contractor and the contractor will demobilize the defaulting staff as directed (immediately or within given time period). The contractor will also provide replacement for which a grace period of one month from the date of serving the notice to the contractor will be provided. The resulting shortage of staff including penalty will be dealt with as detailed in subsequent sub-paras.
- 1.16 The Machines will be working in block section in traffic blocks, but on adjacent line normal train will be running. The contractor must ensure the care /safety/health hazards of the labors engaged by him/her during the course of the execution of work. Necessary safety staff/look out men/hand signal men/hooter men etc will be provided by the DFCCIL. O & M Contractor should organize regular safety camps/safety drills, including fire safety drills, at least once a month and maintain necessary record. DFCCIL supervisors and officers may also to be invited to counsel the staff regarding safety of track, train and Workmen.
- 1.17 DFCCIL shall provide route learning to contractor's track machine operators in similar manner as applicable to DFCCIL track machine operators. No charge will be levied by DFCCIL on contractor for the same. For movement from DFCCIL to IR and back to DFCCIL from one work site to new work site and to/from IOH, assistance of ALP/LP is provided by DFCCIL without any extra cost.
- 1.18 The DFCCIL shall depute an authorized representative for the supervision of the site where the work is to be carried out by the track machine. He will also offer the machine to section control for movement and /or working. He will also submit the demand of traffic block to section control, coordinate with traffic control for timely and adequate traffic block, will accept traffic block and will clear the traffic block. No payment will be charged by DFCCIL for such supervisors. Supervisors of the electrical, S&T and traffic department will also be deputed by DFCCIL at its own cost wherever required.
- 1.19 **Siding-** For stabling and repair/maintenance of Machine track will be provided by DFCCIL free of charge. The arrangements for security of Machine shall be made by the Contractor at his own expense.

1.20 Staff Accommodation:

The accommodation facility for accommodating Manpower deployed by O & M contractor shall be arranged by O & M Contractor at his own cost.. The Contractor shall arrange the timely transportation of his employees from their places of accommodation to the track machine stabling siding and back at his own cost

1.21 Compensation in case of Short closure of contract on DFCCIL Account

In case, DFCCIL doesn't want to continue the contract due to no scope, due to shortage of funds, or due to other reasons not attributable to contractor (except Force Majeure conditions), the contract may be short closed by giving a notice of one month to the contractor. In case, on account claims of contractor are not cleared within 180 days from receipt of claims, contractor will have the option for short closing the contract at the expiry of 180-day period, by giving one month notice to DFCCIL to this effect. Till 30 days after giving such notice of short closure, the contractor will be bound to execute the contract at agreed rates, terms and conditions of contract. In case of short closure of contract by DFCCIL or by contractor in above circumstance, contractor will be entitled for following compensation after handing over Machine to DFCCIL:

- a) All O & M works 'done as per contract agreement but not paid' will be paid.

- b) Performance Guarantee available with DFCCIL will be returned.
- c) The cost of spares **purchased** by Contractor for maintenance of Machine on production of actual purchase bills and the Spares will become property of DFCCIL.
- d) Rs. 1,00,000/- for demobilization of human resources.

1.22 Termination/short closure on other than DFCCIL account

- 1.22.1 In case of termination of O & M contract on Contractor Account no compensation, payments will be made, except payments for works already done conforming to contract agreement. In case of termination on contractor account, Performance Guarantee (PG) will also be forfeited in terms of contract agreement.
- 1.22.2 In case of persistent Force-Majeure conditions, the contract may be short closed with the consent of both parties and without financial liabilities on either side. In such cases, no compensation payments will be made, due payments for works already done conforming to the contract agreement will be cleared up and available PG will be released.
- 1.22.3 In case of termination on Contractor Account/short closure in case of persistent Force-Majeure conditions, the Contractor will remove all his establishment, materials, offices from DFCCIL premises, within 30 days, after which Penalty @ Rs.10000/per day/ location will be levied. In case the premises are not vacated within 90 days DFCCIL shall have the right to take custody of all properties and equipment and dispose it as it deems fit.

1.23 Infringement of patents

The O & M Contractor is forbidden to use any patents or registered drawings, process or pattern in fulfilling his contract without the previous consent in writing of the owner of such patent, drawing, pattern or trademark, except where these are specified by DFCCIL. Royalties where payable for the use of such patented processes, registered drawings or patterns shall be borne exclusively by the Contractor. The O & M Contractor shall advise the DFCCIL of any proprietary right that may exist on such processed drawings or patterns which he may use of his own accord.

1.24 Safety Measures

- 1.24.1 The O & M contractor shall take all precautionary measures in order to ensure the protection of his own personnel moving around or working in the DFCCIL premises, but shall then conform to the rules and regulations of the DFCCIL if and when, in the course of the work there is likely to be any danger to persons in the employment of the contractor due to running traffic while working in the DFCCIL siding and premises (i.e. all situations except during the actual working under block), the contractor shall provide flagman or look out men for protection of such persons. The DFCCIL shall remain indemnified by the contractor in the event of any accident occurring in the normal course of work, arising out of the failure of contractor or his men to exercise reasonable precaution at all places of work. All the work under the contract shall be carried out under the supervision of competent DFCCIL supervisor/staff. The format of the Competency certificate of Safety provisions is enclosed as **Annexure-VI**.
- 1.24.2 The contractor shall abide by all DFCCIL regulations in force for the time being and ensure that the same are followed by his representatives or subcontractors or workmen. He shall give due notice to his employees and workers about the provision of this para.
- 1.24.3 Detailed safety measures to be adhered are mentioned in Annexure-IV.
- 1.24.4 It may also be noted that works must be carried out most carefully without any infringement of the Indian Railway Act or the General and Subsidiary Rules in force on

the Railway/DFCCIL, in such a way that they do not hinder Railway/DFCCIL operation or affect the proper functioning of or damage any Railway/DFCCIL equipment, structure or rolling stock except as agreed to by the DFCCIL.

1.25 Change in law

1.25.1 "The contract price shall be adjusted to take account of any increase and decrease in cost after the bid submission date resulting from:

- a. A change in the law of the Government of India (including the introduction of new laws and the repeal or modification of existing laws): or
- b. In the Judicial or official government interpretation of such laws, or
- c. The commencement of any Indian law which has not entered into effect until the bid submission date; or
- d. Any change in the rates of any of the taxes or introduction of new taxes, duties, levies, cess etc. on supply of materials and services that have a direct effect on the works.

Which affects the contractor in the performance of obligation under the contract.

1.25.2 Further if as a result of change in law as stated in clause No. 1.25.1 above, interpretation, or rates of taxes, the contractor benefits from any reduction in the cost for the execution of this contract, save and except as expressly provided for this sub-clause or in accordance with the provisions of this contract, the contractor shall, within 28 days from the date he becomes reasonably aware of such reduction in the cost, notify the DFCCIL of such reduction in cost."

1.26 Expenses during shifting of machine

In case contractor is shifting Machine for IOH/POH, all transit expenses are to be borne by DFCCIL including cost of HSD. The time taken for shifting of Machine for IOH/POH on DFCCIL network will be considered as non-availability of Machine. In case DFCCIL is shifting machine from one section to another section of DFCCIL, all transit expenses are to be borne by DFCCIL. The days taken for shifting machines will be considered as availability for the purpose of counting 25 days.

1.27 Warrantee / Defect Liability Period

1.27.1 The O & M Contractor shall warranty that all the spares supplied under this contract shall be free from all defects and faults in material, workmanship and manufacture and shall be of acceptable standards / specifications for the contracted work and in full conformity with the technical specifications, and other contract stipulations, for a period of 6 months from the date of providing the component in machine, whichever is earlier. The warranty excludes normal wear and tear, rubber parts.

1.27.2 During the period of warranty falling in the contract period the O & M Contractor shall keep available an experienced engineer / manpower to attend to any defective spares supplied by the Contractor. The contractor shall bear the cost of modifications, additions or substitutions that may be considered necessary due to faulty materials or workmanship for the satisfactory working of the equipment. The final decision shall rest with the Engineer, his successor(s)/Nominee.

1.27.3 During the period of Warranty the Contractor shall be liable for the replacement of any part at site, of any parts supplied by the Contractor which may be found defective of his own manufacture or those of his sub-contractor / supplier whether arising from faulty materials, workmanship or negligence in any manner on the part of the Contractor provided always that such defective parts as are not repairable at site are promptly

returned to the Contractor if so required by him at his (Contractor's) own expenses. In case of parts of executed work detected faulty/not as per specifications during guarantee period, contractor should replace all such items irrespective of the fact whether all such items have failed or not. The Contractor shall bear the cost of repairs carried out on his behalf by the DFCCIL at site. In such a case, the contractor shall be informed in advance of the work proposed to be carried out by the DFCCIL.

1.27.4 If it becomes necessary for the Contractor to replace or renew any defective portion/part/spare until the expiration of six month from the date of such replacement or renewal or until the end of the above-mentioned period whichever is later. Such an extension shall not apply in case of defects of a minor nature, the decision of the Chief General Manager /General Manager/CPM or his successor/nominee being final in the matter. If any defect is not remedy within a reasonable time during the aforesaid period the DFCCIL may proceed to do work at the Contractor's risk and expense, but without prejudice to any other rights and remedies which the DFCCIL may have against the Contractor in respect of such defects or faults.

1.27.5 The repaired or renewed parts/spares shall be delivered / supplied and erected/ executed on site free of charge by the contractor.

1.28 Payment

Payment will be governed by the terms specified in RFP and in accordance with the accepted schedule of prices (**Form 3 of this RFP on the basis of contractor quoted bid**), read with relevant para of the other parts of the contract. The DFCCIL retains the right to withhold money due to the contractor arising out of this contract for any default of the contractor. The Selected Bidder must submit monthly two bills separately, one for main work as per SOR items and other for PVC (if claimed in that month). Any type of reimbursement applicable as per this RFP will be made by DFCCIL as and when submitted by Selected Bidder. The rate for the schedule "B" items of Form - 4 will be paid as per the latest awarded rate list/LOA's of Northern Railway. In case any items is reflecting in rate list/LOAs of Northern Railways, then priority order for considering the awarded rate list/LOAs shall be North Central Railway, East Central Railway, Western Railway, North Western Railway and Central Railway. The payment will be made as per the rate list of brands which actually has been used in Machine.

1.29 IPR Rights

All deliverables, outputs, plans, drawings, specifications, designs, reports, and other documents and software submitted by the contractor under this Contract shall become and remain the property of the DFCCIL and subject to laws of copyright and must not be shared with third parties or reproduced, whether in whole or part, without the DFCCIL's prior written consent. The O & M contractor shall, not later than upon termination or expiration of this Contract, deliver all such documents and software to the DFCCIL, together with a detailed inventory thereof. The O & M contractor may retain a copy of such documents and software but shall not use it for any commercial purpose.

1.30 Confidentiality

All documents, drawings, samples, data, associated correspondence or other information furnished by or on behalf of the DFCCIL to the contractor, in connection with the contract, whether such information has been furnished before, during or following completion or termination of the contract, are confidential and shall remain the property of the DFCCIL and shall not, without the prior written consent of DFCCIL neither be divulged by the O & M contractor to any third party, nor be used by him for any purpose other than the design, procurement, or

other services and work required for the performance of this Contract. If advised by DFCCIL, all copies of all such information in original shall be returned on completion of the contractor's performance and obligations under this contract.

1.31 Insurance

1.31.1 The contractor (a) shall take out and maintain, at its own cost (except for clause 1.31.2) but on terms and conditions approved by the DFCCIL, insurance against the risks, and for the coverage, as stipulated in the contract or any applicable law and shall provide, within 90 days of the issuance of the LOA, evidence to the DFCCIL showing that such insurance has been taken out and maintained and that the current premiums have been paid. Contractor shall be the Insuring party. DFCCIL shall be a beneficiary unless mentioned otherwise in this clause.

1.31.2 The contractor at DFCCIL cost shall provide, in the joint names of the DFCCIL and the O & M contractor, insurance cover from the start date to the date of completion of the contract for the following events which are due to the contractor's risks:

Loss including loss due to theft of or damage, including vandalism, to Machines all Equipment, machine tools, materials including Spares – Value covering the full reinstatement cost.

1.31.3 Insurance policies and certificates for insurance shall be delivered to the DFCCIL **in original** for scrutiny and in case, as a result of DFCCIL scrutiny, the policies are adjudged to be not covering the above mentioned risks, Contractor shall be under obligation, to take additional coverage or for due modification in Insurance policy, at their own cost. All such insurance shall provide compensation payable in Indian Rupees to rectify the loss or damage incurred. Any Alterations to the terms of insurance shall not be made without the approval of the Engineer. Both parties shall comply with any conditions of the insurance policies.

1.32.1 Contractor shall be liable to pay/refund the amount collected as GST to the DFCCIL along with interest and penalties, if any imposed by the authorities, in case GST input tax credit of DFCCIL is denied/rejected by the tax authorities due to reasons mentioned below but not limited to:

- a) Wrong/incorrect invoices issued by Contractor.
- b) No-filing of GST returns.
- c) Non-payment of GST collected from DFCCIL to the authorities.
- d) Any other non-compliance done by Contractor.

1.32.2 **General Indemnity:** Contractor hereby agrees to indemnify and hold harmless the DFCCIL from and against any and all losses, including loss on account of Input Tax Credit and all losses incurred by the DFCCIL relating to or arising out of or in connection with any actual or threatened claim, legal action, proceedings, prosecution or inquiry by or against the DFCCIL arising out, directly or indirectly, of failure by the contractor to comply with the provisions of GST and related laws, or based upon or arising from any failure by the Contractor.

1.32.3 **Retention Money:** Any payment liable to be paid by DFCCIL to contractor against the goods or services or both supplied by such contractor to DFCCIL shall be kept on hold in case supplier makes any non-compliance of any of the GST law provisions including non-reporting of invoices

in GST returns. Such payment shall be released after proper verification of records and availability of ITC to DFCCIL as per the provisions of GST Law.

1.33 CONSUMPTION OF HSD OIL BY MACHINE

HSD oil for track machine work will be supplied by DFCCIL. However, actual consumption of HSD oils should not be more than 5% (individual day) and 2.5% (on monthly average) of rated HSD requirement per Hour of Machine prescribed by OEM. If this limit shoots, then contractor has to do engine overhauling even if it is not due as per schedule prescribed by OEM in order to bring the HSD consumption within the prescribed limits mentioned above in this clause.

1.34 Jurisdiction: Both the parties agrees the for any dispute arising out of the contract, the courts at Delhi shall have the sole and exclusive jurisdiction to hear and decide such actions and proceedings.

CHAPTER VI

METHODOLOGY FOR PROCUREMENT OF MACHINE CONSUMABLES AND SPARE PARTS

BY

O & M CONTRACTOR

The methodology to be followed for the procurement of various machine spare parts by O & M contractor required for smooth working of machine is as under:

1.0 The list of items/parts required for track Machine Operation and Maintenance for this Contract are classified into 3 Categories which are as under:

- Items to be procured from OEM
- Items to be procured from branded suppliers.
- Items to be procured from local manufacturers

1.1 **OEM items:** The units/components for which no brand has been identified till now nor any drawing and specification has been developed by RDSO or Indian Railways are to be procured from OEM only and current lists enclosed as **Annexure - SP I**. The following types of items mainly are covered in this category:

- a) Hydraulic filters used on track machine and other hydraulic components for which no brand has been identified till date.
- b) All types of printed circuit boards (PCB) used on track machines and their components.
- c) ZF gear box and its spares.
- d) Most of the Hydraulic valves; pumps and motors for which no brand has been identified/used.
- e) Electronic spares not identified for any brand like data cable, gauges, digital display, sensor and switches.
- f) Pneumatic valves used in brake circuit including brake cylinder.
- g) Transmission gear boxes and their housing, cardon shafts
- h) Clutch assemblies of BCM/FRM machines.
- i) Engine spares
- j) Hydraulic coolers and radiators

1.2 **Branded items:** Branded items include those items which are brought out items of OEM and equivalent items of other reputed manufacturers used and tested successfully either by CPOH of IR or Zonal Railways. As on date, a list of 1283 items have been included in this category and is given in **Annexure-SP II**. The brand name has also been included in the list. Mainly the following types of items are covered in this category:

- a) Hydraulic pump and motor for which brand is already identified and established.
- b) Hydraulic hoses, pneumatic hoses, hydraulic and pneumatic gauges, pneumatic valves and cylinders.
- c) Transducer, potentiometers, cables, lights and batteries.
- d) Most of the bearings.
- e) Hydraulic seals, rotary seals for axles and gear boxes.
- f) Some of the hardware such as important fasteners, HTS bolts etc:
- g) Hydraulic and pneumatic adopters
- h) Accumulators

1.3 Own make items: Own make items include those units/ components for which

drawing and specification have been developed by RDSO/CPOH/zonal railways. The items for which drawings and specifications have been developed by RDSO are included in the list as **Annexure - SP III (A)**. The items being procured by CPOH/Zonal Railways of Indian Railways for which they have developed their own drawing and specification have been included in the list as **Annexure - SP III (B)**.

- 2.0 Procurement of Branded items is to be done through authorized dealer/ manufacturer. The O & M Contractor should submit a certificate from the manufacturer in support of his authorization for the sale of concerned branded items at time of supply of any branded item to DFCCIL.
- 3.0 The List of items in different **Annexure** is dynamic and any spare in one Annexure may be shifted to another based on the experience gained. Similarly, the specified brands for a particular item can also be added or deleted. As and when Indian Railways/ Northern Railways migrate any item from one Annexure to another Annexure, it will be applicable for DFCCIL also.
- 4.0 In case drawing and specification of some spare parts of machine is not supplied by OEM and CPOH/Zonal Railways of Indian Railways have not developed the same, till that time it may be permitted for supply and use based on the sample for keeping the Machine running. In such cases, specific approval of Dy.CPM/TM shall be taken and the rate of same may be finalized as NS item.

5.0 Spare Part Numbering (SPN) system

For easy identification of various parts given in attached **Annexure-SP I, Annexure-SP II, Annexure-SP III (A) and Annexure-SP III (B)** each and every spares has been assigned a 11 digits identification number henceforth called **SPN (Spare Part Number)**. There are six types of coding number for proper nomenclature such as **A.BB.CCCC.D.EE.F**. Meaning of each letter and group of letters are as under:

A	Main Group
BB	Two digit sub group
CCCC	Four digit serial number of component/unit
D	OEM/Branded Items/Own make Items
EE	Indian Railway/Zonal Railway
F	Check digit (sum of all above nine digits in single digit)

- i) **First digit** marked as **A** has been allotted for main group of machine assemblies with 1 to 9 such as hydraulics, electronics, tamping unit etc. Details of sections are given in 5.1.
- ii) **Second and third digit** marked as **BB** has been allotted for subgroup as given in Para 5.2
- iii) **Fourth, fifth, sixth and seventh digit** marked as **CCCC** has been allotted for serial number of component/unit in each sub group with 0001,0002 and so on as per **Annexure-SP I, SP II , SP III (A) and SP III (B)**.
- iv) **Eighth digits** marked as **D** has been allotted for classification of items under the head of OEM, Branded and Own make etc.

Category	Code
OEM Items	1
Branded Items	2
Own Make Items	3

- v) **Ninth and Tenth digits** marked as **EE** for identifying the SPN allotted for Indian Railways or by Zonal Railway as under:

Railway	Code	Railway	Code
Indian Railway	01	North Eastern Railway	13
CPOH/ALD	02	North Frontier Railway	14
CPOH/RYP	03	Western Railway	15
CPOH/ER	04	West Central Railway	16
CPOH/WR	05	Southern Railway	17
Central Railway	06	South Eastern Railway	18
Eastern Railway	07	South Western Railway	19
East Central Railway	08	South Central Railway	20
East Coast Railway	09	South East Central Railway	21
Northern Railway	10	South Coast Railway	22
North Central Railway	11	Metro Railway, Kolkata	23
North Western Railway	12		

- vi) **Eleventh digits** marked as **F** is the check sum of sum for all previous 10 digits.

5.1 Main Group

All Items of Track Machines have been classified under nine main groups/assemblies with unique numeral as under:

Main Groups	Code	Main Groups	Code
Engine & Compressor	1	Tamping Unit & Lifting Unit	6
Hydraulics	2	Bearings	7
Pneumatics	3	Hardware, General Machine items and Consumables	8
Electrical & Electronics	4		
Axle & Gear Box	5	Rubber Items	9

5.2 Sub group

Items/spares of each main group are classified in following subgroups for its identification.

SN	Main Group	Sub Group	Code
1	Engine & compressor	Cummins	01

5.3 Category of spares: SPN are being allotted as explained below as example for SPN 10100011015:

SPN	1	01	0001	1	01	5
	Engine	Cummins Spare	Serial no. of Spare	PAC Item	Indian Railways	Checksum for Sum of 10 digits

5.4 Manufacture's identification Code

A unique code for identifying the machine manufacturer has also been assigned as tabulated below. This code is to be suffixed to SPN.

Firm's Name	Code	Firm's Name	Code	Firm's Name	Code
Plasser India	PL	Kalugaputmash	KA	Gemac	GE
Cummins	cu	Metex	ME	Kershaw	KE
Greaves	GR	Phooltas	PH	Srida	SR
Caterpillar	CA	Harsco	HA	Ameca	AM
Deutz	DE	SAN	SA	Sun	SU
Ashok Leyland	AS	Trident	TR	BHEL	BH
Kirloskar	KI	Loram	LO	CRCC	CR

For example, SPN '2.01.0001.1.01.6 PL' indicates hydraulic pump (OEM item) manufactured by Plasser India

6.0 Consumables – Oil and Lubricants

- 6.1 Within 30 days of award of work, the selected Bidder has to submit Brand name of all consumables (oil and Lubricants) which Selected Bidder has planned/proposed to be used in Machines for which O & M contract has been awarded to him and same to be approved by Dy.CPM/TM/DFCCIL within next 7 days provided that selection of Brand of consumables (oil and lubricants) by O & M agency is among prescribed brands in OEM Maintenance manual of Machine. The selection of Brand of consumables (oil and Lubricants) will be among only those brands which are prescribed in OEM Maintenance manual. The Frequency of renewal/replacement should be as per Prescribed in OEM Maintenance Manual of Machines.
- 6.2 If during the currency of contract O & M Contractor wants to change the Brand of consumables (oil and Lubricants), then he can do that after taking approval of Dy.CPM/TM/DFCCIL subjected to condition that the proposed brand is prescribed by OEM of Machine.

7.0 Consumables – Filters and Breathers

- 7.1 Within 30 days of award of work, the selected Bidder has to submit Brand name of all consumables (Filters and Breathers) which Selected Bidder has planned/proposed to be used in Machines for which O & M contract has been awarded to him and same to be approved by DY.CPM/TM/DFCCIL within next 7 days provided that selection of Brand of consumables (Filters and Breathers) by O & M agency is among prescribed brands in enclosed **Annexure – SP I, Annexure- SP II, Annexure-III (A) and Annexure- SP III (B)** of this RFP. The Frequency of replacement of Filters and Breathers should be as per Prescribed in OEM Maintenance Manual of Machines.
- 7.2 If during currency of contract O & M Contractor wants to change the Brand of consumables (Filters and Breathers), then he can do that after taking approval of Dy.CPM/TM/DFCCIL subjected to condition that the proposed brand has been included in updated in enclosed Annexure named **Annexure – SP I, Annexure- SP II, Annexure-III (A) and Annexure- SP III (B)** attached with this RFP by Indian Railways.
- 7.3 **Payment of consumables – The cost of** consumables (Filters and Breathers) is covered in lump sum monthly rate of items mentioned in Schedule- A of Form 4 of RFP.
- 7.4 The responsibility of procuring various filters and breathers rests with selected Bidder. If he is not able to arrange the same on time and for want of same Selected Bidder is not able to offer the Machine for availing the Traffic block on time, then it will be considered as non-availability of Machine for working on contractor's account. For minimizing/avoiding non-availability of Machine for working on this account, the selected Bidder has to maintain the adequate inventory of consumables (Filters and Breathers) at his own cost.
- 7.5 In case Selected Bidder is not able to arrange prescribed consumables (Filters and Breathers) **Annexure – SP I, Annexure- SP II, Annexure-III (A) and Annexure- SP III (B)** then Selected Bidder may request DFCCIL for Arranging the same at least 60 Days before actually required to be replaced in Machines. DFCCIL may arrange the same if feasible from OEM of Machine subjected to conditions that 1.10 times back-to-back expenditure incurred by DFCCIL for procuring the same will be deducted from next due running bill of O & M Contractor. The arranged materials have to be lifted and transported to Machine site by O & M contractor at his own cost.
- 7.6 If Selected Bidder is not able to offer the Machine for working on time due to delay in arranging the requested machine consumables (Filters and Breathers) by DFCCIL, then also it will be considered failure on the part of Selected bidder only and reduction in monthly payment will be done as laid down in Chapter – V of this RFP.

8.0 Supply of Spare parts of Machine

- 8.1 Selected Bidders has to use only those brands of spare parts of Machine which are prescribed brands in enclosed **Annexure – SP I, Annexure - SP II, Annexure - III (A) and Annexure - SP III (B)** of this RFP.
- 8.2 If during currency of contract O & M Contractor wants to change the Brand of spare parts of Machine, then he can do that after taking approval of Dy.CPM/TM/DFCCIL subjected to condition that the proposed brand has been included in updated in enclosed Annexure named **Annexure – SP I, Annexure- SP II, Annexure-III (A) and Annexure- SP III (B)** attached with this RFP by Indian Railways.

 - 3.2 The [A] further undertakes that it has not given, offered or promised to give, directly or indirectly any bribe, gift, consideration, reward, favour, any Material or immaterial benefit or other advantage, commission, fees, brokerage or inducement to any official of the CLIENT or otherwise in procuring the Contract or forbearing to do or having done any act in relation to the obtaining or execution of the [B] or any other [B] with the Government for showing or forbearing to show favour or disfavour to any person in relation to the [B] or any other [B] with the Government.
 - 3.3 * [A] shall disclose the name and address of agents and representatives and Indian [A] shall disclose their foreign principals or associates.

- 3.4 * [A] shall disclose the payments to be made by them to agents/brokers or any other intermediary, in connection with this bid/contract.
- 3.5 The [A] further confirms and declares to the CLIENT that the [A] is the original manufacturer/ integrator/ authorized government sponsored export entity of the defense stores and has not engaged any individual or firm or company whether Indian or foreign to intercede, facilitate or in any way to recommend to the CLIENT or any of its functionaries, whether officially or unofficially to the award of the [B] to the [A] nor has any amount been paid, promised or intended to be paid to any such individual, firm or company in respect of any such intercession, facilitation or recommendation.
- 3.6 The [A] either while presenting the bid or during pre-contract negotiations or before signing the [B] shall disclose any payments he has made, is committed to or intends to make to officials of the CLIENT or their family members, agents, brokers or any other intermediaries in connection with the [B] and the details of services agreed upon for such payments.
- 3.7 The [A] will not collude with other parties interested in the [B] to impair the transparency, fairness and progress of the bidding process, bid evaluation, contracting and implementation of the [B].
- 3.8 The [A] will not accept any advantage in exchange for any corrupt practice, unfair means and illegal activities.
- 3.9 The [A] shall not use improperly, for purposes of competition or personal gain, or pass on to others, any information provided by the CLIENT as part of the business relationship, regarding plans, technical proposals and business details, including information contained in any electronic data carrier. The [A] also undertakes to exercise due and adequate care lest any such information is divulged.
- 3.10 The [A] commits to refrain from giving any complaint directly or through any other manner without supporting it with full and verifiable facts.
- 3.11 The [A] shall not instigate or cause to instigate any third person to commit any of the actions mentioned above.
- 3.12 If the, [A] or any employee of the [A] or any person acting on behalf of the [A], either directly or Indirectly, is a relative of any of the officers of the CLIENT, or alternatively, if any relative of an officer of the CLIENT has financial.

Interest/stake in the Bidder's firm, the same shall be disclosed by the [A] at the time of filling of tender.

The term 'relative' for this purpose would be as defined in section 6 of the companies' act 1956.

3.13 The [A] shall not lend to or borrow any money from or enter into any monetary dealings or transactions, directly or indirectly, with any employee of the CLIENT.

4. Previous Transaction

4.1 The [A] declares that no previous transgression occurred in the last three years immediately before signing of this integrity Pact, with any other company in any country in respect of any corrupt practices envisaged hereunder or with any public sector enterprise in India or any Government department in India that could justify BIDDER's from the tender process.

4.2 The [A] agrees that if it makes incorrect statement on this subject, [A] can be disqualified from the tender process or the contract, if already awarded, can be terminated for such reason.

5. Bid Security

5.1 While submitting commercial bid, the [A] shall deposit an amount ___ (to be specified in RFP) as Bid Security, with the CLIENT through any of the following instruments:-

- i. Bank draft or a pay order in favour of _____.
- ii. A confirmed guarantee by an Indian nationalized bank, promising payment of the guaranteed sum to the CLIENT on demand within three working days without any demur whatsoever and without seeking any reasons whatsoever. The demand for payment by the CLIENT shall be treated as conclusive proof of payment.
- iii. Any other mode or through any other instrument (to be specified in the RFP).

5.2 The Bid Security shall be valid up to a period of five years or the contractual obligations to the complete satisfaction of both the BIDDER and the CLIENT, including warranty period, whichever is later.

5.3 In case of the successful [A] a clause would also be incorporated in the article pertaining to performance Guarantee in the [B] that the provisions of sanctions for violation shall be applicable for forfeiture of performance bond in case of a decision by client to forfeit the same without assigning any reason for imposing sanction for violation of this pact.

5.4 No interest shall be payable by CLIENT to the [A] on Bid Security for the period of its currency.

6. Sanctions for Violations

- 6.1 Any breach of the aforesaid provisions by the [A] or any one employed by it or acting on its behalf (whether with or without the knowledge of the [A]) shall entitle the CLIENT to take all or any one of the following actions, wherever required :-
- (i) To immediately call off the pre-contract negotiations without assigning any reason or giving any compensation to the [A]. However, the proceedings with the other BIDDER(s) would continue.
 - (ii) The Bid Security (in pre-contract stage) and/or performance Bond (after the [B] is signed) shall stand forfeited fully and the CLIENT shall not be required to assign any reason therefore.
 - (iii) To immediately cancel the [B], if already signed, without giving any compensation to the [A].
 - (iv) To recover all sums already paid by the CLIENT, and in case of an Indian [A] with interest thereon at 2% higher than the prevailing prime lending rate of state bank of India, while in case of a [A] from the country other than India with interest thereon at 2% higher than the LIBOR. If any outstanding payment is due to [A] from the CLIENT in connection with any other [B], such outstanding payment could also be utilized to recover the aforesaid sum and interest.
 - (v) To encash the advance bank guarantee and performance bond, if furnished by the [A], in order to recover the payments, already made by CLIENT, along with interest.
 - (vi) To cancel all or any other contracts with the [A]. The [A] shall be liable to pay compensation for any loss or damage to the Client resulting from such cancellation/rescission and the client shall be entitled to deduct the amount so payable from the money(s) due to the [A].
 - (vii) To debar the [A] from participating in future bidding processes of the Government of India for a minimum period of five years, which may be further extended at the discretion of the CLIENT.
 - (viii) To recover all sums paid in violation of this pact by [A] to any middleman or agent or broker with a view to securing [B] the contract.
 - (ix) In cases where irrevocable letters of credit have been received in respect of any [B] signed by the client with the [A], The shall not be opened.
 - (x) Forfeiture of Performance Bond in case of a decision by the client to forfeit the same without assigning any reason for imposing sanction for violation of this pact.

- 6.2 The client will entitled to take all or any of the actions mentioned at para 6.1(i) to (x) of this pact also on the commission by the [A] or any one employed by it or acting on its behalf (whether with or without the knowledge of the [A], of an offence as defined in chapter IX of the Indian penal code, 1860 or prevention of Corruption Act, 1988 or any other statute enacted for prevention of corruption.
- 6.3 The decision of the CLIENT to the effect that a breach of the provisions of this pact has been committed by the [A] shall be final and conclusive on the [A]. However, the [A] can approach the Independent Monitor(s) appointed for the purposes of this Pact.
7. Fall Clause
- 7.1 The [A] undertakes that it has not supplied/is not supplying similar product/systems or subsystems at a price lower than that offered in the present bid in respect of any other Ministry/Department of the Government of India or PSU and if it is found at any stage that similar product/system or sub systems way supplied by [A] to any other Ministry/Department of the Government of India or a PSU at a lower price, then that very price, with due allowance for elapsed time, will be applicable to the present case and the difference in the cost would be refunded by the [A] to the CLIENT, if the [B] has already been concluded.
8. Independent Monitors
- 8.1 The CLIENT has appointed Independent Monitors (hereinafter referred to as Monitors) for this pact in consultant with the central vigilance commission (Names and addresses of the Monitors to be given)
- 8.2 The task of the Monitors shall be to review independently and objectively whether and to what extent the parties comply with the obligations under this pact.
- 8.3 The monitors shall not be subject to instructions by the representatives of the parties and perform their functions neutrally and independently.
- 8.4 Both the parties accept that the Monitors have the right to access all the documents relating to the project/procurement, including minutes of meetings.
- 8.5 As soon as the Monitor notices, or has reason to believe, a violation of this Pact, he will so inform the Authority designated by the CLIENT
- 8.6 The BIDDER(s) accepts that the Monitor has the right to access without restriction to all Project documentation of the CLIENT including that provided by the BIDOER. The [A] will also grant the Monitor, upon his request and demonstration of a valid Interest, unrestricted and unconditional access to his project documentation. The same is applicable to Subcontractors. The Monitor shall be und 'contractual obligation to treat the information and documents of the [A] with confidentiality.
- 8.7 The client will provide to the Monitor sufficient information about all meetings among the parties related to the Project provided such meetings could have an impact on the contractual relations between the parties. The parties will offer to the Monitor the option to participate in such meetings.
- 8.8 The monitor will submit a written report to the MD/DFCCIL within 8 to 10 weeks from the date of reference or intimation to him by the CLIENT/BIDDER and,

should the occasion arise, submit proposal for correcting problematic situations.

9. Facilitation of Investigation

In case of any allegation of violation of any provisions of this Pact or payment of commission, the CLIENT or its agencies shall be entitled to examine all the documents including the Books of Accounts of the [A] and the [A] shall provide necessary information and documents in English and shall extend all possible help for the purpose of such examination.

9.1 Law and Place of Jurisdiction: This pact is subject to Indian law. The place of performance and jurisdiction is the seat of the CLIENT.

10. Other Legal Actions

The actions stipulated in this integrity pact are without prejudice to any other legal action that may follow in accordance with the provisions of the extant law in force relating to any civil or criminal proceedings.

11. The validity of this integrity pact shall be from date of its signing and extend up to 5 years or the complete execution of the [B] to the satisfaction of both the CLIENT and the [A] including warranty period, whichever is later. In case [A] is unsuccessful, this integrity pact shall expire after six months from the date of the signing of the [B].

12. Should one or several provisions of this pact turn out to be invalid; the remainder of this pact shall remain valid. In this case, the parties will strive to come to an agreement to their original intentions.

ORDER

Subject: Public Procurement (Preference to Make in India), Order 2017– Revision; regarding.

Department for Promotion of Industry and Internal Trade, in partial modification [Paras 2, 3, 5, 10 & 13] of Order No.P-45021/2/2017-B.E.-II dated 15.6.2017 as amended by Order No.P-45021/2/2017-B.E.-II dated 28.05.2018, Order No.P-45021/2/2017-B.E.-II dated 29.05.2019 and Order No.P-45021/2/2017-B.E.-II dated 04.06.2020, hereby issues the revised 'Public Procurement (Preference to Make in India), Order 2017" dated 16.09.2020 effective with immediate effect.

Whereas it is the policy of the Government of India to encourage 'Make in India' and promote manufacturing and production of goods and services in India with a view to enhancing income and employment, and

Whereas procurement by the Government is substantial in amount and can contribute towards this policy objective, and

Whereas local content can be increased through partnerships, cooperation with local companies, establishing production units in India or Joint Ventures (JV) with Indian suppliers, increasing the participation of local employees in services and training them,

Now therefore the following Order is issued:

1. This Order is issued pursuant to Rule 153 (iii) of the General Financial Rules 2017.
2. **Definitions:** For the purposes of this Order:

'Local content' means the amount of value added in India which shall, unless otherwise prescribed by the Nodal Ministry, be the total value of the item procured (excluding net domestic indirect taxes) minus the value of imported content in the item (including all customs duties) as a proportion of the total value, in percent.

'Class-I local supplier' means a supplier or service provider, whose goods, services or works offered for procurement, meets the minimum local content as prescribed for 'Class-I local supplier' under this Order.

.....Contd. p/2

- 2 -

'Class-II local supplier' means a supplier or service provider, whose goods, services or works offered for procurement, meets the minimum local content as prescribed for 'Class-II local supplier' but less than that prescribed for 'Class-I local supplier' under this Order.

'Non - Local supplier' means a supplier or service provider, whose goods, services or works offered for procurement, has local content less than that prescribed for 'Class-II local supplier' under this Order.

'L1' means the lowest tender or lowest bid or the lowest quotation received in a tender, bidding process or other procurement solicitation as adjudged in the evaluation process as per the tender or other procurement solicitation.

'Margin of purchase preference' means the maximum extent to which the price quoted by a "Class-I local supplier" may be above the L1 for the purpose of purchase preference.

'Nodal Ministry' means the Ministry or Department identified pursuant to this order in respect of a particular item of goods or services or works.

'Procuring entity' means a Ministry or department or attached or subordinate office of, or autonomous body controlled by, the Government of India and includes Government companies as defined in the Companies Act.

'Works' means all works as per Rule 130 of GFR- 2017, and will also include 'turnkey works'.

3. Eligibility of 'Class-I local supplier' / 'Class-II local supplier' / 'Non-local suppliers' for different types of procurement

(a) In procurement of all goods, services or works in respect of which the Nodal Ministry / Department has communicated that there is sufficient local capacity and local competition, only 'Class-I local supplier', as defined under the Order, shall be eligible to bid irrespective of purchase value.

(b) Only 'Class-I local supplier' and 'Class-II local supplier', as defined under the Order, shall be eligible to bid in procurements undertaken by procuring entities, except when Global tender enquiry has been issued. In global tender enquiries, 'Non-local suppliers' shall also be eligible to bid along with 'Class-I local suppliers' and 'Class-II local suppliers'. In procurement of all goods, services or works, not covered by sub-para 3(a) above, and with estimated value of purchases less than Rs. 200 Crore, in accordance with Rule 161(iv) of GFR, 2017, Global tender enquiry shall not be issued except with the approval of competent authority as designated by Department of Expenditure.

(c) For the purpose of this Order, works includes Engineering, Procurement and Construction (EPC) contracts and services include System Integrator (SI) contracts.

3A. Purchase Preference

(a) Subject to the provisions of this Order and to any specific instructions issued by the Nodal Ministry or in pursuance of this Order, purchase preference shall be given to 'Class-I local supplier' in procurements undertaken by procuring entities in the manner specified here under.

(b) In the procurements of goods or works, which are covered by para 3(b) above and which are divisible in nature, the 'Class-I local supplier' shall get purchase preference over 'Class-II local supplier' as well as 'Non-local supplier', as per following procedure:

- i. Among all qualified bids, the lowest bid will be termed as L1. If L1 is 'Class-I local supplier', the contract for full quantity will be awarded to L1.
- ii. If L1 bid is not a 'Class-I local supplier', 50% of the order quantity shall be awarded to L1. Thereafter, the lowest bidder among the 'Class-I local supplier' will be invited to match the L1 price for the remaining 50% quantity subject to the Class-I local supplier's quoted price falling within the margin of purchase preference, and contract for that quantity shall be awarded to such 'Class-I local supplier' subject to matching the L1 price. In case such lowest eligible 'Class-I local supplier' fails to match the L1 price or accepts less than the offered quantity, the next higher 'Class-I local supplier' within the margin of purchase preference shall be invited to match the L1 price for remaining quantity and so on, and contract shall be awarded accordingly. In case some quantity is still left uncovered on Class-I local suppliers, then such balance quantity may also be ordered on the L1 bidder.

(c) In the procurements of goods or works, which are covered by para 3(b) above and which are not divisible in nature, and in procurement of services where the bid is evaluated on price alone, the 'Class-I local supplier' shall get purchase preference over 'Class-II local supplier' as well as 'Non-local supplier', as per following procedure:

- i. Among all qualified bids, the lowest bid will be termed as L1. If L1 is 'Class-I local supplier', the contract will be awarded to L1.
- ii. If L1 is not 'Class-I local supplier', the lowest bidder among the 'Class-I local supplier', will be invited to match the L1 price subject to Class-I local supplier's quoted price falling within the margin of purchase preference, and the contract shall be awarded to such 'Class-I local supplier' subject to matching the L1 price.
- iii. In case such lowest eligible 'Class-I local supplier' fails to match the L1 price, the 'Class-I local supplier' with the next higher bid within the margin of purchase preference shall be invited to match the L1 price and so on and contract shall be awarded accordingly. In case none of the 'Class-I local supplier' within the margin of purchase preference matches the L1 price, the contract may be awarded to the L1 bidder.

.....Contd. p/4

- 4 -

(d) "Class-II local supplier" will not get purchase preference in any procurement, undertaken by procuring entities.

3B. Applicability in tenders where contract is to be awarded to multiple bidders -
In tenders where contract is awarded to multiple bidders subject to matching of L1 rates or otherwise, the 'Class-I local supplier' shall get purchase preference over 'Class-II local supplier' as well as 'Non-local supplier', as per following procedure:

- a) In case there is sufficient local capacity and competition for the item to be procured, as notified by the nodal Ministry, only Class I local suppliers shall be eligible to bid. As such, the multiple suppliers, who would be awarded the contract, should be all and only 'Class I Local suppliers'.
- b) In other cases, 'Class II local suppliers' and 'Non local suppliers' may also participate in the bidding process along with 'Class I Local suppliers' as per provisions of this Order.
- c) If 'Class I Local suppliers' qualify for award of contract for at least 50% of the tendered quantity in any tender, the contract may be awarded to all the qualified bidders as per award criteria stipulated in the bid documents. However, in case 'Class I Local suppliers' do not qualify for award of contract for at least 50% of the tendered quantity, purchase preference should be given to the 'Class I local supplier' over 'Class II local suppliers' / 'Non local suppliers' provided that their quoted rate falls within 20% margin of purchase preference of the highest quoted bidder considered for award of contract so as to ensure that the 'Class I Local suppliers' taken in totality are considered for award of contract for at least 50% of the tendered quantity.
- d) First purchase preference has to be given to the lowest quoting 'Class-I local supplier', whose quoted rates fall within 20% margin of purchase preference, subject to its meeting the prescribed criteria for award of contract as also the constraint of maximum quantity that can be sourced from any single supplier. If the lowest quoting 'Class-I local supplier', does not qualify for purchase preference because of aforesaid constraints or does not accept the offered quantity, an opportunity may be given to next higher 'Class-I local supplier', falling within 20% margin of purchase preference, and so on.
- e) To avoid any ambiguity during bid evaluation process, the procuring entities may stipulate its own tender specific criteria for award of contract amongst different bidders including the procedure for purchase preference to 'Class-I local supplier' within the broad policy guidelines stipulated in sub-paras above.

4. **Exemption of small purchases:** Notwithstanding anything contained in paragraph 3, procurements where the estimated value to be procured is less than Rs. 5 lakhs shall be exempt from this Order. However, it shall be ensured by procuring entities that procurement is not split for the purpose of avoiding the provisions of this Order.
5. **Minimum local content:** The 'local content' requirement to categorize a supplier as 'Class-I local supplier' is minimum 50%. For 'Class-II local supplier', the 'local content' requirement is minimum 20%. Nodal Ministry/ Department may prescribe only a higher

.....Contd. p/5

- 5 -

percentage of minimum local content requirement to categorize a supplier as 'Class-I local supplier'/ 'Class-II local supplier'. For the items, for which Nodal Ministry/ Department has not prescribed higher minimum local content notification under the Order, it shall be 50% and 20% for 'Class-I local supplier'/ 'Class-II local supplier' respectively.

6. **Margin of Purchase Preference:** The margin of purchase preference shall be 20%.
7. **Requirement for specification in advance:** The minimum local content, the margin of purchase preference and the procedure for preference to Make in India shall be specified in the notice inviting tenders or other form of procurement solicitation and shall not be varied during a particular procurement transaction.
8. **Government E-marketplace:** In respect of procurement through the Government E-marketplace (GeM) shall, as far as possible, specifically mark the items which meet the minimum local content while registering the item for display, and shall, wherever feasible, make provision for automated comparison with purchase preference and without purchase preference and for obtaining consent of the local supplier in those cases where purchase preference is to be exercised.
9. **Verification of local content**
 - a. The 'Class-I local supplier'/ 'Class-II local supplier' at the time of tender, bidding or solicitation shall be required to indicate percentage of local content and provide self-certification that the item offered meets the local content requirement for 'Class-I local supplier'/ 'Class-II local supplier', as the case may be. They shall also give details of the location(s) at which the local value addition is made.
 - b. In cases of procurement for a value in excess of Rs. 10 crores, the 'Class-I local supplier'/ 'Class-II local supplier' shall be required to provide a certificate from the statutory auditor or cost auditor of the company (in the case of companies) or from a practicing cost accountant or practicing chartered accountant (in respect of suppliers other than companies) giving the percentage of local content.
 - c. Decisions on complaints relating to implementation of this Order shall be taken by the competent authority which is empowered to look into procurement-related complaints relating to the procuring entity.
 - d. Nodal Ministries may constitute committees with internal and external experts for independent verification of self-declarations and auditor's/ accountant's certificates on random basis and in the case of complaints.
 - e. Nodal Ministries and procuring entities may prescribe fees for such complaints.
 - f. False declarations will be in breach of the Code of Integrity under Rule 175(1)(i)(h) of the General Financial Rules for which a bidder or its successors can be debarred for up to two years as per Rule 151 (iii) of the General Financial Rules along with such other actions as may be permissible under law.

.....Contd. p/6

- 6 -

- g. A supplier who has been debarred by any procuring entity for violation of this Order shall not be eligible for preference under this Order for procurement by any other procuring entity for the duration of the debarment. The debarment for such other procuring entities shall take effect prospectively from the date on which it comes to the notice of other procurement entities, in the manner prescribed under paragraph 9h below.
- h. The Department of Expenditure shall issue suitable instructions for the effective and smooth operation of this process, so that:
- i. The fact and duration of debarment for violation of this Order by any procuring entity are promptly brought to the notice of the Member-Convenor of the Standing Committee and the Department of Expenditure through the concerned Ministry /Department or in some other manner;
 - ii. on a periodical basis such cases are consolidated and a centralized list or decentralized lists of such suppliers with the period of debarment is maintained and displayed on website(s);
 - iii. in respect of procuring entities other than the one which has carried out the debarment, the debarment takes effect prospectively from the date of uploading on the website(s) in the such a manner that ongoing procurements are not disrupted.

10. Specifications in Tenders and other procurement solicitations:

- a. Every procuring entity shall ensure that the eligibility conditions in respect of previous experience fixed in any tender or solicitation do not require proof of supply in other countries or proof of exports.
- b. Procuring entities shall endeavour to see that eligibility conditions, including on matters like turnover, production capability and financial strength do not result in unreasonable exclusion of 'Class-I local supplier' / 'Class-II local supplier' who would otherwise be eligible, beyond what is essential for ensuring quality or creditworthiness of the supplier.
- c. Procuring entities shall, within 2 months of the issue of this Order review all existing eligibility norms and conditions with reference to sub-paragraphs 'a' and 'b' above.

d. Reciprocity Clause

- i. When a Nodal Ministry/Department identifies that Indian suppliers of an item are not allowed to participate and/ or compete in procurement by any foreign government, due to restrictive tender conditions which have direct or indirect effect of barring Indian companies such as registration in the procuring country, execution of projects of specific value in the procuring country etc., it shall provide such details to all its procuring entities including CMDs/CEOs of PSEs/PSUs, State Governments and other procurement agencies under their administrative control and GeM for appropriate reciprocal action.

.....Contd. p/7

- 7 -

- ii. Entities of countries which have been identified by the nodal Ministry/Department as not allowing Indian companies to participate in their Government procurement for any item related to that nodal Ministry shall not be allowed to participate in Government procurement in India for all items related to that nodal Ministry/ Department, except for the list of items published by the Ministry/ Department permitting their participation.
 - iii. The stipulation in (ii) above shall be part of all tenders invited by the Central Government procuring entities stated in (i) above. All purchases on GeM shall also necessarily have the above provisions for items identified by nodal Ministry/ Department.
 - iv. State Governments should be encouraged to incorporate similar provisions in their respective tenders.
 - v. The term 'entity' of a country shall have the same meaning as under the FDI Policy of DPIIT as amended from time to time.
- e. Specifying foreign certifications/ unreasonable technical specifications/ brands/ models in the bid document is restrictive and discriminatory practice against local suppliers. If foreign certification is required to be stipulated because of non-availability of Indian Standards and/or for any other reason, the same shall be done only after written approval of Secretary of the Department concerned or any other Authority having been designated such power by the Secretary of the Department concerned.
- f. "All administrative Ministries/Departments whose procurement exceeds Rs. 1000 Crore per annum shall notify/ update their procurement projections every year, including those of the PSEs/PSUs, for the next 5 years on their respective website."

10A. Action for non-compliance of the Provisions of the Order: In case restrictive or discriminatory conditions against domestic suppliers are included in bid documents, an inquiry shall be conducted by the Administrative Department undertaking the procurement (including procurement by any entity under its administrative control) to fix responsibility for the same. Thereafter, appropriate action, administrative or otherwise, shall be taken against erring officials of procurement entities under relevant provisions. Intimation on all such actions shall be sent to the Standing Committee.

11. Assessment of supply base by Nodal Ministries The Nodal Ministry shall keep in view the domestic manufacturing / supply base and assess the available capacity and the extent of local competition while identifying items and prescribing the higher minimum local content or the manner of its calculation, with a view to avoiding cost increase from the operation of this Order.

12. Increase in minimum local content: The Nodal Ministry may annually review the local content requirements with a view to increasing them, subject to availability of sufficient local competition with adequate quality.

.....Contd. p/8

- 8 -

13. Manufacture under license/ technology collaboration agreements with phased indigenization: While notifying the minimum local content, Nodal Ministries may make special provisions for exempting suppliers from meeting the stipulated local content if the product is being manufactured in India under a license from a foreign manufacturer who holds intellectual property rights and where there is a technology collaboration agreement / transfer of technology agreement for indigenous manufacture of a product developed abroad with clear phasing of increase in local content.

13A. In procurement of all goods, services or works in respect of which there is substantial quantity of public procurement and for which the nodal ministry has not notified that there is sufficient local capacity and local competition, the concerned nodal ministry shall notify an upper threshold value of procurement beyond which foreign companies shall enter into a joint venture with an Indian company to participate in the tender. Procuring entities, while procuring such items beyond the notified threshold value, shall prescribe in their respective tenders that foreign companies may enter into a joint venture with an Indian company to participate in the tender. The procuring Ministries/Departments shall also make special provisions for exempting such joint ventures from meeting the stipulated minimum local content requirement, which shall be increased in a phased manner.

14. Powers to grant exemption and to reduce minimum local content: The administrative Department undertaking the procurement (including procurement by any entity under its administrative control), with the approval of their Minister-in-charge, may by written order, for reasons to be recorded in writing,

- a. reduce the minimum local content below the prescribed level; or
- b. reduce the margin of purchase preference below 20%; or
- c. exempt any particular item or supplying entities from the operation of this Order or any part of the Order.

A copy of every such order shall be provided to the Standing Committee and concerned Nodal Ministry / Department. The Nodal Ministry / Department concerned will continue to have the power to vary its notification on Minimum Local Content.

15. Directions to Government companies: In respect of Government companies and other procuring entities not governed by the General Financial Rules, the administrative Ministry or Department shall issue policy directions requiring compliance with this Order.

16. Standing Committee: A standing committee is hereby constituted with the following membership:

Secretary, Department for Promotion of Industry and Internal Trade—Chairman
Secretary, Commerce—Member
Secretary, Ministry of Electronics and Information Technology—Member
Joint Secretary (Public Procurement), Department of Expenditure—Member
Joint Secretary (DPIIT)—Member-Convenor

.....Contd. p/9

- 9 -

The Secretary of the Department concerned with a particular item shall be a member in respect of issues relating to such item. The Chairman of the Committee may co-opt technical experts as relevant to any issue or class of issues under its consideration.

17. **Functions of the Standing Committee:** The Standing Committee shall meet as often as necessary, but not less than once in six months. The Committee
- shall oversee the implementation of this order and issues arising therefrom, and make recommendations to Nodal Ministries and procuring entities.
 - shall annually assess and periodically monitor compliance with this Order
 - shall identify Nodal Ministries and the allocation of items among them for issue of notifications on minimum local content
 - may require furnishing of details or returns regarding compliance with this Order and related matters
 - may, during the annual review or otherwise, assess issues, if any, where it is felt that the manner of implementation of the order results in any restrictive practices, cartelization or increase in public expenditure and suggest remedial measures
 - may examine cases covered by paragraph 13 above relating to manufacture under license/ technology transfer agreements with a view to satisfying itself that adequate mechanisms exist for enforcement of such agreements and for attaining the underlying objective of progressive indigenization
 - may consider any other issue relating to this Order which may arise.
18. **Removal of difficulties:** Ministries /Departments and the Boards of Directors of Government companies may issue such clarifications and instructions as may be necessary for the removal of any difficulties arising in the implementation of this Order.
19. **Ministries having existing policies:** Where any Ministry or Department has its own policy for preference to local content approved by the Cabinet after 1st January 2015, such policies will prevail over the provisions of this Order. All other existing orders on preference to local content shall be reviewed by the Nodal Ministries and revised as needed to conform to this Order, within two months of the issue of this Order.
20. **Transitional provision:** This Order shall not apply to any tender or procurement for which notice inviting tender or other form of procurement solicitation has been issued before the issue of this Order.

General Conditions of Dispute Adjudication Agreement

1. Definitions

Each "Dispute Adjudication Agreement" is a tripartite agreement by and between:

- (a) the "Employer";
- (b) the "Contractor"; and
- (c) the "Member" who is defined in the Dispute Adjudication Agreement as one of the three persons who are jointly called the "DAB" (or "dispute adjudication board") and, where this is the case, the other two persons are called the "Other Members".

The Employer and the Contractor have entered (or intend to enter) into a contract, which is called the "Contract" and is defined in this Dispute Adjudication Agreement, In the Dispute Adjudication Agreement, words and expressions which are not otherwise defined shall have the meanings assigned to them in the Contract.

2. General Provisions

The Dispute Adjudication Agreement shall take effect when the Employer, the Contractor and each of the Members (or Member) have respectively each signed a dispute adjudication agreement.

When the Dispute Adjudication Agreement has taken effect, the Employer and the Contractor shall each give notice to the Member accordingly. If the Member does not receive either notice within six months after entering into the Dispute Adjudication Agreement, it shall be void and ineffective.

This employment of the Member is a personal appointment. No assignment or subcontracting of the Dispute Adjudication Agreement is permitted without the prior written agreement of all the parties to it and of the Other Members (if any).

3. Warranties

The Member warrants and agrees that he/she is and shall be impartial and independent of the Employer, the Contractor and the Engineer. The Member shall promptly disclose, to each of them and to the Other Members (if any), any fact or circumstance which might appear inconsistent with his/her warranty and agreement of impartiality and independence.

When appointing the Member, the Employer and the Contractor relied upon the Member's representations that he/she is:

- (a) experienced in the work which the Contractor is to carry out under the Contract,
- (b) experienced in the interpretation of contract documentation, and
- (c) fluent in the language for communications defined in the Contract.

4. General Obligations of the Member

The Member shall:

- (a) have no interest financial or otherwise in the Employer, the Contractor or the Engineer, nor any financial interest in the Contract except for payment under the Dispute Adjudication Agreement;

- (b) not previously have been employed as a consultant or otherwise by the Employer, the Contractor or the Engineer, except in such circumstances as were disclosed in writing to the Employer and the Contractor before they signed the Dispute Adjudication Agreement;
- (c) have disclosed in writing to the Employer, the Contractor and the Other Members (if any), before entering into the Dispute Adjudication Agreement and to his/her best knowledge and recollection, any professional or personal relationships with any director, officer or employee of the Employer, the Contractor or the Engineer, and any previous involvement in the overall project of which the Contract forms part;
- (d) not, for the duration of the Dispute Adjudication Agreement, be employed as a consultant or otherwise by the Employer, the Contractor or the Engineer, except as may be agreed in writing by the Employer, the Contractor and the Other Members (if any);
- (e) comply with the annexed procedural rules and with Sub-Clause 63.2 of the Conditions of Contract;
- (f) not give advice to the Employer, the Contractor, the Employer's Personnel or the Contractor's Personnel concerning the conduct of the Contract, other than in accordance with the annexed procedural rules;
- (g) not while a Member enter into discussions or make any agreement with the Employer, the Contractor or the Engineer regarding employment by any of them, whether as a consultant or otherwise, after ceasing to act under the Dispute Adjudication Agreement;
- (h) ensure his/her availability for any site visit and hearings as are necessary; and
- (i) treat the details of the Contract and all the DAB's activities and hearings as private and confidential, and not publish or disclose them without the prior written consent of the Employer, the Contractor and the Other Members (if any).

5. General
Obligations of
the Employer
and the
Contractor

The Employer, the Contractor, the Employer's Personnel and the Contractor's Personnel shall not request advice from or consultation with the Member regarding the Contract, otherwise than in the normal course of the DAB's activities under the Contract and the Dispute Adjudication Agreement, and except to the extent that prior agreement is given by the Employer, the Contractor and the Other Members (if any). The Employer and the Contractor shall be responsible for compliance with this provision, by the Employer's Personnel and the Contractor's Personnel respectively.

The Employer and the Contractor undertake to each other and to the Member that the Member shall not, except as otherwise agreed in writing by the Employer, the Contractor, the Member and the Other Members (if any):

- (a) be appointed as an arbitrator in any arbitration under the Contract;
- (b) be called as a witness to give evidence concerning any dispute before arbitrator(s) appointed for any arbitration under the Contract; or
- (c) be liable for any claims for anything done or omitted in the discharge or purported discharge of the Member's functions, unless the act or omission is shown to have been in bad faith.

The Employer and the Contractor hereby jointly and severally indemnify and hold the Member harmless against and from claims from which he/she is relieved from liability under the preceding paragraph.

6. Payment The Member shall be paid as per fee defined by DFCCIL
- (a) a daily fee shall be considered as payment in full for:
 - (i) each working day spent reading submissions, attending hearings (if any), preparing decisions, or making site visits (if any); and
 - (ii) each day or part of a day up to maximum of two days travel time in each direction for the journey (if any) between the Member's home and site or another location of a meeting with Other Members (if any) and/or the Employer and the Contractor;
 - (b) all reasonable expenses incurred in connection with the Member's duties, including the cost of secretarial services, telephone calls, courier charges, faxes and telexes, travel expenses, hotel and subsistence costs; a receipt shall be required for each item in excess of five percent of the daily fee referred to in sub-paragraph (a) of this Clause; and
 - (c) any taxes properly levied in the Country on payments made to the Member (unless a national or permanent resident of the Country) under this Clause 6.

The daily fee shall be as specified in the Dispute Adjudication Agreement.

Immediately after the Dispute Adjudication Agreement takes effect, the Member shall, before engaging in any activities under the Dispute Adjudication Agreement, submit to the Contractor, with a copy to the Employer, an invoice for (a) an advance of twenty-five (25) percent of the estimated total amount of daily fees to which he/she will be entitled and (b) an advance equal to the estimated total expenses that he/she shall incur in connection with his/her duties. Payment of such invoice shall be made by the Contractor upon his receipt of the invoice. The Member shall not be obliged to engage in activities under the Dispute Adjudication Agreement until each of the Members has been paid in full for invoices submitted under this paragraph.

Thereafter the Member shall submit to the Contractor, with a copy to the Employer, invoices for the balance of his/her daily fees and expenses, less the amounts advanced. The DAB shall not be obliged to render its decision until invoices for all daily fees and expenses of each Member for making a decision shall have been paid in full.

Unless paid earlier in accordance with the above, the Contractor shall pay each of the Member's invoices in full within 28 calendar days after receiving each invoice and shall apply to the Employer (in the Statements under the Contract) for reimbursement of one-half of the amounts of these invoices. The Employer shall then pay the Contractor in accordance with the Contract.

If the Contractor fails to pay to the Member the amount to which he/she is entitled under the Dispute Adjudication Agreement, the Employer shall pay the amount due to the Member and any other amount which may be required to maintain the operation of the DAB; and without prejudice to the Employer's rights or remedies. In addition to all other rights arising from this default, the Employer shall be entitled to reimbursement of all sums paid in excess of one-half of these payments, plus all costs of recovering these sums and financing charges calculated at the rate specified in Sub-Clause 14.8 of the Conditions of Contract.

If the Member does not receive payment of the amount due within 28 days after submitting a valid invoice, the Member may (i) suspend his/her services (without notice) until the payment is received, and/or (ii) resign his/her appointment by giving notice to the Employer and the Contractor. The notice shall take effect when received by them both. Any such notice shall be final and binding on the Employer, the Contractor and the Member.

7. Default of the Member

If the Member fails to comply with any obligation under Clause 4, he/she shall not be entitled to any fees or expenses hereunder and shall, without prejudice to their other rights, reimburse each of the Employer and the Contractor for any fees and expenses received by the Member and the Other Members (if any), for proceedings or decisions (if any) of the DAB which are rendered void or ineffective.

8. Disputes

Any dispute or claim arising out of or in connection with this Dispute Adjudication Agreement, or the breach, termination or invalidity thereof, shall be finally settled under the Rules of Arbitration of the Indian Council of Arbitration by one arbitrator appointed in accordance with these Rules of Arbitration

Annexure-II

PROCEDURAL RULES TO DISPUTE ADJUDICATION

- 1 The Employer and the Contractor shall furnish to the DAB one copy of all documents which the DAB may request, including Contract documents, progress reports, variation instructions, certificates and other documents pertinent to the matter in dispute. All communications between the DAB and the Employer or the Contractor shall be copied to the other Party. If the DAB comprises three persons, the Employer and the Contractor shall send copies of these requested documents and these communications to each of these persons.
- 2 The DAB shall proceed in accordance with Sub-Clause 63.2 and these Rules. Subject to the time allowed to give notice of a decision and other relevant factors, the DAB shall:
 - (a) act fairly and impartially as between the Employer and the Contractor, giving each of them a reasonable opportunity of putting his case and responding to the other's case, and
 - (b) adopt procedures suitable to the dispute, avoiding unnecessary delay or expense.
- 3 The DAB may conduct a hearing on the dispute, in which event it will decide on the date and place for the hearing and may request that written documentation and arguments from the Employer and the Contractor be presented to it prior to or at the hearing.
- 4 Except as otherwise agreed in writing by the Employer and the Contractor, the DAB shall have power to adopt an inquisitorial procedure, to refuse admission to hearings or audience at hearings to any persons other than representatives of the Employer, the Contractor and the Engineer, and to proceed in the absence of any party who the DAB is satisfied received notice of the hearing; but shall have discretion to decide whether and to what extent this power may be exercised.
- 5 The Employer and the Contractor empower the DAB, among other things, to:
 - (a) establish the procedure to be applied in deciding a dispute,
 - (b) decide upon the DAB's own jurisdiction, and as to the scope of any dispute referred to it,
 - (c) conduct any hearing as it thinks fit, not being bound by any rules or procedures other than those contained in the Contract and these Rules,
 - (d) take the initiative in ascertaining the facts and matters required for a decision,
 - (e) make use of its own specialist knowledge, if any,
 - (f) decide upon the payment of financing charges in accordance with the Contract,
 - (g) decide upon any provisional relief such as interim or conservatory measures, and
 - (h) open up, review and revise any certificate, decision, determination, instruction, opinion or valuation of the Engineer, relevant to the dispute.
- 6 The DAB shall not express any opinions during any hearing concerning the merits of any arguments advanced by the Parties. Thereafter, the DAB shall make and give its decision in accordance with Sub-Clause 63.2, or as otherwise agreed by the Employer and the Contractor in writing. If the DAB comprises three persons:
 - (a) it shall convene in private after a hearing, if any, in order to have discussions and prepare its decision;
 - (b) it shall endeavour to reach a unanimous decision: if this proves impossible, the applicable decision shall be made by a majority of the Members, who may require the minority Member to prepare a written report for submission to the Employer and the Contractor; and
 - (c) if a Member fails to attend a meeting or hearing, or to fulfil any required function, the other two Members may nevertheless proceed to make a decision, unless:
 - (i) either the Employer or the Contractor does not agree that they do so, or
 - (ii) the absent Member is the chairman and he/she instructs the other Member to not make a decision.

DETAILED SAFETY MEASURES

(A) MEASURES TO BE ENSURED PRIOR TO START OF WORK

- 1.1 The contractor shall not start any work without the presence of DFCCIL supervisors at site.
- 1.2 The methodology in detail for execution of the work at site shall be approved by engineering in charge of the organization executing the work and copies of the same shall be available with contractor's supervisor, DFCCIL supervisor of the section in whose jurisdiction the work falls.

(B) PROTECTION OF TRACK DURING EMERGENCY

1. Action to be taken when a contractor's supervisor or vehicle operator apprehends any unusual circumstances likely to infringe the track and endanger safe running of trains. At any time if a contractor's supervisor or vehicle operator observes any unusual circumstances likely to infringe the track and apprehend danger to safe running of track, he shall take immediate steps to advise a DFCCIL official of such danger and assist him in protection of track.
2. The track shall be protected as under. One person shall immediately plant a red flag (red lamp during night) at the spot and proceed with all haste in the direction of approaching train with a red flag in hand (red lamp during night) and plant a detonator on rail at a distance of 600m from the place of obstruction of BG track after which he shall further proceed for not less than 1200m from the place of obstruction from BG track and plant three detonators at 10 m apart on rails. After this he shall display the red flag (red lamp during night) at a distance of 45 m from the detonators. Attempts shall also be made to send an advice to the nearest DFCCIL/Railway station about the incident immediately.
3. Action to be taken if train is seen approaching to site of danger and there is no time to protect the track as per guidelines mentioned above. In such a case the detonators shall be planted on rails immediately at distance away from place of danger as far as possible and attention of driver of approaching train shall be invited by whistling, waving the red flag vigorously, gesticulating and shouting.
4. Action to be taken if more than one track is obstructed.
 - i. In case of single line protection as above, it shall be done in both the directions from place of danger.
 - ii. In case of double line or multiple lines, if other tracks are also obstructed, the protection as above shall be done for other track also.
 - iii. The protection shall be done in that direction and on that track first on which train is likely to arrive first.
 - iv. The Contractor's Supervisors, Operators and lookout men shall be properly explained about the direction of trains on running tracks.
5. Equipment required for protection of track: Minimum compliment of protection equipment i.e. 10 detonators, 4 red hand flags, 4 red hand lamps, 4 banner flags and whistles etc. shall always be kept ready at worksites for use in case of emergency. DFCCIL will arrange to provide detonators, whereas Contractor shall arrange other equipment at his own cost
6. Arrangement of lookout men and competency required for lookout man to warn labour about approaching train.
 - a. DFCCIL will provide lookout men.
 - b. The lookout men shall be properly trained in warning to staff at worksite about approaching train.
 - c. Only those lookout men shall be provided at site who have been issued with a competency

certificate by the DFCCIL Supervisor.

(C) SAFETY ASPECTS TO BE OBSERVED WHILE WORKING IN OHE AREA

1. No electrical work close to running track shall be carried out without permission of DFCCIL representative.
2. A minimum distance of 2 m has to be maintained between live OHE wire and body part of worker or tools or metallic supports etc
3. No electric connection etc. can be tapped from OHE.
4. Authorized OHE staff should invariably be present when the relaying work or any major work is carried out.
5. Power block is correctly taken and 'permit to work' is issued.
6. The structure bonds, track bonds, cross bonds, longitudinal rail bonds are not disturbed and If disconnected for the work, they are reconnected properly when the work is completed.
7. The track level is not raised beyond the permissible limit during the work.

(D) Dos and DONT'S FOR WORKING IN A.C. TRACTION AREA

DO(s)

1. In case of fire on electric traction equipment or wires:
 - a. Inform Traction Power Controller (TPC).
 - b. Extinguish fire by special extinguishers (Carbon tetrachloride or CO₂ type), if available.
 - c. Ensure no water jet directed at the fire is used under any circumstances.
2. Anything unusual on traction wires or electric rolling stock, inform Traction Power Controller or nearest Station Master.
3. In any emergency speak to Traction Power controller through the nearest means of communication.
 - a) Large metallic structures such as fencing, structural steel work of platform running parallel to the track should be earthed suitably.
 - b) Any tree or branches likely to fall on live conductor or nearer than 4m from the nearest live conductor shall be cut or trimmed by concerned staff in the presence of authorized staff of OHE.
 - c) Before taking up the work on a line running parallel to 2*25KV/25kV AC lines, the line shall be earthed on both the sides of the working party.
 - d) Ensure that distance between the two earths used for protection of working party does not exceed 1 km.
 - e) Keep clear of the track and avoid contact with the rails when electric train within 250m.
 - f) Special care should be taken to carry long pipes, poles or ladders so that it should not come in contact with or within 2m of live OHE.

DON'T(s)

- a) DO NOT approach within 2 meters (approximately 7 feet) of any traction wires or live equipment.
- b) DO NOT work on or near traction wires or any live equipment unless they are made dead, earthed, and shut down notices/permit to work obtained.
- c) DO NOT enter any switching station or remote-control center unless specially permitted.
- d) DO NOT permit unauthorized persons to operate any equipment even if it be for making it dead.
- e) DO NOT disturb any earthing or bonding or traction wires or connections to BEC (buried earth cable) or OPC (overhead protection cable).
- f) DO NOT touch a person in contact with live traction wires. Remove body only after power supply is switched off & earthed.
- g) DO NOT forget to give artificial respiration to the victim as per the prescribed procedure laid down at shock treatment charts.
- h) DO NOT touch any traction wire hanging from the mast or fallen on the ground and do not allow anyone else to touch it.
