If there is a discrepancy between the unit price and the total price, which is obtained by multiplying the unit price and quantity, or between subtotals and the total price, the unit or subtotal price shall prevail, and the total price shall be corrected.
- (c) The rates should be quoted in figures as well as in words. If there is variation between

rates quoted in figures and in words, the rate quoted in 'words' shall be taken as correct. If more than one or improper rates are tendered for the same item, the tender is liable to be rejected.

- (d) Prior to the detailed evaluation, DFCCIL shall determine whether each bid is of acceptable quality, is generally complete and is substantially responsive to the bidding documents. For purposes of this determination, a substantially responsive bid is one that conforms to all the terms, conditions and specifications of the bidding documents without material deviations, objections, conditionality or reservation. A material deviation, objections, conditionality or reservation is one:
- i. That affects in any substantial way the scope, quality or Performance of the contract.
 - ii. That limits in any substantial way, inconsistent with the bidding documents, the DFCCIL's rights or the successful Bidder's obligations under the contracts; or
 - iii. Whose rectification would unfairly affect the competitive position of other Bidders who are presenting substantially responsive bids.
 - iv. If a bid is not substantially responsive, it shall be rejected by the DFCCIL.
 - v. In case of tenders containing any conditions or deviations or reservations about contents of tender document. DFCCIL can summarily reject such tender.

1.3.26 Evaluation and comparison of tenders

In case of open tenders, bids, which are determined as substantially responsive, shall be evaluated based on criteria as given in Eligibility Criteria" and as given in Notice Inviting E-Tender. The tenderer must submit all necessary authentic data with necessary supporting certificates of the various items of evaluation criteria failing which his tender is liable to be rejected.

company.

1.3.33.19 All the Members of JV shall certify that they are not blacklisted or debarred by Railways or any other Ministry / Department of the Govt. of India from participation in tenders/contract on the date of opening of bids either in their individual capacity or as a member of the JV in which they were/are members.

1.3.33.20 All other documents in terms of explanatory notes in clause 1.3.13 Preamble & General Instruction to tenderer.

1.3.33.21 Credentials & Qualifying Criteria: Technical and financial eligibility of the JV shall be adjudged based on satisfactory fulfillment of the following criteria:

1.3.33.22 Technical Eligibility Criteria:-

The technical eligibility for the work as per para 1.3.13.(i). A Preamble & General Instruction to tenderer above, shall be satisfied by either the 'JV in its own name & style' or 'any member having min 26 % share'. Each other member of JV shall have technical capacity of minimum 5 % of the cost of work i.e., each JV member must have satisfactorily completed during the last 07 (seven) years, ending last day of month previous to the one in which tender is invited, one similar single work for a minimum of 5 % of advertised value of the tender.

Note:

Value of a completed work done by a Member in an earlier JV shall be reckoned only to the extent of the concerned member's share in that JV for the purpose of satisfying his/her compliance to the above-mentioned technical eligibility criteria in the tender under consideration.

1.3.33.23 Financial Eligibility Criteria

The JV shall satisfy the requirement of "Financial Eligibility" mentioned at para 1.3.13.(i). B Preamble & General Instruction to tenderer. The "financial capacity" of the lead partner of JV shall not be less than 51% of the financial eligibility criteria mentioned at para 1.3.13.(i).B Preamble & General Instruction to tenderer.

The arithmetic sum of individual "financial capacity" of all the members shall be taken as JV's "financial capacity" to satisfy this requirement.

Note: Contractual payment received by a Member in an earlier JV shall be reckoned only to the extent of the concerned member's share in that JV for the purpose of satisfying compliance of the above-mentioned financial eligibility criteria in the tender under consideration.

1.3.34.0 Participation of Partnership Firms in tenders:

1.3.34.1 The Partnership Firms participating in the tender should be legally valid under the provisions of the Indian Partnership Act.

1.3.34.2 The partnership firm should have been in existence or should have been formed prior to submission of tender. Partnership firm should have either been registered with the Registrar or the partnership deed should have been notarized prior to date of tender opening as per the Indian Partnership Act.

- 1.3.34.3 Separate identity / name should be given to the partnership firm. The partnership firm should have PAN/TAN number in its own name and PAN/TAN number in the name of any of the constituent partners shall not be considered. The valid constituents of the firm shall be called partners.
- 1.3.34.4 Once the tender has been submitted, the constitution of the firm shall not normally be allowed to be modified / altered / terminated during the validity of the tender as well as the currency of the contract except when modification becomes inevitable due to succession laws etc., in which case prior permission should be taken from DFCCIL and in any case the minimum eligibility criteria should not get vitiated. The re-constitution of firm in such cases should be followed by a notary certified Supplementary Deed. The approval for change of constitution of the firm, in any case, shall be at the sole discretion of the DFCCILs and the tenderer shall have no claims what-so-ever. Any change in the constitution of Partnership firm after opening of tender shall be with the consent of all partners and with the signatures of all partners as that in the Partnership Deed. Failure to observe this requirement shall render the offer invalid and full BID SECURITY shall be forfeited.

If any Partner/s withdraws from the firm after opening of the tender and before the award of the contract, the offer shall be rejected and BID SECURITY of the tenderer will be forfeited. If any new partner joins the firm after opening of tender but prior to award of contract, his / her credentials shall not qualify for consideration towards eligibility criteria either individually or in proportion to his share in the previous firm. In case the tenderer fails to inform DFCCIL beforehand about any such changes / modification in the constitution which is inevitable due to succession laws etc. and the contract is awarded to such firm, then it will be considered a breach of the contract conditions liable for determination of the contract under Clause 62 of General Conditions of Contract.

- 1.3.34.5 A partner of the firm shall not be permitted to participate either in his individual capacity or as a partner of any other firm in the same tender.
- 1.3.34.6 The tender form shall be submitted only in the name of partnership firm. The BID SECURITY shall be deposited by partnership firm through e-payment gateway or as mentioned in tender document. The BID SECURITY submitted in the name of any individual partner or in the name of authorized partner (s) shall not be considered.
- 1.3.34.7 One or more of the partners of the firm or any other person (s) shall be designated as the authorized person (s) on behalf of the firm, who will be authorized by all the partners to act on behalf of the firm through a "Power of Attorney", specially authorizing him / them to submit & sign the tender, sign the agreement, receive payment, witness measurements, sign measurement books, make correspondences, compromise / settle / relinquish any claim (s) preferred by the firm, sign "No Claim Certificate", refer all or any dispute to arbitration and to take similar such action in respect of the said tender / contract. Such "Power of Attorney" shall be notarized / registered and submitted along with the tender.
- 1.3.34.8 On issue of Letter of Acceptance (LOA) to the partnership firm, all the guarantees like Performance Guarantee, Guarantee for various Advances to the Contractor shall be submitted only in the name of the partnership firm and no splitting of guarantees among the partners shall be acceptable.
- 1.3.34.9 On issue of Letter of Acceptance (LOA), contract agreement with partnership firm shall be executed in the name of the firm only and not in the name of any individual partner.

1.3.34.10 In case the Letter of Acceptance (LOA) is issued to a partnership firm, the following undertakings shall be furnished by all the partners through a notarized affidavit, before signing of contract agreement.

- (a) Joint and several liabilities: The partners of the firm to which the Letter of Acceptance (LOA) is issued, shall be jointly and severally liable to the DFCCIL for execution of the contract in accordance with General and Special Conditions of the Contract. The partners shall also be liable jointly and severally for the loss, damages caused to the DFCCIL during the course of execution of the contract or due to non-execution of the contract or part thereof.
- (b) Duration of the partnership deed and partnership firm agreement: The partnership deed/partnership firm agreement shall normally not be modified/alterd/ terminated during the currency of contract and the maintenance period after the work is completed as contemplated in the conditions of the contract. Any change carried out by partners in the constitution of the firm without permission of DFCCIL, shall constitute a breach of the contract, liable for determination of the contract under Clause 62 of the General Conditions of Contract.
- (c) Governing laws: The partnership firm agreement shall in all respect be governed by and interpreted in accordance with the Indian laws.
- (d) No partner of the firm shall have the right to assign or transfer the interest right or liability in the contract without the written consent of the other partner/s and that of the DFCCIL.

1.3.34.11 The tenderer shall clearly specify that the tender is submitted on behalf of a partnership firm. The following documents shall be submitted by the partnership firm, with the tender:

- (i) A notarized copy of partnership deed.
- (ii) A notarized or registered copy of Power of Attorney in favour of the individual to tender for the work, sign the agreement etc. and create liability against the firm.
- (iii) An undertaking by all partners of the partnership firm that they are not blacklisted or debarred by Railways or any other Ministry / Department of the Govt. of India from participation in tenders / contracts as on the date of opening of bids, either in their individual capacity or in any firm in which they were / are partners. Concealment / wrong information in regard to above shall make the contract liable for determination under Clause 62 of the General Conditions of Contract.
- (iv) All other documents in terms of explanatory notes in clause 1.3.13 Preamble & General Instruction to tenderer.

1.3.34.12 Evaluation of eligibility of a partnership firm:

Technical and financial eligibility of the firm shall be adjudged based on satisfactory fulfillment of the eligibility criteria laid down in Clause 1.3.13 Preamble & General Instruction to tenderer.

CLAIMS

- 43.(1). **Monthly Statement of Claims:-** The Contractor shall prepare and furnish to the Engineer once in every month an account giving full and detailed particulars of all claims for any additional expenses to which the Contractor may consider himself entitled to and of all extra or additional works ordered by the Engineer which he has executed during the preceding month and no claim for payment for and such work will be considered which has not been included in such particulars.
- 43.(2). **Signing of “No Claim” Certificate:-** The Contractor shall not be entitled to make any claim whatsoever against the DFCCIL under or by virtue of or arising out of this contract, nor shall the DFCCIL entertain or consider any such claim, if made by the Contractor, after he shall have signed a “No Claim” Certificate in favour of the DFCCIL in such form as shall be required by the DFCCIL after the works are finally measured up. The contractor shall be debarred from disputing the correctness of the items covered by “No Claim” Certificate or demanding a clearance to arbitration in respect thereof.

MEASUREMENTS, CERTIFICATES AND PAYMENTS

44. **Quantities in schedule annexed to Contract:** The quantities set out in the accepted schedule of rates with items of works quantified are the estimated quantities of the work to be executed by the Contractor in fulfilment of his obligations under the contract.
- 45.(i). **Measurement of works by DFCCIL:-** The Contractor shall be paid for the works at the rates in the accepted schedule of rates and for extra works at rates determined under Clause 39 of these conditions on the measurements taken by the Engineer or the Engineer’s representative in accordance with the rules prescribed for the purpose by the DFCCIL. The quantities for items the unit of which in the accepted schedule of rates is 100 or 1000 shall be calculated to the nearest whole number, any fraction below half being dropped and half and above being taken as one; for items the unit of which in the accepted schedule of rates is single, the quantities shall be calculated to two places of decimals. Such measurements will be taken of the work in progress from time to time and at such intervals as in the opinion of the Engineer shall be proper having regard to the progress of works. The date and time on which “on account” or final measurements are to be made shall be communicated to the Contractor who shall be present at the site and shall sign the results of the measurements (which shall also be signed by the Engineer or the Engineer’s representative) recorded in the official measurements book as an acknowledgement of his acceptance of the accuracy of the measures. Failing the Contractor’s attendance, the work may be measured up in his absence and such measurements shall, notwithstanding such absence, be binding upon the Contractor whether or not he shall have signed the measurement books provided always that any objection made by him to measurement shall be duly investigated and considered in the manner set out below:
- (a) It shall be opened to the Contractor to take specific objection to any recorded measurements or Classification on any ground within seven days of the date of such measurements. Any re-measurement taken by the engineer or the Engineer’s representative in the presence of the Contractor or in his absence after due notice has been given to him in consequence of objection made by the Contractor shall be final and binding on the Contractor and no claim whatsoever shall thereafter be entertained regarding the accuracy and classification of the measurements.
- (b) If an objection raised by the Contractor is found by the Engineer to be incorrect the Contractor shall be liable to pay the actual expenses incurred in measurements.
- 45.(ii). **Measurement of works by Contractor’s Authorized Representative:** Not Applicable to this tender.

- 46.(1). **“On-Account” Payments: -** The Contractor shall be entitled to be paid from time to time by way of

63.2 Dispute Adjudication Board (DAB): This clause is applicable in the tender having advertised value more than Rs 50 Crore.

63.2.1 Any dispute/s if not settled with the Engineer, shall be referred to DAB.

The DAB shall consist of a panel of three Adjudicators from the List of Empaneled Arbitrators/Conciliators maintained by DFCCIL. The DAB shall be formed within 90 days of signing of Contract Agreement. For this purpose, a Panel of DAB members shall be maintained in the DFCCIL Corporate Office, New Delhi. The complete Panel, which shall not be less than five members, shall be sent by DFCCIL to the Contractor to nominate one member of the DAB from the panel as Contractor's nominee within two weeks of receipt of the Panel. On receipt of Contractor's nominee, the MD/DFCCIL shall nominate one member from the same Panel as DFCCIL nominee for the DAB. Both above nominees shall jointly select presiding member of the DAB from the same Panel.

63.2.2 The General condition of Dispute Adjudication Agreement is laid down in **Annexure- I**. The appointment of DAB shall be effectuated by way of a tri-partite DAB Agreement among the DFCCIL, Contractor and the respective DAB members as per format of **Annexure No. - III**. The terms of the remuneration of each member shall be as fixed by DFCCIL from time to time. Each party shall be responsible for paying one-half of this remuneration.

63.2.3 If one or more of the members appointed refuses to act as DAB member, or is unable or unwilling to perform his functions as DAB member for any reason whatsoever or dies or in the opinion of the MD fails to act without undue delay, the parties shall terminate the mandate of such DAB member and thereupon new DAB member shall be appointed in the same manner, as the outgoing DAB member had been appointed.

63.2.4 The appointment of any member may be terminated by mutual agreement of both Parties, but not by the DFCCIL or the Contractor acting alone. Unless otherwise agreed by both the Parties, the appointment of the DAB (including each member) shall expire upon expiry of this Contract Agreement.

63.2.5 Before start of DAB proceedings, each DAB member shall give the following certificate to the DFCCIL and the Contractor:

"I have no any past or present relationship in relation to the subject matter in dispute, whether

financial, business, professional or other kind. Further, I have no any past or present relationship with or interest in any of the parties whether financial, business, professional or other kind, which is likely to give rise to justifiable doubts as to my independence or impartiality.”

- 63.2.6 DAB proceedings shall be conducted as per Procedural Rules to Dispute Adjudication laid down in **Annexure - II**. The DAB shall give its decision within 84 days of a Dispute referred to it by any of the Parties, duly recording the reasons before arriving at the decision. The DAB shall decide the issue within terms and conditions of the contract. This time limit shall be extendable subject to the Parties mutual agreement.
- 63.2.7 In case any party is not satisfied by the decision of DAB, then the aggrieved party may, within 28 days after receiving the decision, give notice to the other Party of its dissatisfaction. If the DAB has given its decision as to a matter in dispute to both Parties, and no notice of dissatisfaction has been given by either Party within 28 days after its received the DAB's decision, then the decision shall become final and binding upon the Parties.
- 63.2.8 No dispute shall be referred to Arbitral Tribunal unless the same has been referred to DAB for adjudication. However, in case DAB is not formed due to any reason, the disputes can be directly referred to Arbitral Tribunal to adjudicate the dispute.
- 63.2.9 In the specific cases of any misconduct by any of the members of the DAB, the parties shall have the right to specifically bring it to the notice of the DAB such conduct, through a statement filed with necessary documents in proof of such misconduct and the DAB, after taking NOTICE of such conduct initiate the replacement of the member concerned, in the same manner the member to be replaced was appointed.
- 63.2.10 Once the decision is given by DAB, DAB cannot review the decision at its own or on the request of one party, unless both parties agree for review of decision by DAB.
- 63.2.11 In case DAB decision is not challenged, or no Notice of Dissatisfaction has been issued by either Party within 28 days of receipt of decision of DAB, the decision shall be considered as final and parties would be barred for referring the same to Arbitral Tribunal for adjudication.
- 63.2.12 The obligation of the DFCCIL and the Contactor shall not be altered by reasons of issue being or under reference to DAB.
- 63.2.13 The DAB shall conduct the proceedings at any convenient venue which shall be decided by DAB in consultations with parties.
- 63.2.14 It is a term of this contract that the Parties shall not approach any Court of Law for settlement of such disputes or differences unless an attempt has first been made by the parties to settle such disputes or differences through DAB and Arbitral Tribunal.

64. (1) Demand for Arbitration:

- 64. (1)(i)** (a) In the event of any dispute or difference between the parties hereto as to the construction or operation of this contract, or the respective rights and liabilities of the parties on any matter in question, dispute or difference on any account or as to the withholding by the DFCCIL of any certificate to which the contractor may claim to be entitled to, or if the DFCCIL fails to make a decision within 120 days, then and in any such case, but except

in any of the 'excepted matters' referred to in clause 63 of these conditions, the contractor, after 120 days but within 180 days of his presenting his final claim on disputed matters shall demand in writing that the dispute or difference be referred to arbitration.

- (b) A dispute, unless settled through Conciliation or in which DAB's decision has become final and binding, shall be finally settled by Arbitration as per Arbitration and Conciliation Act 1996 and its amendments thereof.

64.(1) (ii) The demand for arbitration shall specify the matters which are in question, or subject of the dispute or difference as also the amount of claim item wise. Only such dispute or difference, in respect of which the demand has been made, together with counter claims or set off, given by the DFCCIL, shall be referred to arbitration and other matters shall not be included in the reference.

64.(1) (iii) (a) The arbitration proceedings shall be assumed to have commenced from the day, a written and valid demand for arbitration is received by the DFCCIL.

- (b) The claimant shall submit his claim stating the facts supporting the claims along with all the relevant documents and the relief or remedy sought against each claim within a period of 30 days from the date of appointment of the Arbitral Tribunal.

- (c) The DFCCIL shall submit its defence statement and counter claim(s), if any, within a period of 60 days of receipt of copy of claims from Tribunal thereafter, unless otherwise extension has been granted by Tribunal.

- (d) The seat of arbitration would be (New Delhi). However, the venue for arbitration meetings or hearings can be any other place with the consent of parties.

- (e) Both the parties shall submit to the jurisdiction of the courts situated at New Delhi for the purpose of actions and proceedings arising out of the contract and the courts at Delhi shall have the sole and exclusive jurisdiction to hear and decide such actions and proceedings.

64.(1)(iv) No new claim shall be added during proceedings by either party. However, a party may amend or supplement the original claim or defence thereof during the course of arbitration proceedings subject to acceptance by Tribunal having due regard to the delay in making it.

64.(1)(v) If the contractor(s) does/do not prefer his/their specific and final claims in writing, within a period of 90 days of receiving the intimation from the DFCCIL that the final bill is ready for payment, he/they will be deemed to have waived his/their claim(s) and the DFCCIL shall be discharged and released of all liabilities under the contract in respect of these claims.

64.(2) Obligation During Pendency of Arbitration: Work under the contract shall, unless otherwise directed by the Engineer, continue during the arbitration proceedings, and no payment due or payable by the DFCCIL shall be withheld on account of such proceedings, provided, however, it shall be open for Arbitral Tribunal to consider and decide whether or not such work should continue during arbitration proceedings.

64.(3) Appointment of arbitrator

64.(3)(a): In cases where the total value of all claims in question added together does not exceed ₹ 1,00,00,000/- (Rupees One Crore), the Arbitral Tribunal shall consist of a Sole Arbitrator from

the List of Empaneled Arbitrators, nominated by the MD/DFCCIL. The sole arbitrator shall be appointed within 60 days from the day when a written and valid demand for arbitration is received by MD/ DFCCIL.

- 64.(3)(b):** In cases not covered by the Clause 64(3)(a), the Arbitral Tribunal shall consist of a panel of three members, as the arbitrators. For this purpose, a broad based panel of Arbitrators shall be maintained in DFCCIL corporate office, New Delhi. The panel, which shall not be less than 5 members, shall be sent by CGM/GM DFCCIL to the Contractor to nominate one member of Arbitral Tribunal from the Panel as Contractor's Nominee within 2 weeks of receipt of the panel. On receipt of Contractor's Nominee, the MD/DFCCIL shall nominate one member from the same panel as DFCCIL nominee for the Arbitral Tribunal. Both above nominees shall jointly select Presiding Arbitrator of the Arbitral Tribunal from the same panel.
- 64.(3)(c) (i):** If one or more of the arbitrators appointed as above refuses to act as arbitrator, withdraws from his office as arbitrator, or vacates his/their office/offices or is/are unable or unwilling to perform his functions as arbitrator for any reason whatsoever or dies or in the opinion of the MD DFCCIL fails to act without undue delay, the MD DFCCIL shall appoint new arbitrator/arbitrators to act in his/their place in the same manner in which the earlier arbitrator/arbitrators had been appointed. Such re-constituted Tribunal may, at its discretion, proceed with the reference from the stage at which it was left by the previous arbitrator (s).
- 64.(3)(c)(ii):** (a) The Arbitral Tribunal shall have power to call for such evidence by way of affidavits or otherwise as the Arbitral Tribunal shall think proper, and it shall be the duty of the parties hereto to do or cause to be done all such things as may be necessary to enable the Arbitral Tribunal to make the award without any delay. The proceedings shall normally be conducted on the basis of documents and written statements.
- (b) Before proceeding into the merits of any dispute, the Arbitral Tribunal shall first decide and pass its orders over any plea submitted/objections raised by any party, if any, regarding appointment of Arbitral Tribunal, validity of arbitration agreement, jurisdiction and scope of the Tribunal to deal with the dispute (s) submitted to arbitration, applicability of time 'limitation' to any dispute, any violation of agreed procedure regarding conduct of the arbitral proceedings or plea for interim measures of protection and record its orders in day to day proceedings. A copy of the proceedings duly signed by all the members of tribunal should be provided to both the parties.
- 64.3(c)(iii):** While appointing arbitrator(s) under Sub-Clause 64.(3)(a) & 64.(3)(b) above, due care shall be taken that he/they is/are not the one/those who had an opportunity to deal with the matters to which the contract relates or who in the course of his/their duties as DFCCIL/Railway servant(s) expressed views on all or any of the matters under dispute or differences. A certification to this shall be taken from Arbitrators also. The proceedings of the Arbitral tribunal or the award made by such Tribunal will, however, not be invalid merely for the reason that one or more arbitrator had, in the course of his service, opportunity to deal with the matters to which the contract relates or who in the course of his/their duties expressed views on all or any of the matters under dispute.
- 64.(3)(d)(i):** The arbitral award shall state item wise, the sum and reasons upon which it is based. The analysis and reasons shall be detailed enough so that the award could be inferred therefrom.
- 64.(3)(d)(ii):** A party may apply for corrections of any computational errors, any typographical or clerical errors or any other error of similar nature occurring in the award of a Tribunal and interpretation

of a specific point of award to Tribunal within 60 days of receipt of the award.

- 64.(3)(d)(iii):** A party may apply to Tribunal within 60 days of receipt of award to make an additional award as to claims presented in the arbitral proceedings but omitted from the arbitral award.
- 64.(4):** In case of the Tribunal, comprising of three members, any ruling on award shall be made by a majority of members of Tribunal. In the absence of such a majority, the views of the Presiding Arbitrator shall prevail.
- 64.(5):** Where the arbitral award is for the payment of money, no interest shall be payable on whole or any part of the money for any period till the date on which the award is made.
- 64.(6):** The cost of arbitration shall be borne by the respective parties. The cost shall inter-alia include fee of the arbitrator(s), as per the rates fixed by DFCCIL from time to time and the fee shall be borne equally by both the parties, provided parties sign an agreement in the format given at Annexure-IV to these conditions after/ while referring these disputes to Arbitration. Further, the fee payable to the arbitrator(s) would be governed by the instructions issued on the subject by DFCCIL from time to time irrespective of the fact whether the arbitrator(s) is/are appointed by the DFCCIL or by the court of law unless specifically directed by Hon'ble court otherwise on the matter.
- 64.(7)** Subject to the provisions of the aforesaid Arbitration and Conciliation Act 1996 (as amended up to date) and the rules thereunder and relevant para of the General Conditions of Contract and any statutory modifications thereof shall apply to the appointment of arbitrators and arbitration proceedings under this Clause.
- 64.(8)** In case arbitration award is challenged by a party in the Court of Law, 75% of award amount, pending adjudication by Court of Law, shall be made by party to other party. In case payment is to be made by DFCCIL to Contractor, the terms & conditions incorporated in the DFCCIL Policy as amended from time to time, shall be followed. In case Contractor has to pay to the DFCCIL, then 75% of the award amount shall be deducted by the DFCCIL from the Contractor's bills, Performance Guarantee or any other dues of Contractor with the Government of India.
- 64.(9)** The Arbitrator Fee will be governed by latest Fee structure for empanelled DFCCIL arbitrators.

1.4 APPLICABLE TECHNICAL DOCUMENTS

Following manual/documents will be applicable for this work:

- (a) Technical specification for high output tamping cum stabilizing machine capable of 3500 sleepers per Hour peak output for B.G. (1676mm), specification No. TM/HM/HOT-STAB/371 Rev. 02- 2017. Rev.-02, / revised upto date
- (b) Indian Railway P.WAY manual-2020 as updated on date of opening of tender. An updated copy of above manual/document is available on Indian railway website: indianrailways.gov.in/Railway board.
- (c) Indian Railway Track Machine Manual- Sept. 2019 as updated on date of opening of tender. An updated copy of above manual/documents is available on Indian Railway web site Indianrailways.gov.in/railway board.
- (d) Schedule of Dimensions (SOD). (An updated copy of above manual/documents is available on Indian Railway web site Indianrailways.gov.in/railway board and DFCCIL SOD).
- (e) DFCCIL's General & Subsidiaries rules (Copy may be collected from DFCCIL), and
- (f) DFCCIL's SHE Manual (An updated copy of above manual is available on DFCCIL web site).

Note: Changes made during execution of contract will be communicated to contractor by DFCCIL under clear acknowledgment. Subsequent changes after date of opening of tender including correction slips to above documents will be applicable only when revision of rates, terms and conditions are worked out with mutual consent.

1.5 Obligations of Contractor & DFCCIL are incorporated in tender document & important obligations on both parties are summarized below:

(a) **Contractor's obligations:**

- i) Maintain the machines as per maintenance Schedules (weekly, 50 Hrs, 100 Hrs, 200/250 Hrs, 1000 Hrs, 2000 hrs (IOH), and 8000 POH) by providing timely consumables, spares and maintenance staff etc. by his own manpower.
- ii) Ensuring availability of agreed scale of staff for operation (movement, shifting and working) and maintenance of track machines.
- iii) Ensuring availability of Track machine for tamping for 25 days in month. The time consumed in Maintaining the machine as per 1000 Hrs, IOH and POH will be considered as availability for purpose of counting 25 days.
- iv) Offer the track machines to DFCCIL for obtaining traffic block and avail traffic block as granted.
- v) The block timings may be different depending upon the traffic pattern and shall be advised to the supervisor in advance, who will ensure that the machine is offered with due daily maintenance at least 30 minutes before the tentative block time.
- vi) Will arrange proper lighting for night block working.
- vii) Pre & post tamping survey by Tamping machine using ALC and use the data for tamping purpose.
- viii) Carry out the work of tamping by his own operators.
- ix) Tamping of the track shall be carried out so as to attain the final track geometry after the work (final tamping) with in the prescribed tolerances.

- x) Supply of spares of as per latest approved AMC/procurement rates enclosed as **Annexure-I** [of spare of N..Railway].
- xi) Average team to be deputed for operation & maintenance: Supervisor -1, Operators - 2, Technicians/Fitter – 3, Helper-3.
- xii) Supply of Carbide tamping tools, recoupmnt of hydraulic oil (Complete replacement of hydraulic oil after its prescribed life) shall be paid separately.
- xiii) Contractor will try to optimize the utilization of traffic blocks.
- xiv) Indemnify the DFCCIL and maintain insurance as per contract.
- xv) Provide accommodation and transport facilities to its staff.
- xvi) Contractor will ensure validity of competency of staff and for this purpose he will spare the staff in time for refresher courses, Periodical Medical Examination and arrange suitable replacement at par with IR Track machine operators.
- xvii) Contractor will supervise the tamping work at its own cost and ensure safety and quality of work.
- xviii) Shall maintain the record and submit periodical progress/information/reports as per contract.
- xix) Shall make arrangements to expeditiously clear the block section in case of failure/derailment of track machine, by his own means and at his own cost.
- xx) Shall take measurement of works and submit the bills in time.
- xxi) During breakdown maintenance, Contractor shall provide:
 - a. All necessary manpower needed to restore the machine for operation.
 - b. All additional manpower and specialists for immediate troubleshoot and repair in the least possible time.
- xxii) Contractor shall ensure that all precautions to be taken while working in Track circuited area is observed as per Para 279 of IRPWM.
- xxiii) After completion of days/nights works contractor shall ensure that all equipment, tools and plants is cleared before leaving the site. No material whatsoever shall be left behind.
- xxiv) The contractor shall ensure that all his staff shall wear proper uniform with personal protective equipment including helmet, safety shoes and illuminated jacket etc. while working.
- xxv) The contractor shall take all necessary safety measures & precautions and the contractor shall be entirely responsible for the safety & security of his men & materials.
- xxvi) Contractor shall provide Photo-identity cards to all his staff & supervisors.
- xxvii) Adhere to statutory laws.
- xxviii) To deploy competent staff fulfilling necessary medical requirements. Medical examination at nominated medical hospital/Health center will be carried out by DFCCIL Medical Officers Charges of medical examination, if any, will be borne and paid by contractor.
- xxix) While working on double/multiple line sections, it shall not infringe the adjoining track and it must be possible to permit trains at full speed on that track. If considered unavoidable for working, any infringement of the adjoining track shall be allowed only after obtaining the block of that track.
- xxx) The cost of manpower and service engineer of all schedules of maintenance prescribed in Track machine manual (i.e weekly, 50 Hrs, 100 Hrs, 200/250 Hrs, 1000 Hrs, IOH and POH) are included in agreed rates of item No. A 1 of SOR. However, the spare parts and other material required to be replaced shall be paid through Schedule B of SOR.

(b) DFCCIL's obligations:

- i) To ensure timely availability of work site to contractor.
- ii) To ensure availability of correct and reliable track survey data in machine

Signature of tenderer (s)
With seal

- compatible format available to the machine before start of tamping operation.
- iii) Provide the lifting/ slewing requirements/ existing alignment GPS coordinates and track original alignment co-ordinates.
- iv) Carrying out pre-survey and carry out the pre-work like pre-ballast regulation (wherever required), identification and removal of broken sleepers and their replacement by good sleepers, identification and removal of broken/missing fittings and their replacement by good fittings, squaring of out of square sleepers.
- v) Arrange HSD oil for track machine at Machine stabling siding
- vi) DFCCIL will arrange sufficient ballast in advance, so that tamping operations may be carried out by contractor properly.
- vii) Carry out pre and post block activities.
- viii) Provide look out men for safety of track and workers during block as per conditions of contract.
- ix) To communicate changes made in IR/DFCCIL manuals/codes i.e. IRPWM, G&SR, IRTMM etc. to contractor.
- x) DFCCIL will provide required training of contractor's staff regarding track protection, periodical medical examination and issue valid competency certificate on payment basis.
- xi) DFCCIL will provide and impose Speed Restrictions required for the work (if required). DFCCIL will also erect caution indicator boards, speed indicator boards and termination boards at appropriate location as per prevalent speed restriction.
- xii) DFCCIL will ensure timely availability of competent DFCCIL staff to submit requisition for traffic block, obtain and clear traffic block after completion of work. Based upon the track parameter, suitable speed at which traffic shall be opened will be mentioned by the competent DFCCIL staff in block clearance memo.
- xiii) DFCCIL will depute sufficient support staff (Engineering, S&T, TRD etc.) as per requirement during working of track machines including look out/safety men for ensuring safety of track, train and workers, at its own cost.
- xiv) DFCCIL will ensure timely shifting of track machines by providing path and Competent DFCCIL(LP/ALP), wherever required.
- xv) DFCCIL will provide suitable sidings/track for stabling of track machines, nearest possible to work site.
- xvi) DFCCIL will provide sufficient open space (250 sqft) in the nearest track machine depot/ISMD/IMD for storage of spares. DFCC shall provide, free of charge, adequate space for lubricants and spares at central depot location (if required) and office for manpower at depots, with free electricity, where machine is placed
- xvii) After work the block section should be cleared at the earliest and if contractor is not able to clear the block section in case of failure/derailment of track machine/s. In such, cases requiring DFCCIL's assistance of loco/ART/MFD van etc, the penalty as per contract will also be levied by DFCCIL on contractor.
- xviii) DFCCIL will examine the bills submitted by the contractor and will make timely payment as per contract conditions.
- xix) To ensure safety and security (against theft and mis-use) of the machine, tools and any other spares
- xx) In case of repair of Proprietary software/related hardware of the electronic components of the machine, Contractor shall be provided free access by DFCC to transport the part to their nearest workshop.
- xxi) DFCC will provide free access to Contractor's operation and maintenance team members/vehicles/tools etc. contractor will notify DFCC about the arrival of tools/heavy spares carrying vehicles for maintenance of the machines well in advance if it is expected after normal works hours.
- xxii) Wherever required, all necessary permissions has to be ensured by the DFCCIL.
- xxiii) DFCCIL shall intimate about the working hour well in advance preferably one day in advance. Before the end of each day's work the contractor shall be advised in writing by the Employer, of the commencement time and duration of the following day's occupation(s). Contractor shall be allowed sufficient time on- track to calibrate and adjust the machine as part of the preventive maintenance of the

machine. This time will be outside the scheduled occupation periods and will not be included in any of the contract measurements.

- xxiv) The live electric/signaling/telecom cables will be removed by concerned DFCCIL staff at their cost.
- xxv) The ballast shall be planned, procured, provided and unloaded (either by wagons or manually through cess supply) in the section by the DFCCIL well in advance.
- xxvi) Any item which is not specifically included in the scope of contractor will be carried out by DFCCIL either departmentally or through other agencies.
- xxvii) Adhere to all its obligations as per contract conditions.

1.6 GENERAL REQUIREMENTS

- 1.6.1 The Contractor has to execute works of Operation & Maintenance of Machine (herein after called the machines) which will be deployed anywhere over DFCCIL network as per the instructions of DFCCIL/CGMs. During the execution of the contract. The cost of all consumables, manpower and other logistics required for operation and maintenance of machines are included on contract price excluding cost of HSD oil.
- 1.6.2 The contractor will be responsible for ensuring the availability of machine for 8 hours in two spells every day for tamping (which might be increased by up to 2 to 3 hours depending on traffic condition over DFCCIL during operation) but daily average (on weekly basis) will be 8 hrs only. The two spells may be continuous or staggered. During maintenance shift, the stipulated maintenance of machine, stipulated preventive checks and schedule maintenance of Machine including all assemblies (like engines, generators, Hydraulic system, Pneumatic system and electrical control system etc.) or sub-assemblies' various water & HSD oil pumps, sensors etc) as specified by OEM of machine updated time to time to ensure it's upkeep shall be carried out by the Contractor. In any quarter period machine must be available for minimum 75 days.
- 1.6.3 The timings of the shift are not fixed and will change depending upon corridor block timings. However overall shift time shall be 8 Hrs in a day. Roster of shift shall be issued by the respective field unit on weekly basis.
- 1.6.4 The contractor must ensure the care /safety/health hazards of the labours engaged by him/her during the execution of work. Necessary safety equipment shall be provided by the contractor for the staff engaged by the tenderer. No extra amount is payable toward this.
- 1.6.5 The Contractor shall provide adequate and appropriate security at their disposal to protect and preserve the Machine from anti-social during working and stabling of machine in DFCCIL yard from time to time. Contractor has to ensure 24X7 safety and security of machines during complete O & M phase.
- 1.6.6 The manpower employed by the contractor shall have no right, whatsoever, for any appointment in the DFCCIL in temporary/adhoc/ daily wages/ regular capacity on the basis of their work in the DFCCIL territory.
- 1.6.7 Authorized DFCCIL's representative having route learning of the particular section where the Machine is working will be present for supervising the tamping work and to monitor the movement of the Machine from one section to another. Machine shall not be moved without authorized DFCCIL's representative. The same would be provided free of charge.
- 1.6.8 All tools and plants, drawings, manuals which are supplied by the DFCCIL are to be handed over back in good condition after expiry of the contract period to authorized DFCCIL unit.
- 1.6.9 When the Machine is on transit with its own power from one station to another, there will be no routine maintenance, and machine shall be made available for movement in two shifts of 10 hours each (2x10 hours) in 24 hours' time frame till it reaches destination. The staff of

operation and maintenance shall be so redistributed that at least one operator and two staff for transit are available in each shift.

- 1.6.10 **Special cleaning of machine to be carried out once a month** (as far as possible) with detergents and other cleaning agents to remove all soot, dust and to keep the entire machine in good appearance. The machine will be stabled at a place in OHE/non-OHE siding available so as to ensure proper cleaning. Patch painting at rusted locations should be done after cleaning with matching color. No amount is separately payable towards this.
- 1.6.11 Complete and up to date records for daily, weekly and monthly maintenance will be maintained by the contractor and counter signed by DFCCIL officials. The daily/weekly/monthly and all progress report in the special format shall be mailed to CGM unit/DFCCIL HQ daily. The daily progress shall be **mailed to the nominated DFCCIL official along with weekly and monthly progress reports in the prescribed format.**
- 1.6.12 Each party agrees to indemnify, defend, and hold harmless the other party from all liability, cost or expense (including any court costs) caused by the joint and/or concurring negligence of the parties, arising on account of injury to or death of any employee or representative of the indemnifying party during the performance of the Services or who shall, if not performing Services, be present as a bystander or otherwise on the property of either party, provided always, however, that if the injury or death to an employee of an indemnifying party is caused solely by the negligence of the other party then this indemnity and hold harmless provision shall be null and void, and the party who solely caused the injury or death shall bear the cost or expense. Notwithstanding any provision herein to the contrary.
- 1.6.13 The contractor shall ensure compliance with all relevant Central/State laws and rules as applicable such as Tax Laws, Labour Laws and Insurance Laws etc with regard to the contract and shall be solely responsible for the same and shall keep the DFCCIL fully indemnified against the liability of any Taxes, interest, penalty etc if any arising any connection with the contract may be incorporated. If any accident occurs with any worker of the contractor while doing his job, the DFCCIL will not be liable in any way and the sole responsibility for payment of compensation, etc. will be of the contractor.

1.7 MAINTENANCE OF MACHINE

- 1.7.1 All Workshop facilities to be arranged by contractor except for repair of under frame system and for wheel turning.
- 1.7.2 Contractor will be responsible for upkeep of track machines, along with preventive checks and schedule maintenance of machine including all assemblies (like engines, generators, Hydraulic system, Pneumatic system and electrical control system etc.) and sub-assemblies (various water & HSD oil pumps, sensors etc).
- 1.7.3** Daily maintenance will be done before start of Machine operations. Other schedule maintenance (weekly, 50 Hrs, 100 Hrs, 200/250 Hrs) are to be performed at appropriate time intervals in the balance time available after offering the machine for operational activities. **8 Hrs working time does not include time required daily routine maintenance activities** (weekly, 50 Hrs, 100 Hrs, 200/250 Hrs). **The period involved for** weekly, 50 Hrs, 100 Hrs, 200/250 Hrs maintenance schedule will not be considered as availability for counting 25 days
- 1.7.4 Routine maintenance of undercarriage systems shall also be undertaken by the contractor. All Workshop facilities to be arranged by contractor including repair of under frame system and for wheel turning. In case this contractor request DFCCIL to arrange the same from IR, then if possible for DFC it will be arranged by DFCCIL on the cost of contractor. The Pit facility will be provided by DFCCIL free of cost at New Dadri or any other station of DFC.
- 1.7.5 The Contractor should maintain inventory of critical spares on machine and/or at nearest place

in order to minimize the number of breakdowns and delays in the repair and operation. He should keep stand by critical spare parts which has very long (more than a week) procurement time like tamping bank/ satellite unit parts at his work shop.

- 1.7.6 The contractor shall be responsible towards mounting and dismounting of good/ unserviceable components/parts/materials on the machines. Firm shall be responsible for providing sufficient number of consumables, serviceable components/ parts/materials on the machines to minimize break down or delay.
- 1.7.7 During maintenance, all necessary consumables will be arranged by contractor and no extra payment will be made for these.
- 1.7.8 The Contractor shall prepare and send to DFCCIL the days scheduled for planned/scheduled maintenance of the track machines during the month at least 15 days in advance of the beginning of the month.
- 1.7.9 Contractors is allowed to use existing infrastructure including pit at DFCCIL Track Machine Maintenance Depots facility free of cost if available.

1.8 MAINTENANCE OF RECORDS

- 1.8.1 Maintenance records during Schedule and breakdown maintenance shall be maintained machine wise in hard copy as well as soft copy as per format provided and updated from time to time. This record can be maintained in a register form which can be kept in the machine itself.
- 1.8.2 These records shall be provided to DFCCIL by the crew on the machine in a timely manner.
- 1.8.3 The contractor shall maintain the history book, logbook and all other documents prescribed for track machines as per IRTMM and any other document that may be prescribed further in due course of time.
- 1.8.4 The contractor shall compile and submit a standard daily report accurately depicting operational timings, delays, reasons for 'NO work', machine availability, progress achieved by each track machine and maintenance input given to machine . DFCCIL representatives will also sign this report on a daily basis. In case of difference of opinion, he will write his observations on the daily report submitted by the contractor for his signature. The signed joint daily report shall be the basis for invoicing and shall constitute DFCCIL's acceptance of day-to-day work apart from the completion of scheduled maintenance in timely manner. Daily progress and history shall be mailed to the nominated DFCCIL official/s along with weekly and monthly progress reports in the prescribed format. The output during actual tamping timing shall not be less than 90%(individual block) and 95% (on monthly average) of rated output indicated by OEM of Machine.
- 1.8.5 The signed joint daily report shall be the basis for invoicing and shall constitute DFCCIL's acceptance of day-to-day work apart from the completion of scheduled maintenance in timely manner. Daily progress and history shall be mailed to the nominated DFCCIL official/s along with weekly and monthly progress reports in the prescribed format.

1.9 SPARE PARTS

- 1.9.1 The cost of spare parts and other materials will be paid by DFCCIL through schedule B of SOR item of Bill of quantity of this agreement.
- 1.9.2 During the currency of the contract, the certificate from DFCCIL (in any) required by Contractor for importing spare parts/material/testers/ equipment's for Customs clearance will be provided by DFCCIL unit in required format for speedy clearance on arrival at port.

Signature of tenderer (s)
With seal

- 1.9.3 Complete and exhaustive list of machine parts, list broken down to the last level for machine, classified into following categories shall be maintained by the contractor and adequate inventory of same has to be maintained by contractor to ensure that work may not suffer on this account:
- i. Recommended
 - ii. Essential
 - iii. Consumables

1.10 CONSUMPTION OF HSD OIL BY MACHNIE

HSD oil for track machine working will be supplied by DFCCIL. However, actual consumption of HSD oils should not be more than 5% (individual day) and 2.5% (on monthly average) of rated HSD requirement per hours by OEM. If this limits shoots, then contractor has to do engine overhaling even if not due as per schedule in order to bring the HSD consumption with prescribed limits mentioned above in this clause.

1.11 Operation of track machines:

- 1.11.1 The track machines shall be ready to work daily sufficiently in advance before the proposed normal block timing as decided in weekly planning. For minimizing the travel time of track machine, the shunting operations should be done in advance and machine should be kept ready near the starter signal towards the block section where the machine will work. This shall be planned by the DFCCIL supervisor. The contractor is required to factor this in the daily required working hours of the staff.
- 1.11.2 To move the machines from stabling siding to the work site and back, the DFCCIL shall provide the Contractor with a staff, who is aware of the route to provide the directions for movement/travel. However, the contractor will provide sufficient operators to move the machines in shift and will not refuse the movement of machine.
- 1.11.3 Before start of new site/ shifting of machine base stabling siding, a program will be prepared by the contractor in consultation with sectional APM/DPM of DFCCIL and got signed by both the Contractor and DFCCIL which will include the following:
- Location of the work
 - Location and length of stabling siding
 - Proposed schedule of blocks
 - Site specific precautions
 - Schedule of ballast supply
 - Any other item as considered necessary for the work
- 1.11.4 **Track machines should be provided with sufficient external lights** so as to make them capable of working at night. The contractor shall make his own arrangements for extra lighting at site for working in night.
- 1.11.5 During block all essential safety and other DFCCIL working rules shall be followed by the contractor as well as DFCCIL staff.
- 1.11.6 **In case of failure of track machines**, the Contractor shall promptly inform the DFCCIL. Information shall be provided on paper or electronically in a format, which shall be specified by the DFCCIL. The format may be changed from time to time, as required by DFCCIL.
- 1.11.7 If any track machine breaks down during block and require DFCCIL/Railway's loco/haulage arrangement, in addition to penalty for block bursting, a penalty @ Rs. 2,00,000/- per case will also be charged to contractor and will be adjusted from his running bills. Similarly, if any track machine/s is/are derailed and required assistance of Railway crane/ART/MFD van for re-railing, in addition to penalty for block bursting, a penalty @ Rs. 4,00,000/- per case for

crane and Rs. 1,00,000/- for MFD van will also be charged to the contractor and will be adjusted from his running bills. These rates are as on tender opening date. For every year on the anniversary of LOA the above penalty rates shall be increased by 3% compound.

1.12 Traffic block, speed restrictions

The contractor will clear the traffic block in time. Block busting on account of contractor will attract following penalties per instance:

00-15 minute: NIL
 15-30 minute: Rs. 10,000/- 30-60 minute: Rs. 20,000/-
 > 60 minute: Rs. 50,000/- per hour subject to maximum of Rs. 1,00,000/-

The above rates are as on tender opening date. For every year on the anniversary of LOA the above penalty rates shall be increased by 3% compounded.

- 1.13 Progress of work is likely to be affected due to various reasons i.e. technical requirement of work, natural reasons, statutory reasons, DFCCIL account, contractor account etc. Some of the reasons are indicated below (list is only indicative and not exhaustive):

SN	Reason	On account of
1	Shifting	DFCCIL Requirement
2	1000 Hrs, IOH (on achieving 2000 Hrs of Engine running) and POH (on achieving 8000 Hrs of Engine running)	Technical Requirement
3	Ballast DMT in same block section.	DFCCIL Requirement
4	Flood	Natural
5	National Holiday (15 th Aug, 2 nd Oct. and 26 th Jan)	Statutory
6	Force Majeure conditions	Force Majeure
7	No block	DFCCIL
8	No/Less ballast	DFCCIL
9	Breakdown of Machine	Contractor
10	Working days lost on account of attending breakdown of machine	Contractor
11	Non availability of Executive of Civil, S&T and LP/ALP or other DFCCIL staff essential for machine working/shifting/ movement.	DFCCIL
12	No/less staff at machine (refer clause 6 of Special Conditions)	Contractor
13	If time taken for IOH is more than 20 Days	Contractor
14	If time taken for 1000 Hrs is more than 7 Days	Contractor
15	If time taken for POH is more than 50 Days	Contractor
16	Accident on DFCCIL / Road user /trespasser / contractor account	As per joint inquiry report
17	SPAD (Signal passing at danger position by Machine Operator)	Contractor

- 1.14 The contractor will offer a machine for working to DFCCIL. If the machine is not able to work on account of any reason, it will be recorded jointly by contractor's representative and authorized DFCCIL staff. The progress will be monitored on a quarterly basis for each machine. The machine will be considered as available if days are lost on account of natural reasons (i.e like heavy rains etc), statutory reasons, force majeure conditions, derailment (on account of DFCCIL) and other DFCCIL accounts. In every month, 25 days are estimated to be working day (including Sundays). No penalty will be levied on the contractor for loss of working days on account of DFCCIL, technical requirement, natural reasons, statutory reasons and Force Majeure

conditions. If any machine is not available for a minimum of 75 days in a quarter (quarter will start from date of commissioning of machines) on contractor account, the payment of item No. 1 of SOR will be reduced proportionally. For example, if machine is available for only 70 days, the reduced payment will be = $(70/75) \times$ the monthly payment shown in SOR item No. 1 SOR. In case in contractor has made availability of machine for working for more than 75 days in subsequent quarter, then recovery already deducted in previous quarters will be returned back for no of days in excess of 75 days. **This adjustment will be made on a quarterly basis.**

1.15 Requirement of Track machine staff

The contractor will provide competent staff for operation and maintenance of track machine.

- 1.15.1 For overall supervision, control and management of track machines and work, contractor shall deploy one qualified graduate engineer having Degree in Civil/Mechanical/Electrical/Industrial engineering along with overall working experience of 3 years. If contractor is not able to initially deploy the qualified supervisor as above, or provide a replacement within 15 days, a penalty of Rs. 2,00,000/- per month (for part of month- on prorata basis) per supervisor duly updated for PVC applicable for item No. 1 of SOR or part thereof will be imposed. Dy.CPM/DFCCIL is also empowered to stop the work with associated penalties under situation of shortage of qualified track supervisor/s.
- 1.15.2 In addition to Graduate engineer, the scale of track machine staff required for safe working, operation and maintenance of track machines (per machine) is as under:

Machine	O	Tec	H
DTE-3X	2	3	3

If staff is less than the agreed scale of staff, penalty as under will be imposed:

Operator: Rs. 5000/- per day
 Technician: Rs. 3000/- per day
 Helper: Rs. 2000/- per day

Above penalty duly updated for PVC applicable for item No. A 1 of Form No. 4 and this provision will not be applicable during Occasional shortage (two instances in a year, with each instance lasting not more than 7 days) of staff, provided overall strength of machine operator & technician remain more than 70% of agreed strength in respective category.

- 1.15.3 The contractor shall factor in requirement of working hours, occasional extended working hours, workload and required progress, leave, weekly off, sickness of staff, labour laws, holidays, training, refresher courses, periodical medical examination, maintenance requirement of machines etc. while working out staff cost. Contractor will maintain the agreed scale of track machine staff in each category during execution of work. Contractor is advised to deploy multi-skilled operators capable and competent to operate and maintain track machines/allied equipment's.

1.16 Competency and Training of Contractor's operators and Technicians:

- 1.16.1 Contractor's operators, Technicians and helpers shall be of sound physical and mental health and shall not be more than 65 years of age.
- 1.16.2 Contractor's operators should have minimum educational qualification of diploma in Mechanical / Production Engineering/Industrial Engineering/Automobile Engineering / Electrical / Electronics / Instrumentation Engineering. However, if operator is having more than 5 years of working experience in Indian Railway as JE/SSE/TMC, the above educational qualification will be exempted and such operators will be

Signature of tenderer (s)

deemed to have requisite educational qualification. DFCCIL reserves the right to verify bidders/contractor's claim in this regard.

- 1.16.3 Contractor's technicians should have minimum educational qualification of Intermediate (10+2) and/or ITI. However, if technician is having more than 5 years of working experience in Indian Railway as technician, the above educational qualification will be exempted and such technicians will be deemed to have requisite educational qualification.
- 1.16.4 Contractor's helpers should have minimum educational qualification of metric (10th pass).
- 1.16.5 Contractor's operators shall be fit in A-3 Medical category at all times during the currency of the contract. Technicians and Helpers shall be fit in B-1 medical category at all times during the currency of the contract. The classification of A-3 and B-1 will be as per rules of Indian Railways. Contractor's staff will be required to undertake Periodical Medical Examination (PME) at designated hospitals of DFCCIL as per provisions of Indian Railway Track Machine Manual and G&SR.
- 1.16.6 Before deputing its staff for movement/operation/working of track machines, Contractor shall impart the necessary training to its operators and obtain competency certificate from DFCCIL in format indicated in **Annexure-VI**. Before issuing Competency Certificates, DFCCIL will check the knowledge of contractor's operating staff and only after satisfying himself, shall issue the competency certificate. OEM's shall impart necessary training. DFCCIL G & SR training will be provided by DFCCIL. However, Boarding, lodging, transportation to training premise/site will be borne by contractor. In case, contractor imparts technical training at OEM's premises, entire cost of such training shall be borne by the contractor.
- 1.16.7 Before deputing its staff for movement/operation/working of track machines, Contractor shall impart the necessary training to its Technicians.
- 1.16.8 The track machine staff deployed by the contractor will fulfill the required age, educational, training and medical criteria as mentioned above. Only those contractors' operators having valid competence certificate issued by DFCCIL will be authorized to operate and work the track machines. Before issue of competency certificate by DFCCIL, the track machine staff will fulfill all the criteria regarding age, educational qualification, training (technical & Safety) and medical fitness.
- 1.16.9 If actual working performance of any track machine staff of contractor is found not satisfactory or staff reports for duty in intoxicated state or indulged in indiscipline or continuous disregard of DFCCIL instruction or creating unsafe conditions towards working/operating of track machines/running of trains, concerned Dy.CPM/DFCCIL will be authorized to immediately demobilize the defaulting staff. Dy.CPM/DFCCIL will give a notice to this effect to contractor and contractor will demobilize the defaulting staff as directed (immediately or within given time period). The contractor will also provide replacement for which a grace period of one month from the date of serving the notice to contractor will be provided. The resulting shortage of staff including penalty will be dealt with as detailed in subsequent sub-paras.
- 1.17 The machine will work on DFCCIL with the trains running on adjacent tracks. The contractor must ensure the care /safety/health hazards of the labors engaged by him/her during the course of the execution of work. Necessary safety staff/look out men/hand signal men/hooter men etc will be provided by the DFCCIL. Contractor should organize regular safety camps/safety drills, including fire safety drills, at least once in a month and maintain necessary record. DFCCIL supervisors and officers may also be invited to counsel the staff with regard to safety of track, train and Workmen.

- 1.18 DFCCIL shall provide route learning to contractor's track machine operators in similar manner as applicable to DFCCIL track machine operators. Contractor will also maintain and keep the camp coaches track worthy as per Railway rules.
- 1.23.2 The contractor can also hire accommodation from open market/hotel for his staff at his own cost. The Contractor shall arrange the timely transportation of his employees from their places of accommodation to the track machine stabling siding and back at his own cost
- 1.24 **Compensation in case of Short closure of contract on DFCCIL Account**
- In case, DFCCIL doesn't want to continue the contract due to no scope, due to shortage of funds, or due to other reasons not attributable to contractor (except Force Majeure conditions), the contract may be short closed by giving notice of one month to the contractor. In case, on account claims of contractor are not cleared within 180 days from receipt of claims, contractor will have the option for short closing the contract at the expiry of 180-day period, by giving one month notice to DFCCIL to this effect. Till 30 days from giving such notice of short closure, the contractor will be bound to execute the contract at agreed rates, terms and contract. In case of short closure of contract by DFCCIL or by contractor in above circumstance, contractor will be entitled for following compensation after handing over machine to DFCCIL:

- a) All works 'done as per contract agreement but not paid' will be paid.
- b) Performance Guarantee available with DFCCIL will be returned.
- c) The cost of spares **purchased** by Contractor for maintenance of machine on production of actual purchase bills and the Spares will become property of DFCCIL along with 15% Overhead and profit on that.
- d) Rs. 1,00,000/- for demobilization of human resources.

1.25 Termination/short closure on other than DFCCIL account

- 1.25.1 In case of termination of contract on Contractor Account no compensation, payments will be made, except payments for works already done conforming to contract agreement. In case of termination on contractor account, will also be forfeited in terms of contract agreement.
- 1.25.2 In case of persistent Force-Majeure conditions, contract may be short closed with the consent of both parties and without financial liabilities on either side. In such cases, no compensation payments will be made, due payments for works already done conforming to the contract agreement will be cleared and available PG will be released.
- 1.25.3 In case of termination on Contractor Account/short closure in case of persistent Force-Majeure conditions, the Contractor will remove all his establishment, materials, offices from DFCCIL premises, within 30 days, after which Penalty @ Rs.10000/per day/location will be levied. In case the premises are not vacated within 90 days DFCCIL shall have the right to take custody of all properties and equipment and dispose it as it deems fit.

1.26 Infringement of patents

The Contractor is forbidden to use any patents or registered drawings, process or pattern in fulfilling his contract without the previous consent in writing of the owner of such patent, drawing, pattern or trademark, except where these are specified by the DFCCIL. Royalties where payable for the use of such patented processes, registered drawings of patterns shall be borne exclusively by the Contractor. The Contractor shall advise the DFCCIL of any proprietary right that may exist on such processed drawings or patterns which he may use of his own accord.

1.27 Safety Measures

- 1.27.1 The contractor shall take all precautionary measures in order to ensure the protection of his own personnel moving around or working in the DFCCIL premises, but shall then conform to the rules and regulations of the DFCCIL if and when, in the course of the work there is likely to be any danger to persons in the employment of the contractor due to running traffic while working in the DFCCIL siding and premises (i.e. all situations except during the actual working under block), the contractor shall provide flagman or look out men for protection of such persons. The DFCCIL shall remain indemnified by the contractor in the event of any accident occurring in the normal course of work, arising out of the failure of contractor or his men to exercise reasonable precaution at all places of work. All the works under the contract shall be carried out under the supervision of competent DFCCIL supervisor/staff.
- 1.27.2 The contractor shall abide by all DFCCIL regulations in force for the time being and ensure that the same are followed by his representatives or subcontractors or workmen. He shall give due notice to his employees and workers about provision of this para.
- 1.27.3 Detailed safety measures to be adhered are mentioned in the **Annexure-IV**.
- 1.27.4 It may also be noted that works must be carried out most carefully without any

infringement of the Indian Railway Act or the General and Subsidiary Rules in force on the Railway/DFCCIL, in such a way that they do not hinder Railway/DFCCIL operation or affect the proper functioning of or damage any Railway/DFCCIL equipment, structure or rolling stock except as agreed to by the employer.

1.28 Change in law

1.28.1 “The contract price shall be adjusted to take account of any increase and decrease in cost after the bid submission date resulting from:

- a. A change in the law of the Government of India (including the introduction of new laws and the repeal or modification of existing laws): or
- b. In the Judicial or official government interpretation of such laws, or
- c. The commencement of any Indian law which has not entered into effect until the bid submission date; or
- d. Any change in the rates of any of the taxes or introduction of new taxes, duties, levies, cess etc. on supply of materials and services that have a direct effect on the works.

Which affect the contractor in the performance of obligation under the contract.

1.28.2 Further if as a result of change in law as stated in clause No. 1.28.1 above, interpretation, or rates of taxes, the contractor benefits from any reduction in the cost for the execution of this contract, save and except as expressly provided for this sub-clause or in accordance with the provisions of this contract, the contractor shall, within 28 days from the date he becomes reasonably aware of such reduction in the cost, notify the employer of such reduction in cost.”

1.29 EXPENSES DURING SHIFTING OF MACHINE

1.29.1 In case contractor is shifting machine for IOH, all transit expenses are to be born by contractor including cost of HSD. The time taken for shifting of machine for IOH/POH on DFCCIL network will be considered as free time.

1.29.2 In case DFCCIL is shifting machine from one section to other section of DFCCIL, all transit expenses are to be born by DFCCIL. The days taken for shifting of machine will be considered as availability for the purpose of counting 25 days..

1.30 Warrantee / Defect Liability Period

1.30.1 The Contractor shall warranty that all the spares supplied under this contract shall be free from all defects and faults in material, workmanship and manufacture and shall be of acceptable standards / specifications for the contracted work and in full conformity with the technical specifications, and other contract stipulations, for a period of 6 months from the date of providing the component in machine, whichever is earlier. Warranty excludes normal wear and tear, rubber parts.

1.30.2 During the period of warranty falling in the contract period the Contractor shall keep available an experienced engineer / man power to attend to any defective spares supplied by the Contractor. This engineer shall not attend to rectification of defects which arise out of normal wear and tear and come within the purview of routine maintenance work. The contractor shall bear the cost of modifications, additions or substitutions that may be considered necessary due to faulty materials or workmanship for the satisfactory working of the equipment. The final decision shall rest with the Engineer his successor(s)/Nominee.

1.30.3 During the period of Warranty the Contractor shall be liable for the replacement of any part at site, of any parts supplied by the Contractor which may be found defective of

his own manufacture or those of his sub-contractor / supplier whether arising from faulty materials, workmanship or negligence in any manner on the part of the Contractor provided always that such defective parts as are not repairable at site are promptly returned to the Contractor if so required by him at his (Contractor's) own expenses. In case of parts of executed work detected faulty/not as per specifications during guarantee period, contractor should replace all such items irrespective of the fact whether all such items have failed or not. The Contractor shall bear the cost of repairs carried out on his behalf by the Employer at site. In such a case, the contractor shall be informed in advance of the works proposed to be carried out by the Employer.

- 1.30.4 If it becomes necessary for the Contractor to replace or renew any defective portion/part/spare until the expiration of six month from the date of such replacement or renewal or until the end of the above mentioned period whichever is later. Such an extension shall not apply in case of defects of a minor nature, the decision of the Chief General Manager / General Manager / , CPM or his successor/nominee being final in the matter. If any defect be not remedied within a reasonable time during the aforesaid period the Employer may proceed to do work at the Contractor's risk and expense, but without prejudice to any other rights and remedies which the Employer may have against the Contractor in respect of such defects or faults.
- 1.30.5 The repaired or renewed parts/spares shall be delivered / supplied and erected/ executed on site free of charge by the contractor.
- 1.30.6 Any materials, fittings, components or equipment's supplied under items for supplying / providing and fixing in schedule shall also be covered by the provisions of this paragraph. The liability of the Contractor under the guarantee will be limited to re-supply of components installation and fittings.

1.31 Payment

- 1.31.1 Payment will be governed by the terms specified in Chapter IV and in accordance with accepted schedule of prices, read with relevant para of the other parts of the contract. The employer retains the right to withhold money due to the contractor arising out of this contract for any default of the contractor.
- 1.31.2 The Contractor shall, whenever required, produce or cause to be produced for examination by the Employer any quotation / invoice, cost of other account, book of account, voucher, receipt letter, memorandum paper or writing or any copy of or extract from any such document and also furnish information and returns verified in such manner as may be required in anyway relating to the execution of this contract or relevant for verifying or ascertaining the cost of the execution of this Contract (the decision of the employer on the question of relevancy of any documents, information or return being final and binding on the parties). The Contractor shall similarly produce vouchers etc., if required, to prove to the Employer that materials supplied by him are in accordance with the specifications laid down in the contract.
- 1.31.3 The obligations imposed by sub-clause (i) and (ii) above are without prejudice to the obligation of the Contractor under any statute, rules or order binding to the Contractor or other conditions of the contract.
- 1.31.4 It is an agreed term of the contract that the employer reserves the right to carry out post-payment Audit and/or technical examination of the works and the final bill, including all supporting vouchers, abstracts etc. and to make a claim on the Contractor for the refund of any excess amount paid to him if as a result of such examination any over payment to him is discovered to have been made in respect of any work done or alleged to have been done by him under the contract.

1.32 STATUTORY COMPLIANCES

- 1.32.1 The Contractor shall accept full and exclusive liability for the personnel deployed and other obligations referred under the laws/rules/regulations now and thereafter imposed by the appropriate government/authorities.
- 1.32.2 The Contractor shall keep DFCCIL indemnified against all losses, damages or liability arising out of or imposed in the course of employment of such persons or arising in accordance with any labour laws. DFCCIL will not have any liability whatsoever concerning the persons deployed by the Contractor for the purpose.
- 1.32.3 If as a result of any claim arising out of any reasons stated in above or due to any negligence on part of the personnel deployed, if DFCCIL is made to pay any amount, then DFCCIL shall recover the same from the payment due to the Contractor or send a notice to the Contractor for refund of the same to the DFCCIL and the Contractor shall be liable to reimburse the same within 7 working days of the receipt of such notice. The Bidder shall comply all statutory requirements including compliance of LAWS, Acts, Rules and Regulations.
- 1.32.4 The rejected parts will be a property of Contractor only if it is replaced under warranty. In such cases, Contractor will be responsible to collect the rejected goods and disposal however DFCCIL will extend all possible support in this process.

NOW, THEREFOR,

To avoid all forms of corruption by following a system that is fair, transparent and free from any influence/prejudiced dealings prior to, during and subsequent to the currency of the contract to be entered into with a view to:-

Enabling the CLIENT to obtain the desired said (Name of the Stores/Equipment/Item, Name of the Consultancy Service, Name of Works Contract, Name of Services) at a competitive price in conformity with the defined specifications by avoiding the high cost and the distortionary impact of corruption on public procurement, and

Enabling BIDDERS to abstain from bribing or indulging in any corrupt practice in order to secure [B] by providing assurance to them that their competitors will also abstain from bribing and other corrupt practices and the CLIENT will commit to prevent corruption, in any form, by its Officials by following transparent procedures.

The parties hereto hereby agree to enter into this Integrity Pact and agree as follows:

Commitments of the CLIENT

- 1.0 The CLIENT undertakes that no official of the CLIENT, connected directly or indirectly with the [B], will demand, take a promise for or accept, directly or through intermediaries, any bribe, consideration, gift, reward, favour or any material or immaterial benefit or any other advantage from the [A] either for themselves or for any person, organization or third party related to the [B], in exchange for an advantage in the bidding process, bid evaluation, contracting or implementation process related to the [B].

- 1.1 The CLIENT will, during the pre-contract stage, treat all BIDDERS alike, and will provide to all BIDDERS the same information and will not provide any such information to any particular BIDDER which could afford an advantage to that particular [A] in comparison to other BIDDERS.
- 1.2 All the officials of the CLIENT will report to the appropriate Government office any attempted or completed breaches of the above commitments as well as any substantial suspicion of such a breach.
2. In case any such preceding misconduct on the part of such official(s) is reported by the [A] to the CLIENT with full, and verifiable facts and the same is prima facie found to be correct by the CLIENT, necessary disciplinary proceedings, or any other action as deemed fit, including criminal proceedings may be initiated by the CLIENT and such a person shall be debarred from further dealings related to the [B] process. In such [B] a case while an enquiry is being conducted by the CLIENT the proceedings under the [B] would not be stalled.

Commitments of BIDDERS

3. The [A] commits itself to take all measures necessary to prevent corrupt practices, unfair means and illegal activities during any stage of its bid or during any pre-contract or post-contract stage) in order to secure the [B] contract or in furtherance to secure it and in particular commit itself to the following:-
 - 3.1 The [A] will not offer, directly or through intermediaries, any bribe, gift, consideration, reward, favour, any material or immaterial benefit or other advantage, commission fees, brokerage or inducement to any official of the CLIENT, connected directly or indirectly with the bidding process, or to any person, organization or third party related to the [B] in exchange for any advantage in the bidding, evaluation, contracting and implementation of the [B].
 - 3.2 The [A] further undertakes that it has not given, offered or promised to give, directly or indirectly any bribe, gift, consideration, reward, favour, any Material or immaterial benefit or other advantage, commission, fees, brokerage or inducement to any official of the CLIENT or otherwise in procuring the Contract or forbearing to do or having done any act in relation to the obtaining or execution of the [B] or any other [B] with the Government for showing or forbearing to show favour or disfavour to any person in relation to the [B] or any other [B] with the Government.
 - 3.3 * [A] shall disclose the name and address of agents and representatives and Indian [A] shall disclose their foreign principals or associates.

- 34 * [A] shall disclose the payments to be made by them to agents/brokers or any other intermediary, in connection with this bid/contract.

General Conditions of Dispute Adjudication Agreement

1. Definitions
- Each "Dispute Adjudication Agreement" is a tripartite agreement by and between:
- (a) the "Employer";
 - (b) the "Contractor"; and
 - (c) the "Member" who is defined in the Dispute Adjudication Agreement as one of the three persons who are jointly called the "DAB" (or "dispute adjudication board") and, where this is the case, the other two persons are called the "Other Members".
- The Employer and the Contractor have entered (or intend to enter) into a contract, which is called the "Contract" and is defined in this Dispute Adjudication Agreement, In the Dispute Adjudication Agreement, words and expressions which are not otherwise defined shall have the meanings assigned to them in the Contract.
2. General Provisions
- The Dispute Adjudication Agreement shall take effect when the Employer, the Contractor and each of the Members (or Member) have respectively each signed a dispute adjudication agreement.
- When the Dispute Adjudication Agreement has taken effect, the Employer and the Contractor shall each give notice to the Member accordingly. If the Member does not receive either notice within six months after entering into the Dispute Adjudication Agreement, it shall be void and ineffective.
- This employment of the Member is a personal appointment. No assignment or subcontracting of the Dispute Adjudication Agreement is permitted without the prior written agreement of all the parties to it and of the Other Members (if any).
3. Warranties
- The Member warrants and agrees that he/she is and shall be impartial and independent of the Employer, the Contractor and the Engineer. The Member shall promptly disclose, to each of them and to the Other Members (if any), any fact or circumstance which might appear inconsistent with his/her warranty and agreement of impartiality and independence.
- When appointing the Member, the Employer and the Contractor relied upon the Member's representations that he/she is:
- (a) experienced in the work which the Contractor is to carry out under the Contract,
 - (b) experienced in the interpretation of contract documentation, and
 - (c) fluent in the language for communications defined in the Contract.
4. General Obligations of the Member
- The Member shall:
- (a) have no interest financial or otherwise in the Employer, the Contractor or the Engineer, nor any financial interest in the Contract except for payment under the Dispute Adjudication Agreement;

- (b) not previously have been employed as a consultant or otherwise by the Employer, the Contractor or the Engineer, except in such circumstances as were disclosed in writing to the Employer and the Contractor before they signed the Dispute Adjudication Agreement;
- (c) have disclosed in writing to the Employer, the Contractor and the Other Members (if any), before entering into the Dispute Adjudication Agreement and to his/her best knowledge and recollection, any professional or personal relationships with any director, officer or employee of the Employer, the Contractor or the Engineer, and any previous involvement in the overall project of which the Contract forms part;
- (d) not, for the duration of the Dispute Adjudication Agreement, be employed as a consultant or otherwise by the Employer, the Contractor or the Engineer, except as may be agreed in writing by the Employer, the Contractor and the Other Members (if any);
- (e) comply with the annexed procedural rules and with Sub-Clause 63.2 of the Conditions of Contract;
- (f) not give advice to the Employer, the Contractor, the Employer's Personnel or the Contractor's Personnel concerning the conduct of the Contract, other than in accordance with the annexed procedural rules;
- (g) not while a Member enter into discussions or make any agreement with the Employer, the Contractor or the Engineer regarding employment by any of them, whether as a consultant or otherwise, after ceasing to act under the Dispute Adjudication Agreement;
- (h) ensure his/her availability for any site visit and hearings as are necessary; and
- (i) treat the details of the Contract and all the DAB's activities and hearings as private and confidential, and not publish or disclose them without the prior written consent of the Employer, the Contractor and the Other Members (if any).

5. General Obligations of the Employer and the Contractor

The Employer, the Contractor, the Employer's Personnel and the Contractor's Personnel shall not request advice from or consultation with the Member regarding the Contract, otherwise than in the normal course of the DAB's activities under the Contract and the Dispute Adjudication Agreement, and except to the extent that prior agreement is given by the Employer, the Contractor and the Other Members (if any). The Employer and the Contractor shall be responsible for compliance with this provision, by the Employer's Personnel and the Contractor's Personnel respectively.

The Employer and the Contractor undertake to each other and to the Member that the Member shall not, except as otherwise agreed in writing by the Employer, the Contractor, the Member and the Other Members (if any):

- (a) be appointed as an arbitrator in any arbitration under the Contract;
- (b) be called as a witness to give evidence concerning any dispute before arbitrator(s) appointed for any arbitration under the Contract; or
- (c) be liable for any claims for anything done or omitted in the discharge or purported discharge of the Member's functions, unless the act or omission is shown to have been in bad faith.

The Employer and the Contractor hereby jointly and severally indemnify and hold the Member harmless against and from claims from which he/she is relieved from liability under the preceding paragraph.

6. Payment The Member shall be paid as per fee defined by DFCCIL
- (a) a daily fee shall be considered as payment in full for:
 - (i) each working day spent reading submissions, attending hearings (if any), preparing decisions, or making site visits (if any); and
 - (ii) each day or part of a day up to maximum of two days travel time in each direction for the journey (if any) between the Member's home and site or another location of a meeting with Other Members (if any) and/or the Employer and the Contractor;
 - (b) all reasonable expenses incurred in connection with the Member's duties, including the cost of secretarial services, telephone calls, courier charges, faxes and telexes, travel expenses, hotel and subsistence costs; a receipt shall be required for each item in excess of five percent of the daily fee referred to in sub-paragraph (a) of this Clause; and
 - (c) any taxes properly levied in the Country on payments made to the Member (unless a national or permanent resident of the Country) under this Clause 6.

The daily fee shall be as specified in the Dispute Adjudication Agreement.

Immediately after the Dispute Adjudication Agreement takes effect, the Member shall, before engaging in any activities under the Dispute Adjudication Agreement, submit to the Contractor, with a copy to the Employer, an invoice for (a) an advance of twenty-five (25) percent of the estimated total amount of daily fees to which he/she will be entitled and (b) an advance equal to the estimated total expenses that he/she shall incur in connection with his/her duties. Payment of such invoice shall be made by the Contractor upon his receipt of the invoice. The Member shall not be obliged to engage in activities under the Dispute Adjudication Agreement until each of the Members has been paid in full for invoices submitted under this paragraph.

Thereafter the Member shall submit to the Contractor, with a copy to the Employer, invoices for the balance of his/her daily fees and expenses, less the amounts advanced. The DAB shall not be obliged to render its decision until invoices for all daily fees and expenses of each Member for making a decision shall have been paid in full.

Unless paid earlier in accordance with the above, the Contractor shall pay each of the Member's invoices in full within 28 calendar days after receiving each invoice and shall apply to the Employer (in the Statements under the Contract) for reimbursement of one-half of the amounts of these invoices. The Employer shall then pay the Contractor in accordance with the Contract.

If the Contractor fails to pay to the Member the amount to which he/she is entitled under the Dispute Adjudication Agreement, the Employer shall pay the amount due to the Member and any other amount which may be required to maintain the operation of the DAB; and without prejudice to the Employer's rights or remedies. In addition to all other rights arising from this default, the Employer shall be entitled to reimbursement of all sums paid in excess of one-half of these payments, plus all costs of recovering these sums and financing charges calculated at the rate specified in Sub-Clause 14.8 of the Conditions of Contract.

If the Member does not receive payment of the amount due within 28 days after submitting a valid invoice, the Member may (i) suspend his/her services (without notice) until the payment is received, and/or (ii) resign his/her appointment by giving notice to the Employer and the Contractor. The notice shall take effect when received by them both. Any such notice shall be final and binding on the Employer, the Contractor and the Member.

7. Default of the Member

Signature of tenderer (s)
With seal

If the Member fails to comply with any obligation under Clause 4, he/she shall not be entitled to any fees or expenses hereunder and shall, without prejudice to their other rights, reimburse each of the Employer and the Contractor for any fees and expenses received by the Member and the Other Members (if any), for proceedings or decisions (if any) of the DAB which are rendered void or ineffective.

8. Disputes

Any dispute or claim arising out of or in connection with this Dispute Adjudication Agreement, or the breach, termination or invalidity thereof, shall be finally settled under the Rules of Arbitration of the Indian Council of Arbitration by one arbitrator appointed in accordance with these Rules of Arbitration

PROCEDURAL RULES TO DISPUTE ADJUDICATION

- 1 The Employer and the Contractor shall furnish to the DAB one copy of all documents which the DAB may request, including Contract documents, progress reports, variation instructions, certificates and other documents pertinent to the matter in dispute. All communications between the DAB and the Employer or the Contractor shall be copied to the other Party. If the DAB comprises three persons, the Employer and the Contractor shall send copies of these requested documents and these communications to each of these persons.
- 2 The DAB shall proceed in accordance with Sub-Clause 63.2 and these Rules. Subject to the time allowed to give notice of a decision and other relevant factors, the DAB shall:
 - (a) act fairly and impartially as between the Employer and the Contractor, giving each of them a reasonable opportunity of putting his case and responding to the other's case, and
 - (b) adopt procedures suitable to the dispute, avoiding unnecessary delay or expense.
- 3 The DAB may conduct a hearing on the dispute, in which event it will decide on the date and place for the hearing and may request that written documentation and arguments from the Employer and the Contractor be presented to it prior to or at the hearing.
- 4 Except as otherwise agreed in writing by the Employer and the Contractor, the DAB shall have power to adopt an inquisitorial procedure, to refuse admission to hearings or audience at hearings to any persons other than representatives of the Employer, the Contractor and the Engineer, and to proceed in the absence of any party who the DAB is satisfied received notice of the hearing; but shall have discretion to decide whether and to what extent this power may be exercised.
- 5 The Employer and the Contractor empower the DAB, among other things, to:
 - (a) establish the procedure to be applied in deciding a dispute,
 - (b) decide upon the DAB's own jurisdiction, and as to the scope of any dispute referred to it,
 - (c) conduct any hearing as it thinks fit, not being bound by any rules or procedures other than those contained in the Contract and these Rules,
 - (d) take the initiative in ascertaining the facts and matters required for a decision,
 - (e) make use of its own specialist knowledge, if any,
 - (f) decide upon the payment of financing charges in accordance with the Contract,
 - (g) decide upon any provisional relief such as interim or conservatory measures, and
 - (h) open up, review and revise any certificate, decision, determination, instruction, opinion or valuation of the Engineer, relevant to the dispute.
- 6 The DAB shall not express any opinions during any hearing concerning the merits of any arguments advanced by the Parties. Thereafter, the DAB shall make and give its decision in accordance with Sub-Clause 63.2, or as otherwise agreed by the Employer and the Contractor in writing. If the DAB comprises three persons:
 - (a) it shall convene in private after a hearing, if any, in order to have discussions and prepare its decision;
 - (b) it shall endeavour to reach a unanimous decision: if this proves impossible, the applicable decision shall be made by a majority of the Members, who may require the minority Member to prepare a written report for submission to the Employer and the Contractor; and
 - (c) if a Member fails to attend a meeting or hearing, or to fulfil any required function, the other two Members may nevertheless proceed to make a decision, unless:
 - (i) either the Employer or the Contractor does not agree that they do so, or
 - (ii) the absent Member is the chairman and he/she instructs the other Member to not make a decision.

DETAILED SAFETY MEASURES**(A) MEASURES TO BE ENSURED PRIOR TO START OF WORK**

- 1.1 The contractor shall not start any work without the presence of DFCCIL supervisors at site.
- 1.2 The methodology in detail for execution of the work at site shall be approved by engineering in charge of the organization executing the work and copies of the same shall be available with contractor's supervisor, DFCCIL supervisor of the section in whose jurisdiction the work falls.

(B) PROTECTION OF TRACK DURING EMERGENCY

1. Action to be taken when a contractor's supervisor or vehicle operator apprehends any unusual circumstances likely to infringe the track and endanger safe running of trains. At any time if a contractor's supervisor or vehicle operator observes any unusual circumstances likely to infringe the track and apprehend danger to safe running of track, he shall take immediate steps to advise a DFCCIL official of such danger and assist him in protection of track.
2. The track shall be protected as under. One person shall immediately plant a red flag (red lamp during night) at the spot and proceed with all haste in the direction of approaching train with a red flag in hand (red lamp during night) and plant a detonator on rail at a distance of 600m from the place of obstruction of BG track after which he shall further proceed for not less than 1200m from the place of obstruction from BG track and plant three detonators at 10 m apart on rails. After this he shall display the red flag (red lamp during night) at a distance of 45 m from the detonators. Attempts shall also be made to send an advice to nearest DFCCIL/Railway station about the incident immediately.
3. Action to be taken if train is seen approaching to site of danger and there is no time to protect the track as per guidelines mentioned above. In such a case the detonators shall be planted on rails immediately at distance away from place of danger as far as possible and attention of driver of approaching train shall be invited by whistling, waving the red flag vigorously, gesticulating and shouting.
4. Action to be taken if more than one track is obstructed.
 - i. In case of single line protection as above shall be done in both the directions from place of danger.
 - ii. In case of double line or multiple lines, if other tracks are also obstructed, the protection as above shall be done for other track also.
 - iii. The protection shall be done in that direction and on that track first on which train is likely to arrive first.
 - iv. The Contractor's Supervisors, Operators and lookout men shall be properly explained about the direction of trains on running tracks.
5. Equipment required for protection of track: Minimum compliment of protection equipment i.e. 10 detonators, 4 red hand flags, 4 red hand lamps, 4 banner flags and whistles etc. shall always be kept ready at worksites for use in case of emergency. DFCCIL will arrange to provide detonators, whereas Contractor shall arrange other equipment at his own cost
6. Arrangement of lookout men and competency required for lookout man to warn labour about approaching train.
 - a. DFCCIL will provide lookout men.
 - b. The lookout men shall be properly trained in warning to staff at worksite about approaching train.

- c. Only those lookout men shall be provided at site who have been issued with a competency certificate by the DFCCIL Supervisor.

(C) SAFETY ASPECTS TO BE OBSERVED WHILE WORKING IN OHE AREA

1. No electrical work close to running track shall be carried out without permission of DFCCIL representative.
2. A minimum distance of 2 m has to be maintained between live OHE wire and body part of worker or tools or metallic supports etc
3. No electric connection etc. can be tapped from OHE.
4. Authorized OHE staff should invariably be present when the relaying work or any major work is carried out.
5. Power block is correctly taken and 'permit to work' is issued.
6. The structure bonds, track bonds, cross bonds, longitudinal rail bonds are not disturbed and If disconnected for the work, they are reconnected properly when the work is completed.
7. The track level is not raised beyond the permissible limit during the work.

(D) Dos and DONT'S FOR WORKING IN A.C. TRACTION AREA

DO(s)

1. In case of fire on electric traction equipment or wires:
 - a. Inform Traction Power Controller (TPC).
 - b. Extinguish fire by special extinguishers (Carbon tetrachloride or carbon dioxide type), if available.
 - c. Ensure no water jet directed at the fire is used under any circumstances.
2. Anything unusual on traction wires or electric rolling stock, inform Traction Power Controller or nearest Station Master.
3. In any emergency speak to Traction Power controller through the nearest means of communication.
 - a) Large metallic structures such as fencing, structural steel work of platform running parallel to the track should be earthed suitably.
 - b) Any tree or branches likely to fall on live conductor or nearer than 4m from the nearest live conductor shall be cut or trimmed by concerned staff in the presence of authorized staff of OHE.
 - c) Before taking up the work on a line running parallel to 2*25KV/25kV AC lines, the line shall be earthed on both the sides of the working party.
 - d) Ensure that distance between the two earths used for protection of working party does not exceed 1 km.
 - e) Keep clear of the track and avoid contact with the rails when electric train within 250m.
 - f) Special care should be taken to carry long pipes, poles or ladders so that it should not come in contact with or within 2m of live OHE.
